ADMINISTRATIVE PROCEEDINGS

REGISTRATION OF FIRST PITTSBURGH SECURITIES CORPORATION REVOKED; OFFICERS AND SALESMEN SANCTIONED

The Commission has revoked the registration of First Pittsburgh Securities Corporation, a Pittsburgh broker-dealer, and expelled the firm from NASD membership. The Commission also barred the firm's president, Salvatore F. Geswaldo, and three of its salesmen, Carl B. Benson, Bernard H. Golling and Donald R. Kohl from association with any broker, dealer, or member of the Philadelphia Stock Exchange or the NASD. Finally, the Commission suspended Charles Krzywicki, First Pittsburgh's secretary-treasurer, from any such association for thirty days, effective July 7.

The Commission found that, during the period from July 1974 to October 1976, respondents other than Krzywicki unlawfully sold unregistered securities of Fidelity Loan and Investment Corporation, and made false and misleading representations to customers in connection with the offer and sale of those securities. The Commission also found that the firm, Geswaldo and Krzywicki failed to made required records reflecting transactions in Fidelity.

The Commission additionally found that the firm and Geswaldo charged customers excessive markups in the sale of various securities, that respondents other than Krzywicki had been enjoined from violating registration and antifraud provisions of the securities acts, and that the firm had been enjoined from violations of recordkeeping provisions. (Rel. 34-16897)

NASD ACTION AGAINST PRINCE, LANGHEINRICH AND GREER, INC., OTHERS AFFIRMED; SANCTION AGAINST FRANK A. LANGHEINRICH REDUCED

The Commission has affirmed sanctions imposed by the NASD on Prince, Langheinrich and Greer, Inc. (PLG), of Salt Lake City, Spencer B. Greer, PLG's former president, and Warren M. Ketcham, a former salesman. The NASD censured the firm, Greer and Ketcham, and fined the firm $1,000, and Greer $500. The NASD had also censured Frank A. Langheinrich, PLG's former treasurer, and suspended him from association with any NASD member in a principal capacity for six months. The Commission affirmed the imposition of censure, but reduced Langheinrich's suspension to 30 days.

The Commission found, as had the NASD, that PLG and Langheinrich failed to comply with the NASD's margin rules and, together with Ketcham, improperly effected transactions in a special customer omnibus account. It also sustained the NASD's finding that Greer failed to exercise proper supervision over Langheinrich in connection with the margin violations. However, the Commission set aside certain of the NASD's findings of violation, including its finding that the firm and Langheinrich failed to comply with net capital requirements.

The Commission reduced Langheinrich's suspension in light of the facts that it had set aside certain of the NASD's findings, the margin violations were limited in number, and the improper use of the omnibus account only extended over two business days. (Rel. 34-16898)

CIVIL PROCEEDINGS

FINAL JUDGMENT ENTERED IN BOOKKEEPERS CASE; CRIMINAL CONVICTIONS OBTAINED

The Los Angeles Regional Office announced that on June 17, U.S. District Judge Leland C. Nielsen issued a final judgment and permanent injunction against Joseph Margala of Upland, California, and Jerry Whitley of Whittier, California, former president and vice president, respectively, of Bookkeepers, Ltd. Bookkeepers, located in Ontario, California, provides services to small businesses and operates approximately 100 branch offices throughout the country.

Under the terms of the judgment, Margala and Whitley are enjoined from violating the antifraud and registration of securities provisions of the securities laws. In addition, Margala and Whitley were ordered to return to Bookkeepers the shares of stock they acquired in 1974 in a transaction which the Commission alleged was fraudulent. Margala and Whitley consented to the entry of the judgment against them without admitting or denying the allegations of the complaint. As a result of the judgment obtained by the Commission, the former shareholders of Bookkeepers will be restored to the ownership position they occupied before the April 1974 transactions at no cost to themselves. In addition, Bookkeepers will register its stock with the Commission.

Last month, in a related criminal action in San Diego, Federal court arising from the same transactions, Margala was convicted of 15 counts of securities and mail fraud and Whitley pleaded guilty to one count of being an accessory after the fact. Wencke, who was indicted along with Margala and Whitley, has not appeared for his trial and remains a fugitive. (SEC v. Bookkeepers, Ltd., et al., S.D. Cal., CV-79-1715-N). (LR-9114)

FIRST AMENDED COMPLAINT NAMES ALLEN R. GLICK

The Los Angeles Regional Office announced that Honorable Harry E. Claiborne granted the Commission's motion for leave to amend its complaint against Allen R. Glick. The original complaint alleged that Glick caused Argent Corporation to make false and misleading statements regarding the advance of millions of dollars from Argent to Glick, charging violations of the antifraud provisions of the securities laws.

The amended complaint reasserts the original allegations and adds several new charges with respect to false statements about a finder's fee paid to Todd Derlachter in connection with Glick's acquisition of Recrion in 1974; and his arrangement made with Tamara Rand whereby she was to receive 5 percent of Argent upon its acquisition of Recrion. The Commission also alleges that Glick made false statements about the impact upon Argent of a renovation program undertaken during 1975-1976.

The Commission seeks a permanent injunction against Glick. (SEC v. Allen R. Glick, U.S.D.C. District of Nevada, Civil Action No. LV-78-11, HEC). (LR-9113)

CRIMINAL PROCEEDINGS

RUSSELL REED, JAMES S. DOYLE AND THOMAS FRANCIS RYAN SENTENCED

The New York Regional Office announced that on June 10, defendants Russell Reed (also known as Stephen Whitney), of Clinton Corners, New York, James S. Doyle, of Brentwood, New York, and Thomas Francis Ryan, of Kings Park, New York, were sentenced by the Honorable George C. Pratt, U.S. District Judge for the Eastern District of New York, following their convictions by a jury. Defendant Reed was sentenced to (1) five years imprisonment on each of three counts (one of which was suspended), to run concurrently; (2) two years imprisonment on each of two counts, to run concurrently, however, consecutive to the five year terms; (3) five years probation; and (4) a $23,000 fine. Defendants Doyle and Ryan were each sentenced to two years imprisonment on each of five counts, to run concurrently, and three years probation. All but three months of defendants Doyle and Ryan's terms of imprisonment were suspended. Prior to sentencing, Judge Praff ruled against defendant Reed's motion to be released from jail on the ground that he had been illegally extradited from outside the United States. Defendant Reed did not appear at the trial and was convicted in absentia. (The criminal trial arose out of a related Commission injunctive trial, SEC v. Russell Reed, et al., 78 Civil 5581, SDNY 1978). (U.S. v. Russell Reed, also known as "Stephen Whitney", James S. Doyle and Thomas Francis Ryan, 79 Crim. 515(S) E.D.N.Y.). (LR-9115)

CIVIL PROCEEDINGS

JOHN P. HUBERTY TEMPORARILY ENJOINED; RECEIVER APPOINTED

The Chicago Regional Office announced that on June 13, a U.S. Magistrate in Minneapolis temporarily restrained and enjoined John P. Huberty of Minnetonka, Minnesota, from violations of the antifraud provisions of the Federal securities laws. In addition, the Order froze Huberty's assets except for a $750 allowance for subsistance expenses until June 19, when a hearing was held to show cause why a preliminary injunction should not be granted. Upon Huberty's consent, a receiver (as yet unnamed) was appointed to take possession of Huberty's assets and property.

The Commission's complaint, which was filed on June 13, alleged that Huberty had violated the antifraud provisions in obtaining approximately $1.3 million from at least 35 individuals and entities purportedly for the purchase of securities. The complaint further alleged that instead of purchasing securities, Huberty used the funds to purchase commodities for his own account, speculate in interest rate futures, and buy real estate for himself. In addition to seeking a freeze on Huberty's assets and the appointment of a receiver, the complaint further requested that Huberty disgorge any and all funds received in connection with the above-described securities transactions. (SEC v. John P. Huberty, District of Minn., Civil Action File No. 4-80-330). (LR-9116)

ADMINISTRATIVE PROCEEDINGS

NEAL R. SINCLAIR, GALE W. WALLACE AND ROBERT L. SMITH, FORMER IES SALESMEN, SANCTIONED

Pursuant to Offers of Settlement submitted by Neal R. Sinclair, Gale W. Wallace and Robert L. Smith, formerly registered representatives of The IES Management Group, Inc. (IES), the Commission has entered an order instituting administrative proceedings and imposing remedial sanctions. This order suspends: (1) Sinclair from association with any broker, dealer, investment adviser or investment company for a periof of 20 business days; and upon expiration of this period an addition suspension: (1) from engaging in transactions in any securities other than those for which a registration statement has been filed or is in effect pursuant to the Securities Act of 1933 for a period of three months, and (b) from association with any broker, dealer, investment adviser or investment company in a supervisory or proprietary capacity for a period of twelve months; (2) Wallace from association with any broker, dealer, investment adviser or investment company for a period of ten business days; and (3) Smith from association with any broker, dealer, investment adviser or investment company for a period of five business days.

The Commission's Order was based upon findings that: Sinclair and Wallace, from January 1, 1974, to December 31, 1976, and Smith, from August 1975 to December 31, 1976, willfully violated and willfully aided and abetted violations of the securities registration and antifraud provisions of the Federal securities laws in connection with their offer and sale of securities in the form of interests in limited partnerships syndicated by IES. The respondents consented to the above findings and sanctions without admitting or denying the allegations in the Commission's Order Instituting Proceedings. (Rel. 34-16912)

PROCEEDINGS INSTITUTED AND ORDER ENTERED AGAINST PEABODY INTERNATIONAL CORPORATION FOR DEFICIENT FILINGS

The Commission announced the issuance of an Order Instituting Proceedings Pursuant to Section 15(c)(4) of the Securities Exchange Act of 1934 and Findings and Order of the Commission against Peabody International Corporation (Peabody), a Delaware corporation with headquarters in Stamford, Connecticut. Peabody, under the terms of its offer of settlement, consented to the entry of the Order of the Commission without admitting or denying any of the findings or conclusions contained therein.

In its Order, the Commission found that Peabody failed to comply in several material respects with Section 13(a) of the Securities Exchange Act of 1934 and Rules 13a-1 and 13a-13 thereunder in connection with an Annual Report on Form 10-K for its fiscal year ended September 30, 1979 and Quarterly Report on Form 10-Q for the quarter ended December 31, 1979. The Commission found that Peabody did not have a sufficient basis upon which to defer certain contract costs attributable to an alleged breach of contract or avoid recognition of the anticipated future costs on this contract and, by reason of the accounting treatment employed, overstated its income in filings with the Commission. Further the Commission found that Peabody's disclosures concerning these matters in filings with the Commission were misleading and that Peabody omitted to disclose material matters.

The Commission ordered Peabody to comply with the reporting requirements of the Securities Exchange Act of 1934, to amend its reports currently on file with the Commission and to comply with certain undertakings. Peabody undertook to, among other things, restate certain financial statements and amend its filings accordingly; to release immediately a release concerning the proceedings and setting out the restated figures; and to develop appropriate procedures and policies concerning the deferral of certain costs. Peabody also undertook to defer costs only if in accordance with generally accepted accounting principles, approved by its audit committee and disclosed in specified filings and reports to shareholders. COMMISSION ANNOUNCEMENTS

COMMISSION REVEALS PLANS FOR REGULATORY REFORM INITIATIVES IN 1981

A comprehensive "sunset review" of the complex of rules which govern preparation and filing of registration statements for new issues of securities heads the list of regulatory review and reform initiatives which the Commission's staff is planning to undertake during 1981.

The anticipated review of Regulation C under the Securities Act of 1933 is one of a series of planned activities which were revealed today in a regulatory agenda published by the Commission. This is the third semi-annual listing of pending regulatory matters prepared by the Commission. In addition, this release also includes, for the first time, a discussion of significant regulatory review projects which the staff is planning to recommend commencing during the next 18 months. These projects must still be presented to and approved by the Commission before they are begun.

"By publishing this listing," the document explained, "the Commission seeks public comment on whether these items would be appropriate areas for it to address and whether there are other facets of its existing rules which the Commission should consider subjecting to review or possible revision."

The agenda also lists some 30 significant regulatory actions which the Commission anticipates will come before it during the second half of 1980. These include proposed revisions to the 10-K annual report and related matters; a series of amendments to the tender offer rules; several proposals relating to establishment of a national market system; and a number of recommendations made by the Commission's Special Study of the Options Markets.

In addition, the release sets forth regulatory review and reform initiatives which are already underway in four, broad categories -- a continuous examination of Commission rules; a systematic review of all disclosure-related matters; steps to reduce burdens imposed by Commission rules on small businesses, consistent with investor protection; and monitoring of the operation and consequences of rules after they are adopted.

Comments on the staff's proposed regulatory review initiatives are due by October 1, 1980 and should be addressed to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, Washington, D.C. 20549. (Rel. 33-6219)

CIVIL PROCEEDINGS

COMMISSION ALLEGES INSIDER TRADING VIOLATIONS BY INDIVIDUALS, DISGORGEMENT ORDERED; NATIONAL KINNEY CORP. CHARGED WITH VIOLATIONS

The U.S. District Court for the Southern District of New York entered Orders against National Kinney Corp. (NKC), Peter Ulrich, Emily Johns, Max Beck and Fredric J. Freed in an action instituted by the Commission on June 30. Orders were entered against the individual defendants which required them to comply with antifraud provisions of the Securities Exchange Act of 1934 and disgorge profits from certain transactions in NKC securities. NKC was ordered to make full, fair and accurate statements in communications with exchanges and self-regulatory organizations. The Court also ordered NKC to comply with certain undertakings. The defendants consented to the entry of these Orders without admitting or denying the allegations in the complaint.

The complaint alleged that, on September 18 and 24, 1979, an officer of NKC made untrue statements of material facts to an official of the American Stock Exchange in response to questions by the official prompted by unusual and unexplained trading in NKC's common stock on that exchange. The complaint further alleged that on October 22, 1979 and October 23, 1979, Ulrich, Johns, Beck and Freed purchased NKC common stock while in possession of material, non-public information concerning arrangements between certain persons and entities to, among other things, attempt to acquire or develop hotel-casino gaming businesses in the United States, including the possible acquisition of the Aladdin Hotel in Las Vegas, Nevada. According to the complaint, these defendants knew that such information was unavailable to the sellers of the securities which they purchased and failed to disclose such information to the sellers. (SEC v. National Kinney Corp., et al., U.S.D.C. S.D.N.Y., Civil Action No. 80-3683). (LR-9118)

ADMINISTRATIVE PROCEEDINGS

INSTITUTION AND SETTLEMENT OF ADMINISTRATIVE PROCEEDINGS AGAINST OCCIDENTAL PETROLEUM CORPORATION

The Commission announced today that it has instituted proceedings pursuant to Section 15(c)(4) of the Securities Exchange Act of 1934 with respect to Occidental Petroleum Corporation (Oxy), a California corporation, to determine whether, during the period January 1, 1973 to the present, Oxy failed to make certain required disclosures in various filings submitted to the Commission pursuant to Section 13 of the Exchange Act and the Rules and Regulations thereunder. Simultaneously with the institution of these proceedings, Oxy submitted an Offer of Settlement for the purpose of disposing of the issues raised in these proceedings. Oxy's Offer of Settlement states it was submitted "in order to terminate the proceedings and avoid the expenditure of further cost and time, prior to any hearing, trial, adjudication or presentation of any evidence and solely for the purpose of the proceedings". In its Offer of Settlement, Oxy, without admitting or denying any of the matters in the Commission's Order Instituting Proceedings, Opinion and Order (the Order), made certain undertakings. The Commission has determined that it is appropriate and in the public interest to accept the Offer of Settlement as submitted and accordingly has issued the Order.

In the Order the Commission states that various filings by Oxy with the Commission did not contain certain required disclosures relating to: the discharge of chemical and toxic wastes into the environment by Oxy's Hooker Chemical subsidiaries, or to the protection of the environment; the status of the proposed construction by Oxy of a hydroskimming refinery on Canvey Island; the status of Oxy's negotiations with Libya concerning the financial arrangement pursuant to which Oxy operated in Libya; and signed undated letters of resignation which were submitted by certain nominees to Oxy's Board of Directors.

In the Order, the Commission ordered Oxy to, among other things, comply with the reporting requirements of the Exchange Act; amend its reports with the Commission within 30 days and include in its next quarterly report to shareholders, a summary of the contents of the Order. In its Offer of Settlement, Oxy has undertaken to designate (and has designated) a director satisfactory to the Commission to (1) prepare an environmental report with respect to certain specified matters; and (2) assure that potential liabilities regarding the impact of Oxy's operations on the environment have been identified to its Board of Directors and that appropriate disclosure has been made in filings with the Commission. Oxy has also made an undertaking and representation with respect to its policy concerning letters of resignation from members of its Board of Directors.

COMMISSION ANNOUNCEMENTS

DIVISION OF CORPORATION FINANCE - INDUSTRY ASSIGNMENTS

On February 21 the Commission announced the reorganization of the disclosure operations section of the Division of Corporation Finance and the implementation of industry centralization which generally provides for the assignment of registrants to the processing branches on the basis of their industry classification. Under this system, except in certain situations involving affiliated entities, each registrant is assigned on the basis of its primary Standard Industrial Classification (SIC) Code to one of thirty-four industry groups. Foreign Governments also has been designated as an additional industry group. It is believed that this procedure will permit the Division to better ascertain the particular disclosure needs of different industries and to more readily identify industry trends.

In order to assist present and prospective registrants in identifying their particular Assistant Directors and Branch Chiefs, the following table represents the present assignments of the industry groups indicated. Requests for pre-filing conferences by companies not presently reporting with the Commission should be made to the appropriate Assistant Director, or, if the industry group is not readily discernible or there exists a position vacancy, to William C. Wood, Associate Director, (202) 272-3269.

ROBERT STEWART CONSENTS TO CIVIL INJUNCTIVE ACTION REGARDING SALE OF ROYALTY INTERESTS

The Seattle Regional Office announced that on June 3 a final decree of permanent injunction was entered by the U.S. District Court, Eastern District of Washington, against Robert C. Stewart, following the filing in October, 1979, of an SEC complaint alleging violations by Stewart and seven other defendants of the registration and antifraud provisions of the securities laws in connection with sales of promissory notes, royalty interests and dealerships. Stewart consented to the entry of the decree of permanent injunction without admitting or denying the allegations of the Commission's complaint. The other defendants had earlier consented to decrees of permanent injunction and to certain ancillary relief. (SEC v. Stewart Energy Systems of Idaho, Inc., et al., E.D. Wash., Civil Action No. C79-372). (LR-9119)

COMPLAINT NAMES CHEMTREE CORPORATION AND WILLIAM CORNELIUS HALL

The New York Regional Office announced the filing of a complaint in the U.S. District Court for the Southern District of New York on June 24 against Chemtree Corporation, a Delaware corporation located in Central Valley, New York, and William Cornelius Hall of Central Valley, New York. The Commission's action seeks to enjoin Chemtree and Hall from further violations of the registration, antifraud, reporting and proxy provisions of the securities laws. The Commission's complaint alleges that from 1975 to 1979, the defendants offered and sold unregistered securities of Chemtree, including common stock and convertible notes, by means of materially misleading statements and omissions to state material facts. The misleading statements and omissions concerned, among other things, the financial condition of Chemtree, including earnings, assets, expenses, the current business of Chemtree, and predictions of future sales, earnings and potential markets.

The complaint also alleges that the defendants filed and caused to be filed a false and misleading general form for registration of securities and annual and quarterly reports. Finally, it is alleged that the defendants failed to file proxy materials which complied with applicable rules and regulations. (SEC v. Chemtree Corporation and William Cornelius Hall, S.D.N.Y., 80 Civil 3562[CES]). (LR-9120)

ADMINISTRATIVE PROCEEDINGS

INVESTMENT RESEARCH GROUP, INC., OTHERS CITED

The Commission has instituted administrative proceedings pursuant to the Investment Advisers Act of 1940 against Investment Research Group, Inc. (IRG), California Planning Services, Inc. (Cal Cap), both of Haywood, California, N. William Vertrees, Karl J. Gerlach, both of Castro Valley, California, and K. Wayne Rice of Danville, California. The Order for Proceedings alleges that IRG, Cal Cap, Vertrees, Rice and Gerlach violated the antifraud provisions of the Securities Act of 1933, the Securities Exchange Act of 1934 and the Advisers Act in connection with the misuse of proceeds gained through the sale of interests in limited partnerships in which Cal Cap was general partner.

IRG, Cal Cap, Vertrees, Rice and Gerlach have submitted Offers of Settlement which have been accepted by the Commission. The Commission's Order suspends IRG and Cal Cap for a period of six months from offering or otherwise soliciting the purchase of interests in limited partnerships in which they or their affiliates are general partner, suspends Rice and Gerlach for periods of six months and three months respectively from association with any investment adviser, and suspends Vertrees for a period of three months from soliciting, advising, or otherwise counseling persons who are not clients of IRG at the date of suspension.

The Commission's Order follows the entry of a final order on January 30, 1980, by the U.S. District Court for the Northern District of California, by consent of the above respondents, permanently enjoining them from violation of the antifraud provisions of the Securities Act, the Exchange Act, and the Advisers Act and granting certain ancillary relief, including detailed internal procedures established to prevent a recurrence of any misuse of partnership proceeds. COMMISSION ANNOUNCEMENTS

IMPLICATIONS FOR MONEY MARKET FUNDS RESULTING FROM THE RESCISSION OF CREDIT CONTROL REGULATIONS TO BE CONSIDERED

Sydney H. Mendelsohn, Director of the Division of Investment Management announced on Friday, July 3, that the Division is currently studying the implications under the securities laws of Friday's action by the Board of Governors of the Federal Reserve System (Board) rescinding the credit control regulations presently applicable to certain registered investment companies, including money market funds, and is preparing a recommendation to the Commission that it issue a release addressing this matter.

The Board's credit control regulations now require that money market funds each maintain noninterest bearing special deposits with Federal Reserve Banks, generally equal to 7-1/2 percent of the amount by which a fund's current assets exceed its assets as of March 14, 1980. As a result of the Board's action on Friday, the final special deposits of the funds will be made on August 4, 1980, and will be returned on August 11, 1980. The rescission of the credit control regulations should result in somewhat increased dividends to shareholders of money market funds when the funds are able to invest that portion of their assets now constituting their special deposits.

Mr. Mendelsohn has announced that the Division will ask the Commission to consider, among other things: (1) the obligations of money market funds to disclose to investors matters resulting from the termination of credit controls, and (2) the implications of the Board's action upon the disclosure and compliance responsibilities of so-called "clone" money market funds which were organized subsequent to the adoption of the credit control regulations and which were designed to insulate shareholders of previously existing money market funds from the impact of the Board's regulations. The Division expects to recommend that the Commission issue a general statement of policy designed to provide guidance to boards of directors of money market funds respecting their responsibilities under the securities laws.

ADMINISTRATIVE PROCEEDINGS

STEVEN C. COKER BARRED

The Commission has barred Stephen C. Coker of Mount Pleasant, South Carolina, from association with any broker, dealer or investment adviser. During 1975 and 1976, Coker was executive vice president of a registered broker-dealer firm and president of a registered investment adviser firm.

The Commission found that Coker wilfully violated antifraud provisions of the securities laws by his participation in massive conversions of customers' securities. The Commission also found that during the same period Coker shared responsibility for recordkeeping and net capital violations. Moreover, he has been enjoined from further violations of antifraud provisions. And when a trustee was appointed for his broker-dealer firm, pursuant to the Securities Investor Protection Act, he was still a controlling person of the firm.

The Commission found that Coker demonstrated a callous disregard for the most basic obligations of fair dealing borne by those in the securities business. In light of his "egregious misconduct," the Commission concluded that a bar was necessary to protect investors from further harm at Coker's hands. (Rel. 34-16935)

DON A. LONG BARRED

Administrative Law Judge Jerome K. Soffer has issued an initial decision barring Don A. Long of Fort Worth, Texas, from association with any investment adviser. The decision, however, permits him to apply after twelve months for leave to become associated with an investment adviser upon making a satisfactory showing that he will be adequately supervised.

The sanctions imposed were based upon findings that Long had wilfully violated the registration provisions of the Securities Act of 1933 and the antifraud and recordkeeping requirements of the Investment Advisers Act of 1940, and had been permanently enjoined by a U.S. District Court from violating various provisions of the securities laws and rules. The decision is subject to review by the Commission on its own motion or on petition of a party.

CIVIL PROCEEDINGS

COMPLAINT NAMES GATEWAY SPORTING GOODS COMPANY

The Commission announced that on July 3 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Gateway Sporting Goods Company, a manufacturer of young adult sport clothes and office furnishings with offices in New York, New York. The Commission's complaint alleges violations of the reporting provisions of the securities laws and seeks a judgment of Permanent Injunction and Other Relief.

The complaint alleges that Gateway, as part of a continuing course of violative conduct, has failed to file its Annual Report on Form 10-K for its fiscal year ended February 29, 1980, required to have been filed with the Commission by May 29, 1980. The complaint requests that the Court order Gateway to file the delinquent report forthwith. The Commission also requested that the Court enjoin Gateway from further violations of the reporting provisions of the securities laws. (SEC v. Gateway Sporting Goods Company, U.S.D.C. D.C., Civil Action No. 80-1638). (LR-9128)

SELF-REGULATORY ORGANIZATIONS

NOTICE OF ISSUANCE OF LETTER

The Commission has sent to the National Association of Securities Dealers, Inc. (NASD) a letter concerning a proposed rule change (SR-NASD-78-3) filed by the NASD to amend its Rules of Fair Practice governing member practices in fixed price offerings of securities (generally referred to as the "Papilsky" proposal). The proposal is intended to regulate or prohibit a variety of practices that the NASD believes might be construed as providing a discount from fixed prices in underwritten public offerings. The letter reflects the Commission's concerns regarding certain aspects of the proposed rule change and requests the NASD to consider revising its proposed rule change to respond to these concerns. First, the Commission believes the proposed interpretations to Article III, Section 24 should be amended to permit NASD members to be compensated, through underwriting designations, for bona fide research they furnish to their members. Second, the Commission believes the NASD should re-examine the definition of "fair market price" in proposed Article III, Section 8 (governing swap transactions) to determine whether a more flexible definition would better achieve the purposes of the proposed rule. (Rel. 34-16956)

NOTICE OF PROPOSED RULE CHANGES

The following have filed proposed rule changes pursuant to Rule 19b-4: Midwest Clearing Corporation (SR-MCC-80-1) that would permit the chairman of the board of directors to set the salary of the president of corporation and that would designate the chairman as the chief executive officer of the corporation. (Rel. 34-16944); and The Chicago Board Options Exchange, Incorporated (SR-CBOE-80-18) to make permanent the rule permitting joint account members to trade with each other but not with the joint account. (Rel. 34-16945)

ADMINISTRATIVE PROCEEDINGS

NYSE SANCTION AGAINST IRWIN SCHLOSS AFFIRMED

The Commission has affirmed the one-year suspension imposed by the New York Stock Exchange (NYSE) on Irwin Schloss of New York City. During the relevant period, Schloss, a member of the NYSE, was president and chief executive officer of Marcus Schloss & Co., Inc. (MSC), a NYSE member firm, which was the NYSE specialist in the securities of APL Corporation. The NYSE suspended Schloss for one year from membership, allied membership, approved person status and employment in any capacity with any NYSE member or member organization.

The Commission found, as had the NYSE, that Schloss failed to exercise proper supervision and control over the activities of MSC's specialist unit and thereby permitted it during November 13-15, 1974, to effect transactions in two series of APL preferred stock which were not reasonably necessary for the maintenance of fair and orderly markets in those securities. The Commission found that during the three days the price of one series rose from 6-3/4 to 9-5/8 and that of the other from 9-5/8 to 12-5/8. Almost every rise in price occurred when MSC was selling for its own account, and was thus setting the prices at which those trades were executed. Moreover, Schloss knew that the purchaser in most of those transactions was his friend, whose orders had previously played an important role in the price rise of APL common. As soon as the prices in the two series hit their highs, Schloss contacted APL and arranged for APL to purchase MSC's holdings and those of his friend as well. The Commission concluded that Schloss was either fully aware of the trading irregularities in the APL preferreds or, at the least, sufficiently alerted to the necessity of making an immediate investigation.

In finding that under the circumstances the one-year suspension was neither excessive or oppressive, the Commission noted that as a specialist, Schloss occupied a position charged with maintaining the highest standards of fair dealing. It found that Schloss failed to meet the responsibilities imposed on him. (Rel. 34-16934)

CIVIL PROCEEDINGS

STANLEY E. WIKLINSKI, OTHERS ENJOINED

The New York Regional Office announced that the Honorable Charles S. Haight, Jr. of the U.S. District Court for the Southern District of New York signed Final Judgments of Permanent Injunction by Consent against Stanley E. Wiklinski, a resident of Rutherford, New Jersey, on February 20, and against L. Henry Sarmiento, a resident of New York, New York, on May 23. Judge Haight also signed Final Judgments of Permanent Injunction by Default against David C. Heenan, a resident of New York, New York, on January 30, Tellco Information Services, a Utah corporation on June 2, and Vittorio Widemann International Corporation (VWI), a Delaware corporation on June 2. All the defendants were permanently enjoined from violating the registration and antifraud provisions of the securities laws. Wiklinski and Sarmiento consented to the entry of the permanent injunctions without admitting or denying the allegations of the Commission's complaint.

The complaint, filed on December 6, 1979, alleged that Tellco, VWI, Sarmiento, Wiklinski, Heenan and others participated in a scheme to sell unregistered securities in the form of convertible promissory notes of VWI, made or caused to be made material misrepresentations and failed to disclose material facts to investors in the offer and sale of VWI notes and/or the common stock of Tellco, and engaged in a concurrent manipulation of the over-the-counter trading market for Tellco common stock. Final Judgments of Permanent Injunction by Consent were previously entered against two other defendants, and the action is still pending as to the remaining three defendants. (SEC v. Tellco Information Services, et al., 79 Civil 6649 [CSH]). (LR-9124)

ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AND ORDER ENTERED AGAINST PEABODY INTERNATIONAL CORPORATION FOR DEFICIENT FILINGS

The Commission announced the issuance of an Order Instituting Proceedings pursuant to Section 15(c)(4) of the Securities Exchange Act of 1934 and Findings and Order of the Commission against Peabody International Corporation, a Delaware corporation with headquarters in Stamford, Connecticut. Peabody is engaged in the production of pollution control equipment, the manufacture of solid waste and material handling equipment and services related to the energy industry. Peabody, under the terms of its offer of settlement, consented to the entry of the Order without admitting or denying any of the findings or conclusions contained therein.

In its Order, the Commission found that Peabody failed to comply in several material respects with Section 13(a) of the Exchange Act and Rules 13a-1 and 13a-13 thereunder in connection with an Annual Report on Form 10-K for its fiscal year ended September 30, 1979 and Quarterly Report on Form 10-Q for the quarter ended December 31, 1979. The Commission found that Peabody did not have a sufficient basis upon which to defer certain contract costs attributable to an alleged breach of contract or avoid recognition of the anticipated future costs on this contract and, by reason of the accounting treatment employed, overstated its income in filings with the Commission. Further, the Commission found that Peabody's disclosures concerning these matters in filings with the Commission were misleading and that Peabody omitted to disclose material matters.

The Commission ordered Peabody to comply with the reporting requirements of the Exchange Act, to amend its reports currently on file with the Commission and to comply with certain undertakings. Peabody undertook to, among other things, restate certain financial statements and amend its filings accordingly; to release immediately a release concerning the proceeding and setting out the restated figures; and to develop appropriate procedures and policies concerning the deferral of certain costs. Peabody also undertook to defer costs only if in accordance with generally accepted accounting principles, approved by its audit committee and disclosed in specified filings and reports to shareholders. (Rel. 34-16938)

TRADING SUSPENSIONS

TRADING SUSPENDED IN SUNDANCE GOLD MINING AND EXPLORATION, INC.

The Commission announced the temporary suspension of over-the-counter trading in the securities of Sundance Gold Mining and Exploration, Inc., a Delaware corporation located in New York, New York, for the ten-day period beginning on July 9 and terminating at midnight on July 18, 1980.

The Commission suspended trading in view of the recent unusual and unexplained market activity in that security between March 25 and June 6, 1980. During that period, there was no publicily available information which would have justified this market activity. In addition, since June 9, questions have been raised about the adequacy and accuracy of publicly disseminated information about joint ventures in which Sundance Gold is a participant.

If any broker-dealer or other person has any information which may relate to this matter, the Division of Enforcement of the SEC should be telephoned at (212) 264-1600. (Rel. 34-16971)

CIVIL PROCEEDINGS

COMPLAINT NAMES JACK M. CATAIN, JR., AND RUSCO INDUSTRIES, INC.

The Commission announced on July 8 the filing of a civil injunctive action in the U.S. District Court for the Central District of California seeking to enjoin Jack M. Catain, Jr. and Rusco Industries, Inc. from further violations of the antifraud, reporting and proxy provisions of the Securities Exchange Act of 1934 and Rules 10b-5, 12b-20, 13a-1, 13a-11, 14a-3 and 14a-9 thereunder. The Commission's complaint alleges that between 1974 and the present, Catain has engaged in a course of conduct in which Rusco corporate funds were used in connection with transactions in which Catain and/or certain of his friends or associates had an undisclosed interest for the benefit of Catain and his friends and associates without regard to the interests of Rusco, and its public shareholders. The complaint alleges that full, accurate and/or timely disclosure relating to the matters alleged in the Commission's complaint has never been made to Rusco shareholders or investing public in any of Rusco's periodic or annual reports, or proxy solicitation materials.

Without admitting or denying the allegations contained in the Commission's complaint, both Catain and Rusco have consented to the entry of permanent injunctions prohibiting future violations of the antifraud, reporting and proxy provisions of the Exchange Act. Moreover, Catain and Rusco have agreed to certain undertakings which, among other things, require Catain to immediately resign as Chairman of the Board and Chief Executive Officer of Rusco and repay any monies found to be due and owing Rusco from the activities complained of in the Commission's complaint and other related matters to be investigated by the Rusco audit committee. Catain's undertaking further provides that Catain shall not be an officer or director of a public company without making an appropriate showing to the Court that matters as alleged in the Commission's complaint will not recur.

Rusco has undertaken to restructure its Board of Directors and audit committee with the former consisting of a majority of outside independent directors and the latter to be composed entirely of outside independent directors. Among its other responsibilities, an audit committee will conduct a search for a new chief executive officer and under the supervision of a special counsel conduct a comprehensive investigation, to be filed with the Commission, of Catain's activities as alleged in the Commission's complaint. Rusco has also agreed to correct all past inaccurate or incomplete filings currently on file with the Commission. (SEC v. Jack M. Catain, Jr. and Rusco Industries, Inc., U.S.D.C. C.D. Cal., Civil Action No. 80-02947). (LR-9129)

ADMINISTRATIVE PROCEEDINGS

SANCTIONS IMPOSED AGAINST HARRY E. HAGERTY

The Commission simultaneously entered an order instituting administrative proceedings and imposing remedial sanctions against Harry E. Hagerty of Washington, D.C., a securities salesman with John Muir & Co., a registered Washington, D.C. broker-dealer. The Commission has accepted the Offer of Settlement submitted by Hagerty. Based on the staff's investigation, the allegations of the Commission's complaint in SEC v. Digital Switch Corporation, et al., C.A. No. 80-0296-A (E.D. Va.), and on the offer, which neither admits nor denies the Commission's allegations, the Commission entered an order finding that Hagerty wilfully violated the registration and antifraud provisions of the securities laws in the offer and sale of unregistered common stock of Digital Switch Corporation(DSC) by failing to disclose, among other things, the use of investor funds to pay commissions on stock sales.

The Commission has suspended Hagerty from association in any capacity with any broker or dealer for six business days and thereafter has limited his activities in association with any broker or dealer to those of a non-supervisory nature, providing that Hagerty may apply to the Commission to remove such limitation after two years.

With respect to the above-referenced complaint, on May 21, the U.S. District Court for the Eastern District of Virginia (Alexandria Division) entered a final judgment against Hagerty and Charles W. Marmon, permanently enjoining them from violations of the registration and antifraud provisions of the securities laws. The complaint had alleged violation of these provisions by Hagerty, Marmon and DSC in connection with the offer and sale of DSC stock. Hagerty and Marmon consented to entry of the injunctions without admitting or denying the allegations of the complaint. As the Commission and DSC had previously entered into a settlement, this action is now terminated as to all defendants. (Rel. 34-16949)

TRADING SUSPENSIONS

TRADING SUSPENDED IN PANACOLOR, INC.

The Commission announced the single ten-day suspension of over-the-counter trading in the securities of Panacolor, Inc., located in Philadelphia, Pennsylvania, for the period beginning on July 14 and terminating at midnight (EDT) on July 23, 1980. The Commission suspended trading in view of the lack of accurate and current information concerning the affairs of Panacolor and at the request of Panacolor. Panacolor is delinquent in filing its most recent Annual Report on Form 10-K for the year ended December 31, 1979 and its most recent Quarterly Report on Form 10-Q for the period ended March 31, 1980.

If any broker-dealer or other person has any information which they believe would be useful to the Commission relating to this matter, they should contact the Washington office of the Commission at (202) 272-2254. (Rel. 34-16978)

CIVIL PROCEEDINGS

LLC CORPORATION CHARGED WITH VIOLATIONS OF PROXY PROVISIONS

The Commission today announced that the U.S. District Court for the District of Columbia enjoined LLC Corporation of St. Louis, Missouri from filing and disseminating proxy soliciting materials which are materially false or misleading or otherwise do not comply in any material respect with the securities laws and ordered LLC to comply with certain undertakings. The Commission's complaint, also filed today, alleged that LLC violated the proxy provisions of the securities laws by distributing materially false and misleading proxy soliciting materials to its shareholders for authorization for the issuance of additional shares of LLC stock in connection with an exchange offer for shares of American Investment Company, also of St. Louis, Missouri. LLC consented to the entry of the judgment without admitting or denying the allegations of the Commission's complaint.

LLC, in consenting to the entry of judgment against it, represented it had cancelled its shareholders' meeting scheduled for July 1, 1980 and had voided any proxies tendered in connection with that shareholders' meeting. LLC undertook not to hold any shareholders' meeting with regard to the acquisition of shares of American Investment Company stock without first resoliciting its shareholders and to refrain from soliciting any further proxies without first submitting the proxy soliciting materials to the Commission for review.

In addition to the entry of a Final Judgment permanently enjoining LLC from violating the proxy provisions of the securities laws, the Court also ordered LLC to prepare and disseminate to its shareholders within 30 days of the judgment a report containing a description of the allegations of the Commission's complaint against LLC and a summary of all material corporate developments since April, 1980. (SEC v. LLC Corporation, U.S.D.C. D.C., Civil Action No. 80-1761). (LR-9132)

CIVIL PROCEEDINGS

FINAL JUDGMENTS ENTERED AGAINST ALLEN F. LEGEL, OTHERS

The Atlanta Regional Office and the Miami Branch Office announced that on June 24 the Honorable Eugene P. Spellman entered Final Judgments of Permanent Injunction against Allen F. Legel, Lawrence L. McGowan, and John W. Roberts, Jr., based on their consents, without admitting or denying the allegations in the Commission's complaint.

On May 21, the Commission filed its complaint against Legel, Roberts, McGowan, and others alleging violations, and the aiding and abetting of violations, of the antifraud and broker-dealer financial responsibility provisions of the securities laws. The Commission alleged that said defendants were principals and/or control persons of Legel Braswell Government Securities Corp. (LBG) and Legel Braswell Securities Corp. (LBS). LBG was a broker-dealer, effecting transactions in exempt government securities, including GNMA securities. LBS was a broker-dealer, registered with the Commission, effecting transactions in municipal, as well as other securities. LBG and LBS ceased doing business in January, 1979, and were adjudicated bankrupt on June 6, 1979.

It was alleged that said defendants caused LBG and LBS to engage in buying and selling various government securities for immediate and delayed delivery; to buy and sell standby commitments, and to enter into repurchase and reverse repurchase agreements with customers and other broker-dealers while and at a time when LBG and LBS could not meet their financial obligations.

The Commission further alleged that the defendants aided and abetted violations of the "Net Capital Rule" in that LBS transacted business at a time when the aggregate indebtedness of LBS to all other persons exceeded 1,500 percentum of its net capital. (SEC v. Allen F. Legel, et al., S.D. Fla., Ft. Lauderdale, Civil Action No. 80-6248-CIV-EPS). (LR-9130)

CONTEMPT SOUGHT OF GRADY A. SANDERS, OTHERS

The Los Angeles Regional Office announced the filing on July 9 of an Application for an Order to Show Cause why Grady A. Sanders, Network One, Inc. and Houston Complex, Inc. should not be held in civil contempt for their failure to obey a Final Judgment issued by the U.S. District Court for the District of Nevada.

The original complaint alleged that the defendants disseminated false and misleading statements about Houston Complex and Network One to create the illusion that both were well established firms. Without admitting or denying the allegations against them, the defendants consented to an entry of a Final Judgment of Permanent Injunction which enjoins them from further violations of the antifraud, reporting and registration provisions of the securities laws.

The Application to Show Cause charges that the defendants have violated the Court's Final Judgment by not establishing and maintaining audit committees for Network One and Houston Complex. The Commission seeks a fine of $1000 per day to be paid by each defendant until they have complied with the Final Judgment. (SEC v. Grady A. Sanders, et al., District of Nevada, CIV LV-79-57-RDF). (LR-9131)

GENERAL STATEMENT OF POLICY ISSUED CONCERNING IMPACT UPON MONEY MARKET FUNDS OF THE TERMINATION OF CREDIT CONTROL REGULATIONS

The Commission has issued a general statement of policy expressing its views with respect to various issues arising under the Federal securities laws that should be considered by boards of directors of money market funds as a result of the rescission of credit control regulations by the Board of Govenors of the Federal Reserve System. Among other things, the general statement of policy outlines several methods which may be considered by directors for suspending the operations of so-called "clone" money market funds ("new funds") that were organized subsequent to the adoption of the credit control regulations on March 14, 1980, for the purpose of minimizing the impact of such regulations on shareholders of previously organized money market funds ("existing funds"). In addition, it announces that the Commission expects to institute rulemaking proceedings to adopt a temporary rule providing exemptive relief which would assit money market funds in transferring shareholders from new funds to existing funds, and would assist new funds in generating a high degree of liquidity from which to meet redemptions. (Rel. IC-11263)

ORDER ISSUED RE EXEMPTION REQUEST OF REUTERS, LIMITED

The Commission has exempted Reuters, Limited from the requirements of paragraphs (b)(2)(ii) and (c)(2)(ii) of Rule 11Ac1-2 under the Securities Exchange Act of 1934. Paragraphs (b)(2)(ii) and (c)(2)(ii) require that vendors provide consolidated transaction and quotation information with respect to securities as to which transaction information is reported in the consolidated transaction reporting system by means of an interrogation sequence involving either a fewer number of key strokes than is used to retrieve displays of individual market center information or by an equal number of key strokes if the transmit key to recall consolidated displays is more prominent. However, the Commission denied Reuters request for an exemption from the requirements of paragraph (c)(2)(i) of the Rule which requires that vendors providing quotation information with respect to securities reported in the consolidated transaction reporting system provide at a minimum, either a best bid and offer display, including market indentifier and size, derived from quotations from all reporting market centers, or a montage of such quotations. (Rel. 34-16984)

The Commission has accepted an offer of settlement submitted by Marcel H. Aronheim of Forest Hills, New York, in which, without admitting or denying the allegations set forth in the Commission's Order for Administrative Proceedings Aronheim consented to the findings and remedial sanctions set forth below. The Commission suspended Aronheim from association with any broker-dealer for a period of 14 calendar days; and thereafter barred him from association with any broker-dealer in any capacity other than as a supervised employee, provided that, after two years, he may apply to become reassociated in a proprietary or supervisory capacity. ADMINISTRATIVE PROCEEDINGS

VERRILLI, ALTSCHULER, SCHWARTZ, INC., OTHERS SANCTIONED

Pursuant to Offers of Settlement submitted by Verrilli, Altschuler, Schwartz, Inc. (Registrant), a registered broker-dealer of New York City, its principals, M. Richard Verrilli (Verrilli), Stanley S. Altschuler (Altschuler) and Stephen Schwartz (Schwartz), and Clifton J. Batson (Batson), a co-respondent in the proceeding, the Commission has entered orders imposing remedial sanctions. The sanctions imposed against Registrant and its principals provide for a suspension for a period of three months from participating in any new private placement offerings. Batson is suspended for one year from association in any supervisory capacity with any broker or dealer and is also suspended for a period of six months from participating in any private placements, except those offered in accordance with Regulation A pursuant to the Securities Act of 1933. The Offers of Settlement were made by the respondents without admitting or denying the allegations contained in the Order for Proceedings which was entered by the Commission on February 13, 1980.

The sanctions are based upon findings pursuant to the Offers of Settlement that: Registrant, Verrilli, Altschuler, Schwartz and Batson wilfully violated and wilfully aided and abetted violations of the registration provisions of the Securities Act; Registrant, aided and abetted by its principals, sold securities while not registered in accordance with the broker-dealer registration requirements of Section 15(a) of the Securities Exchange Act of 1934; and Registrant failed reasonably to supervise those subject to its supervision with a view to preventing such violations pursuant to Section 15(b)(4)(E) of the Exchange Act in connection with the offer and sale of the securities of ATVA Enterprises, Inc. (Rel. 34-16980)

On September 19, 1977 Curtis Noll Corporation and Congoleum Corporation issued a joint press release stating that Congoleum was prepared to make an offer for the common stock of Curtis Noll at approximately $25 per share, subject to certain customary conditions. Congoleum began a successful tender offer for the stock at $25 per share on October 11, 1977. In his statement, Sanford Noll describes discussions with Congoleum representatives preceding the issuance of the joint release and states that he sought the advice of S. Darwin Noll, Ablon and Stoneman concerning the matter on September 17 and 18, 1977. In their statements, S. Darwin Noll, Ablon, Stoneman, ADR and Berkowitz describe the circumstances of certain purchases of Curtis Noll common stock on Monday, September 19, 1977, prior to the joint press release, and information in their possession at the time of the purchases.

CIVIL PROCEEDINGS

GENERAL PRACTITIONERS; P. MUSCARI ENJOINED

The Chicago Regional Office announced that on July 15 the U.S. District Court for the Eastern District of Michigan, Southern Division, at Detroit, entered a Final Judgment of Permanent Injunction against General Practitioners Indemnity Limited, a Grand Cayman corporation, and Pietro John Muscari, Jr., sole beneficial shareholder of General Practitioners. The defendants were enjoined from further violations of the registration and antifraud provisions of the securities laws in the offer and sale of debentures issued by General Practitioners. The defendants consented to the Final Judgment without admitting or denying the allegations in the Commission's complaint. (SEC v. General Practitioners Indemnity Limited, et al., E.D. Mich., S. Div., Civil Action No. 80-72078). (LR-9137)

CIVIL INJUNCTIVE ACTION FILED AGAINST FREDERICK L. ROSS, OTHERS

The Chicago Regional Office announced that on July 17 a complaint was filed in the U.S. District Court for the Southern District of Ohio, Eastern Division, against Frederick L. Ross, James R. Neeb, Jack A. Wilson, and Stanley C. Miller seeking a permanent injunction from further violations of the registration and antifraud provisions of the securities laws. The complaint alleges that the defendants offered and sold unregistered securities, namely limited partnership interests in oil and gas programs, and that the offer and sale of these securities was effected through the use of misrepresentations of material facts and fraudulent omissions concerning, among other things, the uses of proceeds; the anticipated return on investment and the time period when those returns would be received; the value of lands under lease; the financial condition of the companies; the lack of access to company records; and the profits received by Ross. (SEC v. Frederick L. Ross, et al., U.S.D.C. S.D. Ohio, Civil Action No. C2-80-609). (LR-9138)

COMPLAINT NAMES ROCKY H. AOKI AND TAKASHI SASAKAWA

The Commission announced on July 23 the filing of a complaint in the U.S. District Court for the Southern District of New York against Rocky H. Aoki alleging violations of the antifraud and beneficial ownership reporting provisions of the Securities Exchange Act of 1934 and against Takashi Sasakawa alleging violations of an antifraud provision of the Exchange Act. Simultaneously with the filing of the complaint, the Court entered a Stipulation and Order which ordered Sasakawa not to purchase or sell securities while in the possession of material non-public information concerning such securities or the issuer thereof, without disclosing such information to those persons from whom he is purchasing or selling the securities. The Stipulation and Order terminated the action with respect to Sasakawa. Aoki as not a party to the Stipulation and Order and remains a defendant in the Commission's action.

It is alleged that Aoki and Sasakawa violated the antifraud provisions of the Exchange Act by their individual purchases of the common stock of Hardwicke on the basis of material non-public information, concerning the potential management by Hardwicke of a hotel and gambling casino to be developed by Aoki, Sasakawa and others on the site of the Shelburne Hotel in Atlantic City, New Jersey. It is also alleged that Aoki passed such information to certain of his family members and a friend, who thereafter also purchased Hardwicke common stock, and that Aoki failed to timely report his beneficial ownership of the securities of Hardwicke, pursuant to Sections 13(d) and 16(a) of the Exchange Act, after acquiring the beneficial ownership of greater than 5% of the total then outstanding shares of Hardwicke common stock on October 15, 1976 and after becoming an officer and director of Hardwicke on December 14, 1976. (SEC v. Rocky H. Aoki and Takashi Sasakawa, U.S.D.C. S.D.N.Y., Civil Action No. 80-4280). (LR-9139)

CIVIL PROCEEDINGS

JOHN P. HUBERTY PRELIMINARILY ENJOINED AND RECEIVER CONTINUED

The Commission announced that on June 30 a U.S. District Court Judge in Minneapolis preliminarily enjoined John P. Huberty of Minnetonka, Minnesota from further violations of the antifraud provisions of the securities laws. In addition, the receiver previously appointed under the temporary restraining order entered on June 13 was continued and authorized, among other things, to make an accounting of and prevent the disposition of Huberty's assets. Furthermore, Huberty was ordered to disgorge all funds and assets which he received from June 1, 1978 through June 30, 1980, except such funds and assets which are established to be the separate property of Huberty.

The Commission's complaint, which was filed on June 13 alleged that Huberty had violated the antifraud provisions in obtaining approximately $1.3 million from at least 35 individuals and entities purportedly for the purchase of securities. The complaint further alleged that instead of purchasing securities, Huberty used the funds to purchase commodities for his own account, speculate in interest rate futures, and buy real estate for himself. (SEC v. John P. Huberty, District of Minn., Civil Action No. 4-80-330). (LR-9140)

COMPLAINT FILED AGAINST BRIAN PATRICK SMITH

The New York Regional Office announced that on June 27 a complaint was filed against Brian Patrick Smith of Flushing, New York, in the U.S. District Court for the Southern District of New York. The complaint charges Smith with violating Sections 7(f) and 10(b) of the Securities Exchange Act of 1934, Rule 10b-5 thereunder and Regulation X promulgated by the Board of Governors of the Federal Reserve System by placing orders for the purchase of the common stock of Jupiter Development Corporation, Ltd. without intending to pay, and failing to make timely and proper payment, for said purchases.

The complaint alleges that between January and May, 1980, Smith ordered the purchase of 38,100 shares of Jupiter stock for a total purchase price of $237,584.60 through two brokerage firms located in Portland, Oregon and failed to pay for any of said purchases. The complaint further alleges that during the same period Smith ordered additional shares of Jupiter stock through a brokerage firm in New York City and tendered six personal checks amounting to $145,667 in payment for said shares; these checks were all returned unpaid for insufficient funds or because the accounts on which the checks were drawn were closed. The Commission's complaint seeks temporary and permanent injunctive relief against Smith. (SEC v. Brian Patrick Smith, U.S.D.C., 80 Civil 3659). (LR-9141)

JACK W. SHERWOOD ENJOINED

The Denver Regional Office announced that on July 14 the Honorable John Kane, Judge, U.S. District Court, District of Colorado, entered an order (1) permanently enjoining Jack W. Sherwood from violating the antifraud provisions of the securities laws in connection with options to purchase or sell common stock of any issuer; (2) requiring that Sherwood give 60 days notice to the Commission prior to his becoming an affiliated person or an employee of any entity or person which is registered with the Commission as a broker or dealer and the Commission, upon receipt of such notice, in its discretion may institute proceedings against Sherwood; and (3) ordering Sherwood to file an affidavit of his financial condition with the Court, and the Commission upon receipt of such affidavit has leave to file a motion seeking disgorgement.

Sherwood was a former registered representative of the Denver, Colorado office of a registered broker-dealer. The complaint alleged, among other things, that Sherwood induced unsophisticated investors to trade in options and that Sherwood made false statements concerning the following: safety of trading in options, profits to be received from trading in options and the meaning, interpretation, and accuracy of brokerage firms' customer monthly account statements and similar records. (SEC v. Jack W. Sherwood, Civil Action No. 80-K-895, U.S.D.C., Colo.). (LR-9143)

Following unsuccessful attempts to effect personal service of the Order to Show Cause on Greenspan, the Honorable Vincent L. Broderick issued an Order of Arrest on June 18. Greenspan was apprehended by a United States Marshall in New York City on July 8 and was arraigned before Judge Weinfeld who set bail at $20,000. A further arraignment hearing was scheduled for July 14 at 10:00 a.m. (U.S.A. ex rel. SEC v. Gerald Greenspan, 80 Cr. Misc. #1 [P. 35], S.D.N.Y., [EW]). (LR-9142)

RULES AND RELATED MATTERS

ADOPTION OF TEMPORARY RULE PROVIDING EXEMPTIONS TO CERTAIN MONEY MARKET FUNDS

The Commission has adopted Rule 6c-5(T) under the Investment Company Act of 1940 which will provide certain temporary exemptions from Sections 17(a), 12(d)(1) and 13(a)(3) of the Act: (1) to permit certain registered investment companies and others persons to acquire portfolio instruments of a money market fund of which they are affiliated persons, and (2) to permit certain money market funds to purchase securities issued by other such funds. The purpose of the rule is to minimize the undue disruptions of the operations of certain money market funds that might otherwise occur as a result of the termination of credit controls by the Board of Governors of the Federal Reserve System. (Rel. IC-11277)

ADMINISTRATIVE PROCEEDINGS

JESUP & LAMONT SECURITIES CO., INC., OTHERS CITED

The Commission announced the institution of public administrative proceedings against Jesup & Lamont Securities Co., Inc., Walter Noel Anderson, formerly a registered representative at Jesup, and Charles MacDonald Miller, former branch manager, both former employees of Jesup's Chicago, Illinois office. Simultaneously, the Commission accepted offers of settlement from the respondents.

In their offers of settlement, without admitting or denying the allegations or findings, the respondents consented to the entry of findings and an order: suspending Anderson from association with any broker, dealer, investment adviser, or investment company for a period of one week; suspending Miller from serving in any supervisory capacity in association with any broker, dealer, investment adviser or investment company for a period of 30 calendar days; and censuring Jesup, suspending all solicited trading in options in its Chicago office for 30 days as to any account for which Jesup has not received option account opening documents, and requiring Jesup to comply with its undertaking to adopt new compliance and review policies and procedures and make offers of restitution in the amount of $26,000 to Jesup customers who suffered losses.

The sanctions imposed were based upon findings that Anderson wilfully violated the antifraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934 in connection with the offer and sale of exchange listed options; and that Jesup and Miller failed to reasonably supervise an employee under their supervision and control. (Rel. 34-16985)

CIVIL PROCEEDINGS

BERNARD MAGDOVITZ ENJOINED

The Chicago Regional Office announced that on July 1 the Honorable John Powers Crowley entered a Final Judgment and Order of Permanent Injunction against Bernard Magdovitz. Magdovitz consented to the injuhction without admitting or denying the allegations in the Commission's complaint. The injunction arose from Magdovitz's involvement in a $25 million inventory and profit inflation scheme while employed at Cenco, Inc., a Chicago based corporation. In a parallel criminal action, Magdovitz pled guilty to conspiracy and mail fraud charges, and was sentenced to five years probation and fined $11,000.

The Commission's complaint in the Cenco matter is still pending against Ronald Spiegel, also a former Cenco employee. (SEC v. Cenco Incorporated, et al., N.D. Ill., Civil Action No. 76C 3258 [filed September 1, 1976]). (LR-9144)

OPINION ISSUED RE ELDON MILLER

The New York Regional Office announced that on June 27 the Honorable John M. Cannella, U.S. District Judge for the Southern District of New York, issued an opinion in SEC v. Eldon Miller, after a bench trial. Judge Cannella denied the issuance of an injunction against Eldon Miller of Kansas City, Missouri because of an insufficient likelihood of future violations. However, Judge Cannella found that Miller had misstated and failed to disclose material financial information concerning Financial Corp., in connection with repurchase agreements involving government and agency securities.

The Commission's complaint, filed on July 10, 1975, had charged Miller and Financial Corp. with violating Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder by, among other things, (1) failing to maintain books and records necessary to adequately reflect Financial Corp.'s true financial condition and ability to meet its obligations and (2) entering into repurchase agreements without disclosing to its customers that Financial Corp. failed to maintain adequate books and records.

Miller and Financial Corp. consented to the entry of a preliminary injunction and the appointment of a temporary receiver in July 1975. Thereafter, in August 1975, Financial Corp. filed a voluntary petition in bankruptcy. In light of this, Financial Corp. was dismissed as a defendant in this action in May 1977. (SEC v. Eldon Miller, 75 Civ. 3391, S.D.N.Y. [JMC]). (LR-9145)

ADMINISTRATIVE PROCEEDINGS

NASD ACTION AGAINST DMR SECURITIES, INC. AND ITS PRESIDENT REMANDED

The Commission has remanded to the NASD disciplinary proceedings against DMR Securities, Inc., a Tucson, Arizona broker-dealer firm, and David M. Reiner, its president.

The Commission affirmed the NASD's findings that DMR and Reiner charged customers unfair or fraudulent markups in 39 sales of securities. However, the Commission set aside NASD findings that respondents charged such markups in another 127 transactions.

The Commission concluded that, in light of the fact that it had set aside a large majority of the NASD's findings of violation, the proceedings should be remanded to the Association so that it would have the opportunity to re-examine the sanctions it had imposed. (Rel. 34-16990)

BROKER-DEALER REGISTRATION OF REMIT SECURITIES, LTD. REVOKED

The Commission announced that in broker-dealer proceedings under the Securities Exchange Act of 1934 in In the Matter of Remit Securities, Ltd., et al., it has entered an Order revoking the registration as a broker-dealer of Remit Securities, Ltd. (Registrant), of Montvale, New Jersey. The sanction was based upon findings that Registrant: (1) during the period from in or about August 1978 through December 31, 1978, wilfully violated and wilfully aided, abetted and induced violations of the antifraud provisions of the securities laws in the offer, purchase, and sale of the common stock of Anglo American Properties, Inc. and Sunny Land Tours, Inc.; and (2) during the period from in or about January 1978 to the present, wilfully violated the bookkeeping, reporting, and margin provisions of the Securities Exchange Act of 1934, as well as Regulation T promulgated by the Board of Governors of the Federal Reserve System.

Registrant failed to answer the Order for Proceedings instituting the action. Accordingly, Registrant was found to be in default and the proceeding was determined against Registrant upon consideration of the Order for Proceedings, the allegations of which were deemed to be true. (Rel. 34-16992)

CIVIL PROCEEDINGS

RICHARD, FRANCES R. AND RICHARD C. MACDONALD ENJOINED;
RECEIVER APPOINTED

The San Francisco Branch Office announced that the Honorable Samuel P. King, Chief Judge of the U.S. District Court for the District of Hawaii, has permanently enjoined Richard, Frances R. and Richard C. MacDonald (the MacDonalds) from further violations of the registration and antifraud provisions of the securities laws and has appointed a receiver to protect the interests of investors.

Judge King's order was based on his findings, after trial, that in 1979 the MacDonalds, while soliciting money and powers of attorney from investors in connection with a plan to partition and develop desert land near Las Vegas, Nevada, made substantial misrepresentations and omissions.

Judge King declined to grant the Commission's request for a permanent injunction against the MacDonalds who were alleged to have violated registration and antifraud provisions in the course of earlier transactions concerning the land, based on his decision that those transactions did not involve the offer or sale of securities. (SEC v. Richard MacDonald, et al., D. Hawaii, Civil Action No. 79-0283). (LR-9146)

COMPLAINT NAMES ISOMEDICS, INC. AND LEO R. MINDICK

The New York Regional Office announced that on July 22 a complaint was filed in the U.S. District Court for the Southern District of New York seeking to enjoin Isomedics, Inc. and Leo R. Mindick, the company's president, both from Great Neck, New York, from further violations of the registration and antifraud provisions of the securities laws in connection with the offer and sale of Isomedics' securities.

Simultaneously with the filing of the complaint, Isomedics and Mindick consented, without admitting or denying the allegations set forth in the complaint, to the entry of Final Judgments of Permanent Injunction and Orders for Further Equitable Relief. The additional equitable relief referred to in the Final Judgments includes an order: (1) removing certain members of the company's Board of Directors; (2) establishing an Audit Committee of the Board; (3) requiring a majority of independent directors on both the Board and the Audit Committee; and (4) requiring dissemination of a disclosure document to all Isomedics investors. (SEC v. Isomedics, Inc., et al., S.D.N.Y., 80 Civil 4188, VLB). (LR-9147)

ADMINISTRATIVE PROCEEDINGS

MICHAEL E. TENNENBAUM

Administrative Law Judge Ralph Hunter Tracy has filed an initial decision ordering that Michael E. Tennenbaum of Los Angeles, California, be suspended from association with any broker or dealer for a period of one month. The decision is subject to appeal to the Commission.

Judge Tracy found that Tennenbaum failed reasonably to supervise another person with a view to preventing violations of the federal securities laws committed by such person.

CIVIL PROCEEDINGS

COMPLAINT NAMES CALIFORNIA FLOWERLAND LTD., OTHERS

The Commission announced on July 31 the filing of a civil injunctive action in the U.S. District Court for the District of Columbia seeking to enjoin California Flowerland Ltd. (Ltd.), California Flowerland '79, (CF 79), CF Partnership (CF), and California Flowerland, Inc. (CFI), variously from further violations of the registration and reporting provisions of the Securities Exchange Act of 1934 and various rules thereunder.

The Commission's complaint alleges that CF 79 has failed to register its limited partnership units pursuant to Section 12(g) of the Exchange Act and that CF 79 and Ltd. have failed to file annual and quarterly reports with the Commission in violation of Section 13(a) of the Exchange Act. CF and CFI caused CF 79 to fail to register its securities and caused CF 79 and Ltd. to fail to file the reports as required.

Simultaneously with the filing of the Commission's complaint, the defendants filed a third party complaint against 51 entities including limited partnerships, their corporate general partners and other entities. The defendants, in their third party complaint, seek, among other things, the appointment of a Special Agent to operate their business and that of other third party defendants.

Also simultaneously with the filing of the Commission's complaint, the Commission, the defendants and certain of the third party defendants, entered into a Stipulation and Consent wherein the defendants admitted to the allegations in the Commission's complaint of past violations of law, and consented to the entry of a Final Judgment of Permanent Injunction variously enjoining them from further violations of Sections 12(g) and 13(a) of the Exchange Act and rules thereunder. The defendants and such third party defendants also consented to the appointment of a Special Agent, Robert A. Baker, to take control of all assets of such entities and to operate such parties' businesses.

As noted in the Stipulation and Consent, the Commission states that it is continuing its investigation In the Matter of American Flowerland Inc., et al., File No. HO-1189. (SEC v. California Flowerland, Ltd., et al., U.S.D.C. D.C., Civil Action No. 80-1900) (LR-9148)

TRADING SUSPENSIONS

TRADING SUSPENDED IN LIBERTY OIL CORPORATION

The Commission announced the single ten-day suspension of over-the-counter trading in the securities of Liberty Oil Corporation, formerly named Sullivan's Open Pit, Inc., located in Salt Lake City, Utah, for the period beginning on August 4 and terminating at midnight (EDT) on August 13, 1980. The Commission suspended trading in view of the insufficient information currently available to the public regarding the amount of common stock outstanding, and the identity of the controlling shareholders of Liberty Oil. (Rel. 34-17041)

CIVIL PROCEEDINGS

BURT KLEINER ENJOINED

The New York Regional Office announced that on July 17 Burt Kleiner was permanently enjoined, upon consent, without admitting or denying the substantive allegations of the Commission's complaint, from future violations of the registration and antifraud provisions of the securities laws.

The complaint, which was filed on February 5, alleged that Kleiner had sold at least $150,000 of unregistered shares of International South African, N.V. (ISA), by falsely stating that, among other things, an investment in ISA involved no risks, and without disclosing that defendant Allen S. Manus, the president and controlling shareholder of ISA, had been enjoined in a prior Commission civil action, and without disclosing that Kleiner had been sanctioned by the Commission in a prior administrative proceeding.

The action continues with respect to the remaining defendants. (SEC v. Allen S. Manus, et al., S.D.N.Y., 80 Civil 724, CES). (LR-9150)

FINAL JUDGMENT ENTERED AGAINST GEORGE LEWSON AND
OCEANOGRAPHY DEVELOPMENT CORPORATION

The Commission announced that on July 29 Judge John Garrett Penn, of the U.S. District Court for the District of Columbia, entered a Final Judgment of Permanent Injunction against George Lewson and Oceanography Development Corporation, enjoining them from further violations of the antifraud provisions of Section 17(a) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder, in connection with the offer or sale of securities of Oceanography Mariculture Industries, Inc. (O.M.I.) or any other securities. Lewson was also enjoined from further violations of Section 13(a) of the Exchange Act, and Rules 13a-1 and 12b-20, thereunder with regard to the annual reports of OMI, or any other corporation whose securities are registered under Section 123 of the Exchange Act, and from further violations of Section 14(a) of the Exchange Act, and Rule 14a-9 thereunder, in the solicitation of proxies for O.M.I., or any other corporation whose securities are registered pursuant to Section 12 of the Exchange Act. The defendants consented to the entry of the injunction, without admitting or denying the allegations in the complaint. (SEC v. George Lewson, et al., U.S.D.C. D.C., Civil Action No. 77-1538). (LR-9151)

Friedman, both of New York City, and Alan E. Sandberg of East Northport, New York. Fields, Friedman and Sandberg, president, vice-president and a former officer and director, respectively, of TDA Industries, Inc., were convicted of securities fraud, mail fraud and wire fraud in two related trials. Fields was sentenced to six months imprisonment on each of five counts, to run concurrently, and a $50,000 fine. Friedman was sentenced following the first trial to three months imprisonment on each of two counts, to run concurrently, and a $25,000 fine; and following the seconf trial, to one month imprisonment on each of three counts, to run concurrently, however, consecutively to the three month sentence in the first trial, an additional fine of $3,000. ADMINISTRATIVE PROCEEDINGS

A. G. EDWARDS & SONS, INC., OTHERS CITED

The Commission announced that it has instituted public administrative proceedings under the Securities Exchange Act of 1934 (Exchange Act) against A. G. Edwards & Sons, Inc. (Edwards), a St. Louis, Missouri based broker-dealer; Jackie G. Tindel, a former Edwards' registered representative in its Dallas, Texas office; Jimmy J. Beale, branch manager of Edwards' Dallas office; Doyce G. Chestnutt, a former branch manager of Edwards' Lubbock, Texas office; and Mark A. Wiltshire, a registered representative in Edward's Tulsa, Oklahoma office.

The Order for Proceedings alleges that Edwards, Tindel, Chestnutt and Wiltshire wilfully violated and wilfully aided and abetted violations of the antifraud provisions of the Securities Act of 1933 and the Exchange Act in connection with option trading in certain customer accounts. The Order also alleges that Edwards failed reasonably to supervise Tindel and Chestnutt and that Beale failed reasonably to supervise Tindel with a view toward preventing their alleged violations.

Simultaneously with the institution of the Order, the Commission accepted Offers of Settlement from Edwards, Beale, Chestnutt, and Wiltshire. In their Offers of Settlement, without admitting or denying the allegations contained in the Order, the above respondents consented to the entry of Findings and Order Imposing Remedial Sanctions. Specifically, the Commission censured Edwards and required the firm to comply with its undertakings to adopt certain procedures designed to improve its capability to monitor and control option account approval and trading practices, to establish an Option Compliance Review Board, and to take other remedial actions to strengthen its option compliance capabilities; suspended Beale from association with any broker or dealer for ten business days; barred Chestnutt from association with any broker or dealer, investment adviser, investment company, or municipal securities dealer; and suspended Wiltshire from association with any broker or dealer for five business days.

A hearing will be scheduled to take evidence on the allegations against Tindel and to afford him an opportunity to present any defenses he may have. The purpose of the hearing is to determine whether the allegations against Tindel are true and, if so, what, if any, remedial action would be appropriate. (Rel. 34-17010)

ADMINISTRATIVE PROCEEDINGS

ETI DEVELOPMENT COMPANY AND WILLIAM P. CRUM, JR. SANCTIONED

The Commission has announced the issuance of an order imposing remedial sanctions upon ETI Development Company, a Dunwoody, Georgia real estate development firm, and William P. Crum, Jr., also of Dunwoody, Georgia, sole owner of ETI Development. The order was entered pursuant to offers of settlement by which ETI Development and Crum, without admitting or denying the allegations in the Order for Proceedings, consented to certain findings and sanctions.

The Commission's order barred ETI Development from association with a broker-dealer or investment adviser, provided, however, that after 18 months, ETI Development may apply to the Commission to become associated with a broker-dealer or investment adviser. The Order further suspended Crum from association with a broker-dealer or investment adviser for three months and thereafter barred Crum from association with a broker-dealer or investment adviser in a proprietary or supervisory capacity; provided, however, that 18 months from the date of the order, Crum may apply to the Commission to become associated with a broker-dealer or investment adviser in a proprietary or supervisory capacity.

The Commission imposed the sanction against ETI Development based upon its findings that ETI Development wilfully violated the registration and antifraud provisions of the securities laws. The Commission imposed the sanction against Crum based on its findings that Crum wilfully violated the registration and antifraud provisions of the securities laws, and wilfully aided and abetted violations of the recordkeeping and books and records provisions of the securities laws. (Rel. 34-17017)

SANCTIONS IMPOSED AGAINST LEE A. BLUMBERG, FINANCIAL CONCEPTS

The Commission has simultaneously entered an order instituting administrative proceedings and imposing remedial sanctions against Lee A. Blumberg of Rockville, Maryland, and Blumberg, doing business as Financial Concepts. Blumberg is a securities salesman with a registered broker-dealer, and has been doing business as an "investment planner" as Financial Concepts. The Commission has accepted the Offer of Settlement submitted by Blumberg and Financial Concepts. Based on the offer, which neither admits nor denies the Commission's findings, the Commission entered an order finding that they violated the antifraud provisions of the securities laws, including Section 206 of the Investment Advisers Act of 1940, in the offer and sale of mutual funds, annuities, and other securities by failing to disclose that investors' funds were personnaly used by Blumberg; and that they violated Section 203 of the Advisers Act by failing to register with the Commission as investment advisers.

The Commission has barred Blumberg and Financial Concepts from association with any broker, dealer, investment adviser, or investment company. (Rel. 34-17018)

BRIAN PATRICK SMITH PRELIMINARILY ENJOINED BY CONSENT

The New York Regional Office announced that on July 16 the Honorable Robert Owen of the U.S. District Court for the Southern District of New York signed an Order of Preliminary Injunction by Consent against Brian Patrick Smith of Flushing, New York, enjoining him from violating the antifraud provisions and credit requirements of the Securities Exchange Act of 1934.

The complaint, filed on June 27, alleges that between January and May of this year, Smith ordered the purchase of 38,100 shares of Jupiter Development Corporation stock through two brokerage firms located in Portland, Oregon and failed to pay for any of said purchases. The complaint further alleges that during the same period Smith ordered additional shares of Jupiter stock through a brokerage firm in New York City and tendered checks in payment for said shares, some of which were returned unpaid for unsufficient funds or because the accounts on which the checks were drawn were closed. The Commission's complaint also seeks permanent injunctive relief against Smith. (SEC v. Brian Patrick Smith, Civil 3659 [S.D.N.Y.] [RO]). (LR-9153)

Bay of Ft. Lauderdale, Florida, Arthur W. Guenther of Campbellsport, Wisconsin, David Conn, formerly of Sedalia, Colorado, and Dacon Oil Corporation of Denver, Colorado, from violating the registration and antifraud provisions of the Securities Exchange Act of 1934.

The complaint alleges that Hamilton, Bay, Conn and Dacon offered and sold securities, namely fractional undivided interests in five oil and gas wells located in Colorado and that Hamilton and Guenther sold similar type interests in five wells located in Indiana. In addition it is alleged that Conn offered and sold limited partnership interests in an oil and gas well located in Wyoming. According to the complaint, the defendants made misrepresentations and omitted to state material facts in connection with the offer and sale of the above described fractional undivided interests and limited partnership interests. The complaint also seeks an accounting from the defendants of all funds received from investors and also that the defendants be ordered to disgorge any and all monies received as a result of such sales. (SEC v. D. G. Hamilton, et al., U.S.D.C.). (LR-9154)

FINAL JUDGMENTS ENTERED AGAINST JOHN M. BURNHAM, OTHERS

The Commission announced that on August 5 the Honorable June L. Green, U.S. District Judge for the District of Columbia, entered a Final Judgment against John M. Burnham, Eugene A. Fischer, Alexander K. Gregg, William F. Holliday and Carroll E. Multz, all former "disinterested" directors The Fundpack, Inc. (Fundpack), Holding Trust and Holdings of U.S. Government Securities, Inc. (Government), a complex of mutual funds in Coral Gables, Florida (the Funds), and codefendants with Fundpack Management, Inc. (Management) (the Funds' former investment adviser) and its two subsidiaries, and with seven of the Funds' other former officers and directors, in a complaint filed by the Commission on March 21, 1979. The Commission's complaint alleged that they, as well as the other defendants in the action, violated numerous provisions of the antifraud, proxy, reporting, registration and fiduciary obligation provisions of the securities laws.

The Final Judgment prohibits each disinterested director from engaging in conduct violating certain of the registration and fiduciary obligation provisions of the securities laws, and orders them to take all steps reasonably necessary to cause any investment company with which they may become affiliated to file with the Commission and disseminate to shareholders complete and accurate prospectuses, proxy materials and periodic reports. The disinterested directors consented to the entry of the Final Judgment without admitting or denying the allegations in the Commission's complaint. (SEC v. The Fundpack, Inc., et al., U.S.D.C. D.C., Civil Action No. 79-0859). (LR-9155)

ADMINISTRATIVE PROCEEDINGS

PETER J. KISCH, OTHERS CITED

The Commission announced the institution of public administrative proceedings against Peter J. Kisch and George R. Zenanko, president and vice president, respectively, of P. J. Kisch & Co., Inc., a former registered broker-dealer with offices in Minneapolis, Minnesota; Gerald M. Levine, a former registered representative of Kisch; and Equity Securities Trading Company, Inc., a registered broker-dealer located in Minneapolis, and its president, Nathan Newman.

The Order for Proceedings alleges that Peter Kisch, Zenanko, Levine, Equity and Newman wilfully violated and aided and abetted violations of the antifraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934 in connection with the sales of shares of an over-the-counter stock to Kisch customers at excessive mark-ups. It is also alleged that Peter Kisch and Zenanko violated the antifraud provisions of the securities laws in that they diverted customer funds to pay expenses of Kisch. The Order further alleges that Peter Kisch and Zenanko aided and abetted Kisch's violations of the customer protection, net capital and recordkeeping rules of the Exchange Act. In addition, it is alleged that Peter Kisch, Equity and Newman failed to reasonably supervise employees under their supervision and control.

The Commission simultaneously accepted the Offers of Settlement submitted by Levine, Equity and Newman wherein they consented to findings of wilful violations without admitting or denying the allegations in the Commission's Order, and to various sanctions imposed.

A hearing will be scheduled to take evidence on the staff's allegations, to afford the respondents an opportunity to offer any defenses, and to determine whether any remedial action should be taken by the Commission. (Rel. 34-17043)

COMMISSION ANNOUNCEMENTS

ASSETS OF PRIVATE AND PUBLIC PENSION FUNDS

At the end of 1979, aggregate assets of private and public pension funds consisted largely of $196.7 billion in corporate bonds, $175.5 billion in corporate stock, and $126.9 billion in U.S. Government securities. Mortgages accounted for $47.9 billion of pension assets and the remaining $62.3 billion in assets were invested in a variety of other financial instruments. These pension assets accounted for 43% of corporate bonds outstanding, 15% of the market value of corporate stock outstanding, 14% of all U.S. Government securities outstanding, and 4% of all mortgages outstanding as of December 31, 1979. The aggregate assets of these pension funds grew at an annual compound rate of 11.6% from $226.0 billion at the end of 1970 to $609.3 billion at year-end 1979. During the same period, the Consumer Price Index increased 76.% per year. (Press Release 80-33)

STOCK TRANSACTIONS OF SELECTED FINANCIAL INSTITUTIONS AND
FOREIGN INVESTORS, FIRST QUARTER OF 1980

Aggregate purchases and sales of common stock by four institutional groups -- private noninsured pension funds, open-end investment companies, life insurance companies and property-liability insurance companies -- were $20.4 billion and $18.2 billion, respectively, during the first quarter of 1980. These levels of purchases and sales are the highest recorded for a single quarter since the first quarter of 1964, the first quarter for which such data is available. Their common stock activity rate was 38.8% in this year's first quarter. The previous high for this measure of trading activity was 34.8% in the first quarter of 1971.

Although the general level of trading activity for the four institutional groups established new highs during the first quarter, net acquisitions of common stock by such institutions remained well below the record level; the $2.2 billion in net acquisitions during this year's first quarter was less than half the $4.9 billion in net acquisitions made by such institutions in the second quarter of 1971. Foreign investors also stepped up their trading activity in the first quarter of 1980. Aggregate purchases and sales of preferred and common stocks were $10.3 billion and $8.1 billion, respectively. Both of these figures and the more than $2 billion in net acquisitions which the figures imply are historic highs. (Press Release 80-34)

CIVIL PROCEEDINGS

INJUNCTION ENTERED AGAINST ETI CORPORATION, OTHERS

The Atlanta Regional Office announced that on July 25 the Honorable Richard C. Freeman of the U.S. District Court for the Northern District of Georgia entered an order permanently enjoining ETI Corporation, ETI Investment Corporation, ETI Resources, Inc., ETI Management Company, William P. Crum, Jr., all of Dunwoody, Georgia; and Frank M. Miller of Atlanta, Georgia, from violating the antifraud provisions of the securities laws. The defendants consented to the injunctive relief without admitting or denying the allegations of the complaint which was filed on February 13, 1980.

In addition to consenting to the injunctive relief, the defendants entered into an undertaking with the Commission which provides for the appointment of a special fiscal agent who will review the financial statements of the partnerships for December 31, 1977 and December 31, 1978, investigate the current financial status of the partnerships, and make a report to the limited partners. (SEC v. ETI Corporation, et al., U.S.D.C. N.D. Ga., Civil Action No. 80-244A). (LR-9156)

FIRST INDEPENDENT STOCK TRANSFER AGENT, INC. AND TERRY E. KIRCHNER ENJOINED

The Denver Regional Office announced that on August 5 the Honorable Richard P. Matsch, Judge, U.S. District Court for the District of Colorado, entered a Permanent Injunction enjoining First Independent Stock Transfer Agent, Inc., a Denver, Colorado securities transfer agent, and Terry E. Kirchner, the company's president, from violating, among other things, provisions of the Securities Exchange Act of 1934 relating to (1) recordkeeping requirements; (2) the time during which turnaround must be made of all securities classified as routine items; (3) notice required to be given to the defendants' issuer clients for failure to meet turnaround requirements; and (4) limitations on business expansion when failing to comply with turnaround requirements.

The judgment also requires the defendants, among other things, to establish and keep current a recordkeeping system and procedures designed to ensure compliance with plaintiff's transfer agent rules; to retain independent public accountants in order to review the defendants' recordkeeping system and transfer agent procedures; to furnish the plaintiff with written certifications with respect to the establishment and implementation of recommended recordkeeping and transfer agent procedures; to give notice to the plaintiff and to the defendants' clients of past failure of the defendants to comply with the plaintiff's turnaround requirements; to refrain, temporarily, from an expansion in business; and to furnish to the plaintiff semi-monthly and monthly reports about the time required by the defendants to turnaround items presented for transfer.

The Commission's civil complaint was filed on August 4 and the Judgment was thereafter entered on August 5, pursuant to the consent of the defendants in which they neither admitted nor denied the allegations of the complaint other than the jurisdictional allegations. CIVIL PROCEEDINGS

JOHN E. CROOKS, OTHERS ENJOINED

The Los Angeles Regional Office announced that U.S. District Judge A. Andrew Hauk has issued final judgments of permanent injunction against John E. Crooks, Kenneth J. Fisher, John J. Eagen, Robert M. Spillane, Earl J. Martinson, and Warren H. Baker. These individuals were charged in SEC v. Cal-Am Corp., et al., filed in December 1977, in the Central District of California, with various violations of the securities laws relating to the sale of unregistered securities in 1975, 1976 and 1977.

The Commission's complaint sought to enjoin Cal-Am Corporation, affiliated corporations and individuals, including the above mentioned defendants, from violations of the registration and antifraud provisions of the securities laws. Certain of the defendants were additionally charged with violations of the reporting provisions of the securities laws. The complaint alleged that the defendants had engaged in a massive nationwide scheme since January, 1975 to solicit and obtain money from the investing public in return for unregistered securities. The defendants allegedly effectuated this scheme through the distribution of offering circulars and other materials replete with untrue statements of material facts and omissions of material facts.

Under the terms of the final judgment entered by Judge Hauk, Crooks, Fisher, Martinson, Spillane, Eagen, and Baker were enjoined from violating the antifraud provisions of Section 17(a) of the Securities Act of 1933 and Section 10(b) of the Securities Exchange Act of 1934, and from violating the registration provisions of the Securities Act.

The entries of the above-identified final judgments were consented to without admitting or denying the allegations of the Commission's complaint.

Final judgments of permament injunction have now been obtained against all of the parties named in the Commission's complaint. (SEC v. Cal-Am Corp., et al., C.D. CA, Civil Action No. 77-4586-AAH). (LR-9158)

ADMINISTRATIVE PROCEEDINGS

MICHAEL JOSEPH BOYLAN AND HAROLD HARRIS

Administrative Law Judge Ralph Hunter Tracy has filed an initial decision ordering that Michael Joseph Boylan and Harold Harris of Los Angeles, California, each be suspended from association with any broker or dealer for a period of 90 days and 120 days, respectively. Boylan is also suspended for an initial period of 9 months from association with any broker or dealer as a financial principal.

Judge Tracy found that Boylan, as president, and Harris, as a registered representative, of the former Ashlar Corporation, wilfully violated the antifraud provisions of the Exchange Act by failing to disclose material information concerning customer accounts which Ashlar cleared through other brokers on a fully disclosed basis. Charges that Boylan and Harris aided and abetted violations of Sections 7(a) and 7(c) of the Exchange Act and Regulation T promulgated thereunder were dismissed by Judge Tracy.

The decision is subject to appeal to the Commission.

CIVIL PROCEEDINGS

CARDIFF INDUSTRIES, INC. ENJOINED

The Commission announced that on August 19 the U.S. District Court for the District of Columbia enjoined Cardiff Industries, Inc. of Denver, Colorado, from failing to file timely periodic reports with the Commission and ordered it to comply with certain undertakings. The Commission's complaint, filed on May 5, alleged that Cardiff had failed to file an Annual Report on Form 10-K for its fiscal year ended December 31, 1979, required to have been filed with the Commission by March 30, 1980. Further, the complaint alleged that Cardiff failed to file timely certain annual and quarterly reports as part of a continuing course of conduct. Cardiff, in consenting to entry of judgment against it, admitted failure to file reports on a timely basis on four separate occasions. (SEC v. Cardiff Industries, Inc., U.S.D.C. D.C., Civil Action No. 80-1117). (LR-9162)

CURTIS R. RICHMOND NAMED IN ACTION CHARGING FRAUD

The Los Angeles Regional Office has filed a complaint in the Central District of California seeking to enjoin Curtis R. Richmond from further violations of Section 17(a) of the Securities Act of 1933 and Section 10(b) of the Securities Exchange Act of 1934. The complaint charges that Richmond engaged in fraudulent practices in connection with six oil and gas limited partnerships. According to the complaint, Richmond appropriated over $130,000 of partnership funds for his own benefit, and was responsible for the diversion of another $65,000 to a third party. Additionally, the complaint includes an allegation that Richmond intentionally failed to disclose to investors that he is the subject of two previous court injunctions and a Commission order as a result of prior violations of the securities laws. (SEC v. Curtis R. Richmond, C.D. Cal., CV-80-03239 WMB). (LR-9163)

COMMISSION ANNOUNCEMENTS

MICHAEL STEWART RESIGNS AS FORT WORTH REGIONAL ADMINISTRATOR

Chairman Harold M. Williams announced today that Fort Worth Regional Administrator Michael J. Stewart will leave the Commission this Fall in order to accept a senior position in Washington with the Department of Labor.

Mr. Stewart, 46, who has been in charge of the Forth Worth Region for the past two years, has worked in six different regional or headquarters offices during nearly 17 years with the Commission. He will become Associate Solicitor of the Department of Labor when he leaves the Commission in late September or early October.

"Mike Stewart has proven himself to be a skillful manager, tenacious investigator and talented attorney during his career with the Commission," Chairman Williams said. "He has also been willing to serve wherever the Commission needed the benefit of his abilities. I am very sorry to be losing him, but the Commission has often served as a reservoir of talent for other agencies and I am pleased that the government will be able to retain such an able individual in a key capacity."

Mr. Stewart, who received his LL.B. degree from Georgetown University Law School in 1962, joined the Commission in July 1963 as a staff attorney in the Washington Regional Office where he subsequently advanced to Assistant Regional Administrator. In September 1972 he was appointed Associate Regional Administrator for the Atlanta Region, in charge of the Miami Branch Office. He was named an Assistant General Counsel on the Commission's headquarters staff in March 1975 and was involved in supervising district and appellate court litigation until he was placed in charge of the San Francisco Branch Office in April 1976 for a six-month, temporary assignment. Mr. Stewart left the Commission in December 1976 to become Deputy Director of Enforcement at the Commodity Futures Trading Commission, but returned in July 1977 as Administrator of the Boston Regional Office. He was placed in charge of the Fort Worth Regional Office in August 1978.

CIVIL PROCEEDINGS

STEVEN R. TOMASKO, OTHERS ENJOINED

The Denver Regional Office announced that on August 12 Judge Zita L. Weinshienk, of the U.S. District Court for the District of Colorado, entered a Final Judgment of Permanent Injunction against Steven R. Tomasko, Wayne Duell, David Duell and Gerald L. Barker, all Colorado residents, enjoining them from violating the registration and antifraud provisions of the securities laws in the offer and sale of investment contracts of Great Plains Mineral Byproducts, Inc., or any securities of any issuer. The defendants consented to the entry of the injunction without admitting or denying the allegations in the complaint.

The Commission's complaint, filed June 2, 1977, alleged, in sum and substance, violations of the registration and antifraud provisions of the securities laws in the offer and sale of interests in Great Plains Mineral Byproducts, Inc., a company formed to, among other things, extract precious metals from fly ash.

Upon motions by the Commission, Judge Weinshienk dismissed the Commission's demand for restitution against Great Plains Mineral Byproducts, Inc., Messrs. Tomasko, Wayne and David Duell, and Barker. (SEC v. Great Plains Mineral Byproducts, Inc., et al., USDC, Colorado, Civil Action No. 77-M-529). (LR-9164)

ADMINISTRATIVE PROCEEDINGS

DECISION REVOKING BROKER-DEALER REGISTRATION OF TRANSAMERICAN SECURITIES, INC., CENSURING CHIEF EXECUTIVE OFFICER, AND DISMISSING PROCEEDINGS AGAINST OTHERS, FINAL

The decision of an administrative law judge revoking the broker-dealer registration of TransAmerican Securities, Inc. (TSI), of Memphis, Tennessee, censuring Carl E. Blyskal, its chief executive officer, and dismissing charges against TransAmerican Investment Company, Ltd. (TIC), of Baton Rouge, Louisiana, TSI's parent company, and Rolfe H. McCollister, controlling stockholder of TIC, has become final.

The administrative law judge found that, in 1978, TSI violated antifraud provisions of the securities acts in that it engaged in transactions in government securities with a number of institutional customers that were designed to conceal the customers' losses from their shareholders and depositors; that TSI improperly diverted funds which should have been used to purchase collateral for certain loans to the firm; and that TSI improperly switched customers' accounts to an affiliated firm that was not a registered broker-dealer, without informing the customers. The law judge also found that TSI failed to comply with recordkeeping requirements.

Blyskal joined TSI subsequent to the foregoing violative conduct. The law judge found that he and TSI violated antifraud provisions by failing to disclose to one of TSI's customers the firm's previous diversion of funds. However, in determining only to censure Blyskal, the law judge noted that he had no intent to defraud anyone, and that his failure to make proper disclosure could be attributed to his complete lack of securities experience. The law judge found no violations on the part of TIC or McCollister. (Rel. 34-17063)

RULES AND RELATED MATTERS

ADOPTION OF RULE 465 AND RELATED AMENDMENTS TO REGISTRATION STATEMENT FORMS FOR CERTAIN INVESTMENT COMPANIES

The Commission today adopted Rule 465 under the Securities Act of 1933 and related amendments to the registration statement forms for certain investment companies. The Commission also adopted an amendment to the delegation of authority to the Director of the Division of Investment Management. The new rule and form amendments permit most post-effective amendments filed by open-end management investment companies and unit investment trusts, other than insurance company separate accounts, to become effective automatically without affirmative action on the part of the Commission or the staff. Certain post-effective amendments will become effective automatically on a date chosen by the registrant within twenty days of the date of filing, while other post-effective amendments, including those which discuss material events in investment company operations, will become effective on the sixtieth day after filing. The amended delegation of authority permits the Director of the Division of Investment Management to advance the effective dates of post-effective amendments filed in the sixty-day category, and to suspend the operation of automatic effectiveness with respect to amendments filed pursuant to the rule. The new rules and form amendments will become effective October 6, 1980. (Rel. 33-6229)

DONALD L. LEWIS TO PARTICIPATE IN THE PRESIDENT'S EXECUTIVE EXCHANGE PROGRAM

Chairman Harold M. Williams announced today that Donald L. Lewis, Assistant Director in the Division of Corporation Finance, has been selected to participate in the President's Executive Exchange Program. Mr. Lewis has accepted an offer from Goldman Sachs and Company, an investment banking firm, to work for one year in its corporate headquarters in New York City. Under the Executive Exchange Program, executives from government and from private industry have an opportunity for professional growth through work experience in the opposite sector.

Mr. Lewis will begin work at Goldman Sachs on September 15 and is scheduled to return to the Commission in September 1981. During his year at Goldman Sachs, he will be assigned to the investment banking division and will work primarily in the area of private financing, mergers and acquisitions, and corporate finance.

This is the second consecutive year that a Commission executive has been selected for the prestigious exchange program. In 1979, Justin P. Klein, Director of the Commission's Office of Consumer Affairs, was selected to spend a year with General Electric Company. Mr. Klein will return to the Commission in early September.

ADMINISTRATIVE PROCEEDINGS

RONALD L. BROWNLOW BARRED

Administrative Law Judge Edward B. Wagner has filed an initial decision barring Ronald L. Brownlow from association with a broker or dealer provided that after a two-year period he may apply to be associated in a supervised capacity.

Brownlow was found to have wilfully violated antifraud provisions of the Exchange Act and the Securities Act in 1976 and 1977 while a registered representative at the Chicago office of Oppenheimer & Co., Inc. Violative conduct involved misrepresentations to customers concerning the profitability and safety of his bond option program, churning their accounts, and deceiving his customers about the status of their accounts. He was also found to have placed his customers in unsuitable securities but this was not held to be a violation.

ADMINISTRATIVE PROCEEDINGS INSTITUTED AND ORDER ENTERED AGAINST MERIT ENERGY CORPORATION AND ALVA J. HICKERSON

The Commission announced today the issuance of an Order Instituting Proceedings pursuant to Section 15(c)(4) of the Securities Exchange Act of 1934 and Findings and Order of the Commission (Order), against Merit Energy Corporation, a Colorado corporation with headquarters in Denver, Colorado, and Alva J. Hickerson, a Colorado resident, shareholder and director of Merit, to determine whether Merit and Hickerson failed to file and amend Schedules 13D as required by Section 13(d) of the Exchange Act and the rules and regulations thereunder. Simultaneously therewith, Merit and Hickerson have submitted Offers of Settlement. The Commission has determined that it is appropriate and in the public interest to accept the Offers of Settlement, and, accordingly has issued the Order.

As set forth in the Order, the Commission found that Merit and Hickerson each violated Section 13(d) of the Exchange Act and the rules and regulations thereunder. In late 1978 Hickerson decided to form a new company to attempt to take over Minerals Engineering Company. Shortly thereafter he arranged a meeting with individuals experienced in the oil and gas business, and another substantial Minerals shareholder to discuss his proposals for Minerals. By March 5, 1979, Merit had committed to acquire approximately 20% of Minerals outstanding shares, in exchange for 3,556,565 shares of newly issued Merit common stock.

The Commission ordered Merit and Hickerson to comply with the requirements of Section 13(d) and the rules and regulations thereunder, and to file any delinquent Schedule(s) 13D or amendments thereto. (Rel. 34-17087)

CIVIL PROCEEDINGS

COMPLAINT NAMES FARADAY LABORATORIES, INC.

The Commission announced that on August 25 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Faraday Laboratories, Inc., manufacturer and distributor of vitamins, related dietary and food supplements and drugs, with principal offices in Hillside, New Jersey. The Commission's complaint alleges violations of the reporting provisions of the securities laws and seeks a Judgment of Permanent Injunction and Other Relief.

The complaint alleges that Faraday, as part of a continuing course of violative conduct, has failed to file its Annual Report on Form 10-K for its fiscal year ended April 30, 1980, required to have been filed with the Commission by July 29, 1980. The complaint requests that the Court order Faraday to file the delinquent report forthwith. The Commission also requested that the Court enjoin Faraday from further violations of the reporting provisions of the securities laws. (SEC v. Faraday Laboratories, Inc., U.S.D.C. D.C., Civil Action No. 80-2169). (LR-9165)

COMMISSION ANNOUNCEMENTS

COMMISSION POLICY REGARDING
FOREIGN CORRUPT PRACTICES ACT

On February 21, 1980, the Commission issued Securities Exchange Release No. 16593 requesting public comments on the impact and operation of Section 30A of the Securities Exchange Act of 1934, which prohibits corporate bribery of foreign officials and certain other persons for the purpose of obtaining, retaining or directing business to any person. However, due to the limited response to the request for comments, the Commission has determined that it cannot fairly assess the questions that were raised by the comment letters.

While the Commission adheres to its decision not to participate in reviewing transactions under the Foreign Corrupt Practices Act Review Procedure that has been established by the Department of Justice, the Commission states that, as a matter of prosecutorial discretion, it will not take enforcement action alleging violations of Section 30A in any case where an issuer has sought and obtained an FCPA Review letter from the Department, prior to May 31, 1981, stating that the Department will not take enforcement action under Section 30A with respect to the transaction involved.

The Department has indicated that it will evaluate the results of the FCPA Review Procedure after it has been in operation for one year. After the Commission has had an opportunity to evaluate the experience of the Department in administering the FCPA Review Procedure, the Commission will revisit the policy set forth above to determine whether the Commission should continue this policy or take other steps.

For copies of the release contact the Publications Section, Securities and Exchange Commission, Washington, D.C. 20549 (202) 272-2960. (Rel. 34-17099)

CIVIL PROCEEDINGS

FINAL JUDGMENT ENTERED AGAINST ALEXANDER KASSER

The Commission announced that on August 4 Judge Vincent J. Biunno, of the U.S. District Court for the District of New Jersey, signed a final judgment of permanent injunction against Alexander Kasser, enjoining him from further violations of the antifraud provisions of Section 17(a) of the Securities Act of 1933 and Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder. The defendant consented to the entry of the judgment, without admitting or denying the allegations in the complaint. The Commission accepted the payment of $9 million (Canadian) to the Manitoba Development Corporation by Kasser and various affiliated corporations, pursuant to a settlement of other litigation founded in part on the same transactions, in lieu of disgorgement and other ancillary relief. The complaint in this action charged Kasser and others engaged in a scheme to defraud the Manitoba Development Fund (now known as the Manitoba Development Corporation) in the sale of securities of Churchill Forest Industries (Manitoba) Ltd., and River Sawmills Company in violation of the antifraud provisions of the securities laws mentioned above. (SEC v. Alexander Kasser, U.S.D.C., Dist. of N.J., Civil Action No. 74-90). (LR-9167)

Gateway, in consenting to entry of judgment against it, admitted failure to file reports on a timely basis on eight separate occasions. (SEC v. Gateway Sporting Goods Company, U.S.D.C. D.C., Civil Action No. 80-1638). (LR-9168)

Vaportech, in consenting to entry of judgment against it, admitted failure to file reports on a timely basis on 15 separate occasions. (SEC v. Vaportech Corporation, U.S.D.C. COMPLAINT NAMES STARRETT HOUSING CORPORATION

The Commission announced that on September 5 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Starrett Housing Corporation, developer and builder of residential housing and office buildings with principal offices in New York, New York, alleging violations of the reporting provisions of the securities laws and seeking a Judgment of Permanent Injunction and Other Relief.

The complaint requests that the Court order Starrett to file the delinquent reports forthwith. The Commission also requested that the Court enjoin Starrett from further violations of the reporting provisions of the securities laws. (SEC v. Starrett Housing Corporation, U.S.D.C. D.C., Civil Action No. 80-2269). (LR-9175)

RULES AND RELATED MATTERS

ADOPTION OF RULE 14e-3

The Commission announced the adoption of a new antifraud rule establishing a "disclose or abstain from trading rule" for any person who is in possession of material information that relates to a tender offer by another person which information he knows or has reason to know is nonpublic and was acquired, directly or indirectly, from that person or the issuer of the securities subject to the tender offer. The rule also contains exceptions pertaining to multi-service financial institutions and brokerage transactions. In addition, as a means reasonably designed to prevent fraudulent, deceptive, or manipulative acts or practices, the rule establishes an "anti-tipping" rule with respect to material, nonpublic information relating to a tender offer. The provision implements existing statutory requirements and will be applicable to any tender offer. This action is necessary and appropriate in the public interest and for the protection of investors because of the current abuses in tender offer practice and the detrimental effects which such trading has on shareholders and securities markets in the context of tender offers. The new rule will become effective 30 days after publication in the Federal Register. (Rel. 33-6239)

CIVIL PROCEEDINGS

HARRY T. MCCLAIN DISMISSED AS DEFENDANT

The Denver Regional Office announced that on August 11 the Honorable Fred Shannon of the U.S. District Court for the Western District of Texas (San Antonio Division) signed an order dismissing the Commission's complaint against Harry T. McClain, formerly of Houston, Texas, without prejudice to Plaintiff's refiling a complaint at a later date. The complaint was filed on March 18, 1976 and after diligent efforts service of the Summons and complaint could not be effected on Mr. McClain. (SEC v. Harry T. McClain, U.S.D.C. W.D. Tex., Civil Action No. SA-78-CA-105). (LR-9176)

SIPC TRUSTEE APPOINTED FOR YASIN JAFFER

The Chicago Regional Office announced that on August 28 the Honorable Nicholas J. Bua of the Northern District of Illinois entered an Order that the securities customers of Yasin Jaffer are in need of the protection afforded by the Securities Protection Act of 1970; and appointed the Securities Protection Corporation (SIPC) as trustee for the liquidation of Jaffer's broker-dealer business. Jaffer consented to that Order without admitting or denying the allegations in the complaint and Application, filed by SIPC on August 18. On August 26 the Commission entered its appearance in the SIPC action against Jaffer.

The Commission had previously instituted on January 9 public administrative proceedings, pursuant to the Securities Exchange Act of 1934, against Jaffer, a registered broker-dealer located in Chicago, Illinois. The Order which instituted the administrative proceedings alleged that Jaffer wilfully violated the antifraud provisions of the securities laws in that he made misrepresentations and omitted to state material facts to customers, converted customer funds, and forged checks; that he wilfully violated the recordkeeping and reporting requirements of the Exchange Act; and that he failed to send confirmations of securities transactions to customers. After Jaffer failed to answer the Commission's Order, Jaffer's registration as a broker-dealer was revoked on February 21 and he was barred from associating with any broker or dealer. (SIPC v. Yasin Jaffer, N.D. Ill., 80 C 4399). (LR-9177)

COMMISSION ANNOUNCEMENTS

WEEKLY CALENDAR

The following is a schedule of speaking engagements, Congressional testimony, Commission hearings and other public events involving the Commission for the week of September 14, 1980. (Commission Meetings are announced separately in the News Digest)

Tuesday, September 16

- Chairman Williams will participate in a conference jointly sponsored by the Financial Executives Research Foundation and the American Society of Corporate Secretaries on "Aids to the Effective Director - Issues and Perspectives" at the Fairmont Hotel in Philadelphia, Pa.
- Commissioner Evans will be the keynote speaker before The "New" Stock Options Market Conference, sponsored by Business Week and Securities Week, in New York City. His presentation will be The Regulatory Outlook - Options.

ADMINISTRATIVE PROCEEDINGS

INITIAL DECISION SUSPENDS JAMES RYAN

Administrative Law Judge Max O. Regensteiner has issued an initial decision suspending James E. Ryan from association with a broker or dealer for three months. Ryan is vice-president of National Securities Corp., a Seattle broker-dealer. The decision is subject to Commission review on petition of a party or on the Commission's own initiative.

During the period in question (October 1978 - February 1979), Ryan dealt almost exclusively in low-priced mining company stocks traded on the Spokane Stock Exchange or in the Spokane over-the-counter market. According to the decision, he violated antifraud provisions of the securities laws by (1) recommending to customers the purchase of Nesco Mining Corp. stock without having an adequate basis for such recommendation and (2) selling various mining company stocks at prices not reasonably related to their market prices. Ryan was also found to have sold a block of Nesco stock, which had been acquired from the company's president, in violation of the Securities Act's registration requirements. Additionally, he was found responsible for violations of recordkeeping provisions involving a failure to note on customer order tickets the times when orders were received.

CIVIL PROCEEDINGS

WILLIAM C. SIMPSON ENJOINED

The Denver Regional Office announced that on August 27 the Honorable Fred Shannon, Judge, U.S. District Court for the Western District of Texas, San Antonio Division, signed a Default Judgment against William C. Simpson of San Antonio, Texas, permanently enjoining him from violating the antifraud provisions of the securities laws in the offer for sale, sale or offer to purchase or purchase of fractional undivided interests in oil, gas or other mineral rights, or any other security whatsoever.

The complaint was filed on March 23, 1978 and Simpson was served with a summons and complaint on March 24, 1978. Simpson failed to file an answer by August 14, 1980 after he was ordered to do so by the court on July 15, 1980. (SEC v. Harry T. McClain, et al., Western District of Texas, Civil Action No. SA-78-105). (LR-9178)

CIVIL PROCEEDINGS

COMPLAINT NAMES BLINDER, ROBINSON & CO., INC., OTHERS

The Denver Regional Office announced that on August 26 a complaint was filed in the U.S. District Court for the District of Colorado seeking a Temporary Restraining Order and Preliminary and Permanent Injunctions against Blinder, Robinson & Co. Inc. and Meyer Blinder, both of Denver, Colorado, and a Preliminary and Permanent Injunction against American Leisure Corp. of Atlantic City, New Jersey, Nathan S. Jacobson and Irwin S. Lampert, both of whom are believed to be residents of New York, Cavanagh Communities Corporation, Scope Inc., Joseph Klein, and Leon Joseph, all of Miami, Florida, for alleged violations of certain antifraud provisions of the securities laws. The allegations in the complaint which vary as to each defendant, in substance, concern activities of the defendants relating to a $25 million public offering of securities of American Leisure Corp. pursuant to a registration statement filed with the Commission which was underwritten by Blinder-Robinson and trading in the purported "after-market" of American Leisure securities, namely units (of common stock and warrants), common stock, and warrants.

The complaint alleges that Blinder-Robinson, Blinder, American Leisure, Jacobson, and Lampert, in connection with the offer and sale of American Leisure securities, each made untrue statements of material facts and omitted to state material facts regarding the public offering of American Leisure units, the "after-market" distribution of the units, and the negotiations for, financing for, and purchase of property in Atlantic City, New Jersey.

The complaint also alleges that Blinder-Robinson, Blinder, American Leisure, Jacobson, and Lampert misrepresented that the public offering of the units were being made to the public on an "all or none" basis and that all of the investors' monies would be returned if all the units were not sold as required by the prospectus. The complaint also alleges that Cavanagh, Klein, Scope and Joseph aided and abetted these violations.

The complaint further alleged that Blinder-Robinson and Blinder, before completing the distribution to the public, unlawfully bid for and purchased such securities during the purported "after-market".

On August 27 the Commission filed a Motion for Temporary Restraining Order, Preliminary Injunction, and certain other equitable relief which includes, among other things, an order requiring the return of all of the proceeds of American Leisure's public offering. (SEC v. Blinder, Robinson & Co., Inc., et al., USDC Colo., Civil Action No. 80-M-1125). (LR-9173)

RULES AND RELATED MATTERS

PROPOSED AMENDMENTS TO FORM AND RULE 17a-5

The Commission proposes to revise and clarify certain financial and operational reporting requirements of the Financial and Operational Combined Uniform Single (FOCUS) reporting system and requests additional information to be used for regulatory and policy-making purposes by the Commission with respect to brokers and dealers. Certain forms now required would be eliminated. Paragraph (d) of Rule 17a-5 would be amended to require that two copies of the Annual Audited Report of Financial Statements be sent to the Commission's principal office in Washington, D.C., instead of the one copy currently required. This change is necessitated by the requirements of the Commission's micrographics program. In addition, the Commission requests interested persons to give their assessment of the present FOCUS reporting system and suggestions for modifying that system within the context of the proposed amendments. Comments should be submitted in triplicate to George A. The Commission made findings that Olde wilfully violated the antifraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934 in connection with the securities transactions of one of its customers. The Commission also found that Hawks wilfully violated and wilfully aided and abetted violations of the above antifraud provisions in connection with his customer's securities transactions. Based upon the findings, the Commission censured Olde and suspended its option business in certain accounts for a period of 30 days, and furthermore ordered Olde to comply with its undertakings to implement new internal procedures and employee training programs in connection with its options business.

The Commission suspended Hawks from being associated with any broker, dealer, investment company, or investment adviser for a period of four months and suspended Hawks from acting in any supervisory capacity with any broker, dealer, investment company, or investment adviser for two additional months. Furthermore, before assuming a supervisory position following the suspension, Hawks must successfully complete a registered options principal examination and the supervisory principal examination administered by the National Association of Securities Dealers, Inc.

Olde and Hawks consented to the above findings and sanctions without admitting or denying the allegations in the Order for Public Proceedings. (Rel. 34-17125)

AES TECHNOLOGY SYSTEMS, INC. CITED

The Commission announced the institution of public administrative proceedings against AES Technology Systems, Inc. of Elk Grove Village, Illinois, pursuant to Section 15(c)(4) of the Securities Exchange Act of 1934. The proceedings were [illegible] based upon AES's alleged violations of the annual reporting provisions of the Exchange Act. The Order for Proceedings alleges that AES's Form 10-K Report for its fiscal year ended June 30, 1979 was materially deficient with respect to the disclosure of: orders and commitments for slot machines; the granting of a stock option; and sales of pinball machines.

Simultaneously with the institution of the proceeding, the Commission accepted an offer of settlement submitted by AES wherein AES, without admitting or denying the allegations in the Order for Proceedings, consented to the findings and remedial relief outlined below. The Commission made a finding that AES had failed to comply with the above annual reporting provisions, and ordered AES to comply with the reporting provisions of the Exchange Act and file an amendment to its June 30, 1979 annual report. The Commission also accepted undertakings made by AES relating to the structure of AES's board of directors, the issuance of stock options, the making of projections of revenues and profits, and the issuance of press releases. The Commission further ordered AES to notify the Commission of any failure to comply with the undertakings. (Rel. 34-17126)

SENATE CONFIRMS BARBARA THOMAS AS SEC COMMISSIONER

Barbara S. Thomas, a New York corporate and securities lawyer, was confirmed by the Senate on September 8 as a member of the Securities and Exchange Commission. Mrs. Thomas succeeds Irving M. Pollack, who retired June 5, 1980, and will fill a five-year term of office which began on that date.

Mrs. Thomas, 33, has been a partner in the firm of Kaye, Scholer, Fierman, Hays & Handler, which she joined as an associate in 1973. From 1969 to 1973 she had been an associate of the firm of Paul, Weiss, Rifkind, Wharton & Garrison.

ADMINISTRATIVE PROCEEDINGS

FLORIDA POWER CORPORATION CITED

The Commission has entered an Order instituting proceedings and accepting an Offer of Settlement submitted by Florida Power Corporation requiring the company to file a report on Form 8-K. Florida Power Corporation, without admitting or denying that any of its filings were deficient, consented to the entry of the Order after being advised of the Commission's intention to institute proceedings pursuant to Section 15(c)(4) of the Securities Exchange Act of 1934 based on allegations that the company failed to disclose certain material information concerning its spot purchases of light fuel oil in 1973 and 1974. The Form 8-K which the company agreed to file sets forth information concerning the company's purchases of spot fuel in 1973 and 1974. (Rel. 34-17127)

NASD ACTION AGAINST WILLIAM D. GEORGE, III REMANDED

The Commission has remanded to the NASD disciplinary proceedings against William D. George, III, of Pittsburgh, Pennsylvania. The Commission affirmed the NASD's finding that George failed to give his employer proper notification of an agreement he had signed indemnifying a firm customer against any loss resulting from the customer's pledge of certain securities. However, the Commission set aside NASD findings that George engaged in unethical conduct in connection with his execution of the indemnity agreement and his subsequent failure to reimburse the customer for the loss she suffered as a result of her pledge.

The Commission concluded that, since it had set aside a major portion of the NASD's findings of violation, the proceedings should be remanded to the Association so that it would have the opportunity to reassess the sanctions it had imposed. (Rel. 34-17136)

CRIMINAL PROCEEDINGS

GARY R. PARO

The New York Regional Office announced that on August 20 the U.S. Court of Appeals for the Second Circuit affirmed the conviction of Gary R. Paro of Syracuse, New York, for mail fraud. Paro was convicted on October 3, 1979 by a federal jury on 34 counts of an indictment and subsequently sentenced to three years imprisonment.

Paro was previously enjoined by consent from violating the registration and antifraud provisions of the securities laws in two related civil injunctive actions filed by the Commission. On June 4, 1979, the Commission filed an Order to Show Cause why Paro should not be punished for criminal contempt, based on alleged violations of the injunction issued in 1977. (U.S. v. Gary R. Paro, 2d Cir., No. 79-1450). (LR-9179)

CIVIL PROCEEDINGS

COMPLAINT NAMES THE INTERNATIONAL MINING EXCHANGE, INC., OTHERS

The Denver Regional Office announced that on September 12 a complaint was filed in the U.S. District Court for the District of Colorado seeking to enjoin The International Mining Exchange, Inc. (Mining), Trenton H. Parker & Associates, Inc., Mansion Properties Corporation, Mansion Properties Management Corporation, and Trenton H. Parker (Parker), all of Denver, Colorado, from violating the registration and antifraud provisions of the Securities Act of 1933, and certain of the antifraud provisions of the Securities Exchange Act of 1934, and rules promulgated thereunder; and to enjoin Trenton H. Parker Associates, Inc. and Parker from violating certain of the filing and reporting provisions of the Exchange Act and rules promulgated thereunder.

The complaint alleges that in connection with the offer and sale of Mining securities, namely investment contracts in the form of a "gold tax shelter investment program," Mining and Parker made untrue statements of material fact to effect that (1) investors in Mining would acquire a leasehold interest in mining concessions, (2) investors would profit from gold to be mined, and (3) investors could take a 500% federal income tax deduction based on mining developmental expenses incurred on the investor's behalf. The complaint also alleges that Parker and Mining omitted to inform investors that (1) some purchasers of the investment contracts acquired no interest in any gold concession, (2) no payments were made on behalf of the purchasers for mining developmental expenses, and (3) the purchaser's investments were diverted by Mining and Parker to uses unrelated to mining developmental expenses.

The complaint further alleges that Trenton H. Parker & Associates, Inc., Mansion Properties Corporation, Mansion Properties Management Corporation, and Parker violated the registration and antifraud provisions of the securities laws in the offer and sale of limited partnership interests. In addition, the complaint alleges that Trenton H. Parker and Associates, Inc. and Parker failed to file certain required reports in violation of the reporting provisions of the Exchange Act and rules promulgated thereunder. (SEC v. The International Mining Exchange, Inc., et al., USDC, Colo., Civil Action No. 80-1198). (LR-9181)

CIVIL PROCEEDINGS

SPECIAL COUNSEL ORDERED IN HOUSTON COMPLEX CIVIL ACTION

The Los Angeles Regional Office announced that on September 8 the Honorable Roger E. Foley, Senior U.S. District Judge for the Federal District Court in Las Vegas, entered an Amended Final Judgment against Houston Complex, Inc., Network One, Inc., and Grady A. Sanders. The Amended Final Judgment was entered in connection with the Commission's Application to have the defendants held in civil contempt for their failure to comply with the court's order of April 5, 1979 requiring them to appoint independent audit committees.

Pursuant to the Amended Final Judgment, the court appointed Samuel Belford of Reno, Nevada as Special Counsel for Houston Complex, and Network One. Pursuant to the Amended Final Judgment, the Special Counsel will conduct certain inquiries and monitor compliance by the companies with the Judgment of Permanent Injunction. The defendants stipulated to Amendment of the Final Judgment and the appointment of Mr. Belford as Special Counsel. (SEC v. Grady A. Sanders, et al., U.S.D.C. Nevada, Civil Action No. LV-79-57-RDF). (LR-9182)

COMPLAINT NAMES CLOYCE K. BOX AND OKC CORP.

The Fort Worth Regional Office announced that on September 15 a civil injunctive complaint was filed in Federal District Court for the Northern District of Texas, Dallas Division, against Cloyce K. Box and OKC Corp., both of Dallas, Texas. The complaint alleges, among other things, that Box, OKC's chief executive officer since at least 1973, has engaged in a scheme whereby Box caused OKC to extend special treatment to certain "friendly brokers" who in exchange, made secret and undisclosed payments to him. It is alleged that since 1973 Box received, pursuant to such arrangements, in excess of $5 million in violation of the antifraud provisions. The complaint further alleges that Box and OKC failed to disclose such payments in OKC's periodic, annual and other reports, thus violating the reporting and proxy provisions.

In addition to the preliminary and permanent injunctions, the Commission seeks an order requiring Box: to file an accounting for the period from December 1, 1973 to the present which sets forth all commissions, kickbacks, payments, property and other remuneration or favors received from persons other than OKC, which were derived from profits earned on transactions involving purchases and sales of products produced by OKC, and all payments and reimbursements from OKC received in connection with his legal representations; to disgorge to OKC all monies wrongfully received by him or otherwise wrongfully diverted by him for his benefit or the benefit of those persons with whom he is affiliated; and to resign as chief executive officer and as a director of OKC and to be prohibited from reassuming either position without further order of the Court.

The Commission also seeks an order directing OKC to pay to a conservator any funds to be paid to Box from the distribution of funds derived from the sale and liquidation of assets of OKC. (SEC v. Cloyce K. Box and OKC Corp., N.D. Tex./Dallas Division). (LR-9183)

COMMISSION ANNOUNCEMENTS

INCREASED RETAIL COMMISSION DISCOUNTING IDENTIFIED BY REPORT ON THE SECURITIES INDUSTRY

A marked increase in retail brokerage commission discounting, as well as widespread and substantial profitability throughout the industry, are among the developments identified in the Commission's Staff Report on the Securities Industry in 1979.

The profitability figures, based on data filed with the Commission by more than 2,500 broker-dealer firms which transact business with the general public, showed that such firms had combined pre-tax income of $1.5 billion in 1979, an increase of about 60 percent over the previous year. Gross revenues for those firms amounted to $13.2 billion in 1979, a 31 percent increase over 1978, and their pre-tax profit margin was 11.2 percent, compared with 9.1 percent in 1978.

The Report found that by the end of 1979 there were 97 firms which could be identified as discount broker-dealers. These firms received 7.8 percent of all retail commissions during the fourth quarter of 1979. For 1979 as a whole, the 97 discount firms earned $106.5 million in commission revenues, 6.7 percent of the industry total. By comparison, the 86 broker-dealers identified as discount firms in 1978 earned $78.1 million in commission revenues, 5.4 percent of the industry total; and the 77 firms so classified in 1977 earned $49.8 million, 4.7 percent of the industry total. "While the number of firms has grown by 26 percent since 1977, their market share has increased by 66 percent," the Report said. "The considerable expansion in 1979 suggests that the growth of discounting has yet to run its course."

Copies of the Staff Report on the Securities Industry in 1979 may be obtained by writing to the Publications Section, Securities and Exchange Commission, Washington, D.C. 20549.

COMMISSION ANNOUNCEMENTS

INVESTORS TO GET OPPORTUNITY TO MEET SEC STAFF DURING NATIONAL CONSUMER EDUCATION WEEK

Thousands of individual investors will have an opportunity to get personalized responses to questions about the securities markets direct from SEC staff members, during activities planned by the Commission in conjunction with National Consumer Education Week, October 5-11, 1980.

Persons in the Washington area, and individuals or groups from outside the area interested in traveling to the capital next week, are invited to a series of four open house sessions at the Commission's headquarters (500 North Capitol Street). The sessions, to be held from 2 p.m. to 5:30 p.m. Monday through Thursday, October 6-9, will feature showings of the Commission's new multi-media audio-visual presentation, "Eagle on the Street." Members of the Commission's staff will also be on hand to explain Commission programs and to answer questions. (Those interested in attending an Open House are urged to contact the Office of Consumer Affairs at (202) 523-5516, beforehand.) Similar programs will be held at several of the Commission's regional or branch offices in other cities.

The SEC will also participate in an exposition sponsored by the U.S. Office of Consumer Affairs, to be held on the Smithsonian Mall, Washington, D.C., on Friday, October 10, entitled "You and the Federal Government: A Special Consumer Affair." Further, in the spirit of National Consumer Education Week, the Commission will participate in the "Investors Gallery" at the Annual Convention of the National Association of Investment Clubs, to be held at the Shamrock Hilton Hotel, Houston, Texas from October 23-25. In addition to making available investor education brochures, and showing "Eagle on the Street," the Commission's staff will be prepared to discuss specific questions presented by individual investors.

ADMINISTRATIVE PROCEEDINGS

SAUL GLAZER SANCTIONED

The Commission has issued an Order instituting administrative proceedings making findings and imposing remedial sanctions pursuant to Rule 2(e) of the Rules of Practice against Saul Glazer, an accountant from Lockport, New York. Glazer audited and issued a report with respect to the financial statements of SNG & Oil Energy Company as of and for the seven months ended March 31, 1980. The Commission found that Glazer engaged in improper professional conduct in that his audit was not conducted in accordance with generally accepted auditing standards and he issued a report stating the contrary and stating that, in his opinion, the financial statements presented fairly the financial position and results of operations of SNG in conformity with generally accepted accounting principles applied on a consistent basis, when, in fact, there was no reasonable basis therefore. Glazer was suspended from appearing or practicing before the Commission for a period of nine months. Glazer consented to the entry of the Commission's Order without admitting or denying all the allegations or findings. (Rel. ASR-282)

CONTINENTAL AMERICAN SECURITIES, INC., JAMES ROE SANCTIONED

The Commission has entered an Order instituting administrative proceedings making findings and imposing remedial sanctions against Continental American Securities, Inc., a registered broker-dealer, and James Roe, a registered representative in its Phoeniz, Arizona office. The Commission found that Continental and Roe wilfully violated the antifraud provisions of the Securities Exchange Act of 1934, According to the Order, after receiving a series of open limit sell orders concerning securities of Olympic Gas & Oil, Inc. and SNG & Oil Energy Company, Roe and officers and employees of Continental placed buy orders for accounts in which they had a beneficial interest at the lowest prices and then solicited customers to purchase at the higher prices offered without disclosing to such customers that Roe and the others would acquire stock at the lower prices. Roe was suspended from being associated with any broker or dealer for 30 business days. Continental was censured and ordered to comply with undertakings to adopt certain procedures and to offer to make certain payments to customers. (Rel. 34-17170)

CIVIL PROCEEDINGS

ACTION FOR INJUNCTIVE AND OTHER EQUITABLE RELIEF
INSTITUTED AGAINST IAN T. ALLISON, OTHERS

The Commission filed a complaint on September 29 in the U.S. District Court for the District of Columbia seeking injunctive and other equitable relief against 23 defendants. A motion for preliminary relief was also filed. The complaint alleges that Ian T. Allison and other of the defendants engaged in violations of the antifraud and registration provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934 and the periodic reporting and stock ownership reporting provisions of the Securities Exchange Act of 1934 in connection with promotions of securities of Olympic Gas & Oil, Inc. and SNG & Oil Energy Company. The Court entered final judgments of permanent injunction and other equitable relief against SNG, its president and a vice president. The three defendants consented to entry of the final judgments without admitting or denying the allegations in the complaint. The case is pending against the other defendants. (SEC v. Ian T. Allison, et al., U.S.D.C. D.C., Civil Action No. 80-2465). (LR-9188)

ADMINISTRATIVE PROCEEDINGS

BOSTON STOCK EXCHANGE AND BOSTON STOCK EXCHANGE CLEARING CORPORATION CENSURED

The Commission announced the institution of administrative proceedings pursuant to Section 19(h)(1) of the Securities Exchange Act of 1934 against the Boston Stock Exchange, Inc. (BSE), a registered national securities exchange located in Boston, Massachusetts, and the Boston Stock Exchange Clearing Corporation, Inc. (Clearing Corp.), a wholly owned subsidiary and member of the BSE and a registered clearing corporation. The Commission simultaneously announced that it had determined to accept the offer of settlement submitted by the BSE and Clearing Corp. wherein the BSE and the Clearing Corp. consented to the findings of remedial sanctions described below without admitting or denying the findings.

In its Order, the Commission found that the BSE violated the Exchange Act in that it failed to employ adequate surveillance procedures for monitoring the activity of its specialists and failed to discover on a timely basis violations by certain of its members of Commission and Federal Reserve Board Regulations, as well as the BSE's own rules. The Commission also found that the Clearing Corp. extended credit to specialists in violation of the credit restrictions of the Exchange Act and Federal Reserve Board Regulations.

In its Order, the Commission censured both the BSE and the Clearing Corp. and ordered the BSE to comply with certain undertakings, including, among other things, the formation of a Special Management Review Committee which will report to the Board of Governors (Board) of the BSE and the Commission on the adequacy of the Board in discharging the BSE's self-regulatory responsibilities, a review of procedures for nominating members to the Board, the adequacy of internal controls, and a review of the Exchange disciplinary process. (Rel. 34-17183)

CIVIL PROCEEDINGS

COMMISSION CHARGES C & R CLOTHIERS WITH VIOLATIONS OF TENDER OFFER PROVISIONS

The Commission announced today that the U.S. District Court for the District of Columbia enjoined C & R Clothiers, Inc. of Culver City, California from filing and disseminating tender offer materials which are materially false or misleading or otherwise do not comply in any material respect with the securities laws and ordered C & R to comply with certain undertakings. The Commission's complaint, filed on the same date, alleged that C & R violated the tender offer antifraud and reporting provisions of the securities laws by filing with the Commission and distributing materially false and misleading tender offer materials to its shareholders in connection with an offer for 84,763 shares of C & R stock. C & R consented to the entry of the permanent injunction without admitting or denying the allegations of the Commission's complaint.

In addition to the entry of the Final Judgment permanently enjoining C & R from violating the tender offer provisions of the securities laws, the Court also ordered C & R to comply with its undertaking that it will, within forty days of any new tender offer for shares of C & R stock, financing of which is provided by C & R , and in no event later than sixty days of the entry of the Final Judgment, return to C & R shareholders all shares of C & R stock tendered pursuant to the June 25, 1980, tender offer unless those shareholders (1) are provided with tender offer materials containing all of the information required by the tender offer provisions of the securities laws, (2) are given written notice that their tendered shares will be returned to them unless they notify the tender offerors of their desire to tender those shares tendered pursuant to the June 25, 1980, tender offer, and (3) have notified the tender offerors of their desire to tender those shares tendered pursuant to the June 25, 1980, tender offer. The Court also ordered C & R to comply with its undertaking to adopt, implement and maintain policies and procedures reasonably designed to ensure compliance with the tender offer provisions of the securities laws. (SEC v. C & R Clothiers, Inc., U.S.D.C. D.C., Civil Action No. 80-2517). (LR-9194)

COMPLAINT NAMES AIRCRAFT INSTRUMENT AND DEVELOPMENT, INC.

The Commission announced that on September 30 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Aircraft Instrument and Development, Inc. with principal offices in Wichita, Kansas, which rebuilds and services instruments, meters and guages for light aircraft and helicopters. The Commission's complaint alleges violations of the reporting provisions of the securities laws and seeks a Judgment of Permanent Injunction and Other Relief.

The complaint alleges that Aircraft, as part of a continuing course of violative conduct, has failed to file its Annual Report on Form 10-K for its fiscal year ended March 31, 1980, and its Quarterly Report on Form 10-Q for its fiscal quarter ended June 30, 1980, required to have been filed with the Commission by June 29 and August 14, 1980 respectively. The complaint requests that the Court order Aircraft to file the delinquent reports forthwith. The Commission also requested that the Court enjoin Aircraft from further violations of the reporting provisions of the securities laws. (SEC v. Aircraft Instrument and Development, Inc., U.S.D.C. D.C., Civil Action No. 80-2498). (LR-9189)

THREE LAWYERS, AQUA-SONIC PRODUCTS CORP. AND OTHERS CHARGED WITH VIOLATING REGISTRATION AND ANTIFRAUD PROVISIONS IN THE OFFER AND SALE OF TAX SHELTERS

The New York Regional Office announced that on September 30 a civil injunctive action was filed seeking to enjoin three attorneys and others for violating the securities laws in connection with a public offering of securities in the form of tax sheltered investments consisting of exclusive licenses and sales agency agreements to market certain novel dental products known as Steri Products.

The following individuals and entities were named in the complaint: Leon Schekter of Roslyn, New York, M. Joshua Aber of Yonkers, New York, and Martin Hecht of New York, New York, all of whom are attorneys admitted to practice in the State of New York; Aqua-Sonic Products Corp., Inc., a New York corporation; Ultrasonic Dental Products, Inc., a New York corporation, Dentasonic, N.V., a corporation chartered in the Netherlands Antilles; Inventel Corporation, a Delaware corporation; and Melvin Hersch of Roslyn Heights, New York, the president of Aqua-Sonic.

The complaint alleges that the investment interests offered and sold by the defendants were securities which should have been, but were not, registered with the Commission in compliance with the securities laws. The complaint further alleges that the defendants made false and misleading statements in documents used in the offer and sale of these unregistered securities. In addition, it is alleged that the defendants failed to disclose to actual and prospective investors material facts including, but not limited, to the substantial financial interest of the attorneys Schekter, Aber and Hecht in the venture, primarily through entities which they controlled such as Dentasonic and Inventel. Furthermore, the defendants are charged with failing to disclose the lack of independence of the law firm of defendants Schekter, Aber and Hecht (known as Schekter, Aber & Hecht, P.C.) in the issuance of certain tax and federal securities opinion letters used in connection with the offer and sale of the Aqua-Sonic investments. Between approximately May 1 and December 31, 1978, a total of 49 investment interests were sold for a total of approximately $12,100,000 as follows: $11,200,000 in the form of nonrecourse promissory notes and $900,000 in cash and recourse promissory notes. The Commission will not normally meet on Mondays or Fridays.

Visitors are welcome at all open meetings, insofar as space is available.

The proposed rule would exempt from the registration requirements of the Act interests and participations issued in connection with certain pension and profit-sharing plans commonly known as "H.R. 10" plans of partnerships that meet the criteria set forth in the proposed rule. FOR FURTHER INFORMATION CONTACT Mary A. Cole at (202) 272-2057.

(2) Consideration of whether to publish for comment Rule 3a-4 under the Investment Company Act of 1940, which would deem investment management services which provide their clients with individual treatment not to be investment companies. (3) Consideration of whether the Commission should utilize competitive procedures in designating an entity to operate and maintain the computerized data base of lost, stolen and counterfeit securities under Section 17(f)(1) of the Securities Exchange Act of 1934 and Rule 17f-1 thereunder. FOR FURTHER INFORMATION CONTACT Marc L. Weinberg at (202) 272-2388 or Philip L. Sbarbaro at (202) 272-2911.

(4) Consideration of whether to issue two proposed releases announcing (a) adoption of amendments to the requirements applicable to the filing by self-regulatory organizations of proposed rule changes and other materials with the Commission and (b) withdrawal of certain earlier proposals relating to these matters. (6) Consideration of a rulemaking petition filed by Chromalloy American Corporation which proposes the adoption of new Rule 16a-12 under the Securities Exchange Act. The proposed rule would establish a special definition of the term "purchase" in connection with acquisitions of securities under employee benefit plans, and

would provide that any acquisition of securities resulting from participation by officers and directors in a company's stock purchase, stock bonus or similar plan shall be deemed to have taken place at the time of the election to participate in such plan. FOR FURTHER INFORMATION CONTACT David J. McKee at (202) 272-2719.

(8) Consideration of whether to issue a release to amend Form S-18 and Item 2 of Regulation S-K to allow companies engaged in the mining business to register their securities on Form S-18 and, in view of this proposal, whether Form S-3 should be rescinded. TRADING SUSPENSIONS

TRADING SUSPENDED IN GLASROCK MEDICAL SERVICES CORP.

The Commission announced the single ten-day suspension of exchange and over-the-counter trading in the securities of Glasrock Medical Services Corp., a Georgia corporation located in Fairburn, Georgia, for the period beginning on October 3 and terminating at midnight on October 12, 1980. The Commission ordered the suspension because of questions concerning unusual market activity in those securities and because of questions which have been raised concerning an undisclosed accumulation of a significant percentage of shares of the company's outstanding common stock by a registered representative and numerous customers of his at one brokerage firm and the resulting potential impact on the market for Glasrock shares. (Rel. 34-17193)

CIVIL PROCEEDINGS

MOVIEMATIC INDUSTRIES CORP. ENJOINED

The Commission announced that on September 29 the U.S. District Court for the District of Columbia entered a Final Judgment of Permanent Injunction against Moviematic Industries Corp. of Miami, Florida, restraining and enjoining Moviematic from failing to file timely periodic reports and ordering it to comply with certain undertakings. Moviematic, consenting to the entry of the Court's judgment, admitted it had failed to file reports in a timely fashion. The Commission's complaint was filed on June 9, 1980.

The complaint alleged that Moviematic, as part of a continuing course of violative conduct extending over several years, failed to timely file with the Commission certain annual and quarterly reports required to have been filed. Moviematic has agreed to adopt procedures to assure timely filing of reports required to be filed under the Securities Exchange Act of 1934. (SEC v. Moviematic Industries Corp., U.S.D.C. D.C., Civil Action No. 80-1417). (LR-9193)

CRIMINAL PROCEEDINGS

RALPH OLIVER INDICTED

The Washington Regional Office announced that on September 9 a federal grand jury sitting in Camden, New Jersey, returned a twelve count indictment against Ralph Oliver charging him with mail fraud. The indictment alleges that during the period from January 1970 through 1978, Oliver defrauded thirty-nine persons out of over $120,000 in connection with a scheme in which Oliver induced such persons to invest in securities but instead diverted investors' funds to his own benefit and use. The indictment followed a Commission injunctive action in which Oliver was permanently enjoined from further violations of the securities laws [SEC v. Barnhart & Company, et al., E.D. Pa., No. 78-2018]. (U.S. v. Ralph Oliver, D.N.J., Criminal No. 80-324). (LR-9191)

ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS AGAINST SEVEN BROKER-DEALERS AND
TWO INDIVIDUALS DISMISSED

The Commission has dismissed disciplinary proceedings against seven broker-dealers and two individuals. The broker-dealers are Steven S. Mitchell, Michael W. Engmann, Noam Rand and Rainbow Options (now known as Haynes & Co.), of San Francisco, Clyde Reynolds Mahnke of Orinda, California, Richard James French of Penngrove, California, and Lawrence Dennis Dougherty of Chicago, Illinois. The Commission also dismissed proceedings against Geoffrey B. Haynes, general partner of Haynes & Co., and Jose C. Pascual, both of San Francisco.

Respondents were charged with violations of antimanipulative provisions of the securities acts. The Commission stated that, on the basis of an independent review of the record, it was unable to conclude that the charges against respondents had been sustained. (Rel. 34-17163)

CIVIL PROCEEDINGS

JOSEPH F. VALVERDE, OTHERS ENJOINED

The Commission announced on October 2 that Judge Lawrence W. Pierce of the U.S. District Court for the Southern District of New York entered Final Judgments of Permanent Injunction against Joseph F. Valverde, Lee Knight Moffett and Canadian American Financial Corporation, S.A. (CAF) by consent and against Trustee Mortgage Corporation by default, enjoining those defendants from violations of the antifraud, antimanipulation and margin requirements of the securities laws. Valverde, Moffett and CAF consented to the entry of Judgments against them without admitting or denying the allegations of the Commission's complaint. (SEC v. Joseph F. Valverde, et al., U.S.D.C. S.D.N.Y., Civil Action No. 80 Civ. 3073 LWP). (LR-9195)

CRIMINAL PROCEEDINGS

ALFRED J. CUSINO INDICTED

The San Francisco Branch Office announced that on September 18 Alfred J. Cusino was indicted by a federal grand jury in San Francisco California, for six counts of mail fraud and six counts of fraud by wire. The indictment charges that Cusino, through Multi-Power Electrical Corporation, devised a scheme and artifice to defraud victims who invested in an "energy multiplier," a device Cusino claimed to have invented, which would multiply an initial electrical charge fourteen times, would produce electrical energy indefinitely, and was self-perpetuating. On March 27 Cusino was permanently enjoined by the U.S. District Court for the Northern District of California from violating the registration and antifraud provisions of the securities laws. (U.S. v. Multi-Power Electric Corporation). (LR-9192)

ADMINISTRATIVE PROCEEDINGS

LOEB RHOADES, HORNBLOWER & CO., OTHERS CITED

The Commission announced the institution of public administrative proceedings against Loeb Rhoades, Hornblower & Co., Meyer Berg, formerly a registered representative with Loeb Rhoades, and Barry Lefko, formerly a registered representative at Dean Witter Reynolds, Inc. Simultaneously with the institution of the proceedings, the Commission accepted Offers of Settlement from Loeb Rhoades and Lefko in which they, without admitting or denying the allegations or findings in the Commission's Orders, consented to the issuance of Orders by the Commission making certain findings and imposing remedial sanctions. The Commission ordered the proceedings against Loeb Rhoades to determine whether it failed to reasonably supervise Berg with a view to preventing violations by Berg of certain provisions of the Securities Act of 1933, the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder. The proceedings against Berg are to determine whether Berg violated the securities laws in connection with his alleged participation in a scheme to manipulate upward the market price of the common stock of C.H.B. Foods, Inc., during 1978 and early 1979. The proceedings against Lefko were also instituted in connection with his aiding and abetting of the alleged manipulation of C.H.B. Foods, Inc. common stock.

The Commission determined that it is appropriate and in the public interest to accept Offers of Settlement submitted by Loeb Rhoades and Lefko, and accordingly made findings that Loeb Rhoades failed to reasonably supervise an employee subject to its supervision and that Lefko wilfully violated and aided and abetted violations of Section 17(a) of the Securities Act, Sections 9(a)(2), 10(b) and 17(a) of the Exchange Act and Rules 10b-5 and 17a-3 thereunder. The Commission's findings are not binding on any respondent in any other administrative proceeding based on any of the matters discussed in the Commission's Orders Instituting Proceedings.

The Commission censured Loeb Rhoades and suspended Lefko from association with any broker-dealer, investment advisor or investment company for 120 days and limited any such association thereafter to a non-supervisory position. The proceedings as to Berg remains unresolved.

The Federal grand jury for the District of Columbia has been investigating since July, 1980 whether James Corr and Neica Corr, as a result of their activities regarding trading in the securities of C.H.B. Foods, Inc., may be in criminal contempt of a "Final Judgment of Permanent Injunction and Other Relief" which had been previously entered against them by the federal district court for the District of Columbia. As alleged in the Commission's Order which commenced these administrative proceedings, Berg acted as the broker for James and Neica Corr and for other individuals referred to him by James Corr. (Rel. 34-17180, 34-17181 & 34-17182)

CIVIL PROCEEDINGS

GENERAL ARIZONA CLEARINGHOUSE AND OTHERS NAMED IN COMPLAINT AND ORDER

The Los Angeles Regional Office announced that on September 24 a complaint was filed in the U.S. District Court in Los Angeles which sought injunctive and ancillary equitable relief and named as defendants: National Charter Management and Financial Services, Inc. of Claremont, California; General Arizona Clearinghouse Corporation of Maricopa County, Arizona; American Security Bank and Trust Company (West Indies) Limited of Anguilla, West Indies; General Finance Corporation of Denver, Colorado; Jack Walker Wright, also known as Robert Morgan of Claremont, California; J. Wayne Haws of Huntington Beach, California; Iris G. Eaton of Anaheim, California; William Vaughn Ellsworth of Maricopa County, Arizona; Barry Eaton of Anaheim, California; and Arvey Drown of Berthoud, Colorado.

The complaint alleged that the defendants engaged in violations of the registration and antifraud provisions of the securities laws. The complaint seeks to restrain the defendants from continuing those violations and also seeks the appointment of a receiver and orders preventing the defendants from disposing of any assets of the defendants and preventing the destruction or concealment of any books and records of the various defendants.

Upon the filing of the complaint, the Commission sought a temporary restraining order against the defendants from committing further violations as above alleged and further restraining those defendants from dissipating or disbursing the assets arising from the conduct of the fraudulent scheme and from destroying or concealing any of the books and records involved in this matter. On September 24 the Honorable A. Andrew Hauk, U.S. District Judge in Los Angeles, granted the Commission's application for such an order, with that order to expire following a hearing on the Commission's motion for a preliminary injunction and the appointment of a receiver to be heard on Tuesday, October 14 at 10:00 a.m.

General Finance Corporation of Denver Colorado, an Arizona corporation, is a separate entity and should not be confused with General Finance Corporation of Evanston, Illinois, a Delaware corporation, which has regularly filed periodic reports with the Commission pursuant to the Securities Exchange Act of 1934 for more than the past five years. (SEC v. National Charter Management and Financial Services, Inc., et al., C.D. Cal., Civil Action No. 80 04244 AAH[Px]). (LR-9196)

UNITRON INTERNATIONAL SYSTEMS, INC., OTHERS ENJOINED

Wagner, individually and doing business as Nev Wagner and Associates, Ltd. of Atlanta, Georgia; and James Albert of Boston, Massachusetts. Simultaneously, the defendants consented to the entry of a Final Judgment of Permament Injunction and Other Relief, which Final Judgment was entered on October 7, by U.S. District Judge Orinda D. Evans, permanently enjoining them from violating the registration and antifraud provisions of the securities laws. The Final Judgment also requires the defendants to retain an independent auditor to make an examination of Unitron International Systems, Inc. and to make an accounting of all funds received from investors and of all transactions between Unitron, Wagner and Albert. (SEC v. Unitron International Systems, Inc., et al., U.S.D.C. N.D. Ga., Civil Action No. C 80-1696A). (LR-9199)

RULES AND RELATED MATTERS

PROPOSED AVAILABILITY OF SIMPLIFIED REGISTRATION FORM TO CERTAIN MINING COMPANIES

The Commission is proposing for comment amendments to Form S-18, a simplified registration form, which would allow certain issuers engaged in the mining business to register their securities on that Form. A new disclosure item which includes requirements applicable to mining companies is proposed for Form S-18 and similar amendments are proposed for Item 2 of Regulation S-K. The latter will be applicable to companies using registration forms other than Form S-18 and to companies subject to the continuous reporting requirements under the Securities Exchange Act of 1934. The Commission is also recommending that Form S-3 be rescinded. All communications should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549 on or before November 21, and should refer to File No. S7-853. All comments will be available for public inspection and copying in the Commission's Public Reference Room, 1100 L Street, N.W., Washington, D.C. (Rel. 33-6245)

FOR FURTHER INFORMATION CONTACT: Robert Rupp at (202) 272-2644

RULE PROPOSAL RE INVESTMENT MANAGEMENT SERVICES

The Commission is proposing to adopt a rule under the Investment Company Act of 1940 which would deem investment management services which provide their clients with individualized treatment not to be investment companies. The proposed rule would provide a "safe harbor" for any investment manager affording its clients individualized treatment. Under such circumstances, regulation of investment management services under the Investment company Act of 1940 would appear to be unnecessary. Comments should be submitted in triplicate, on or before January 9, 1981, to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol St., Washington, D.C. 20549. Refer to file No. S7-854. All submissions will be available for public inspection at the Commission's Public Reference Room. (Rel. IC-11391)

COMMISSION ANNOUNCEMENTS

PUBLICATION OF CAPITAL MARKET WORKING PAPERS

The Commission announced that it has authorized the publication of a series of working papers which will discuss economic aspects of various facets of securities regulation and the capital markets. In general, these working papers will be prepared by the staff of the Commission's Directorate of Economic and Policy Analysis, although the series may also include papers prepared by scholars outside of the Directorate. The papers will be distributed to those with an interest in the field and, upon request, to members of the general public. They are intended to be topical and to stimulate public discussion which can assist the Commission in the performance of its responsibilities under the securities laws. The views and conclusions presented will not, however, necessarily be those of the Commission. The first paper, entitled, "Acquisition of Technology-Based Firms by Tender Offer: An Economic and Financial Analysis," will be available for distribution in approximately one week. The availability of future papers will be announced in the News Digest. Copies can be obtained by contacting the Commission's Publications Unit, Room B-28, 500 North Capitol St., Washington, D.C. 20549. (Rel. 33-6246)

CRIMINAL PROCEEDINGS

GERALD GREENSPAN FOUND GUILTY OF CRIMINAL CONTEMPT

The New York Regional Office announced that on August 28, after a six day jury trial held before the Honorable Edward Weinfeld of the U.S. District Court for the Southern District of New York, Gerald Greenspan of Brooklyn, New York, was found guilty of criminal contempt for disobeying three prior orders of permanent injunction issued against him by the federal court in the Southern District of New York.

The three orders were entered against Greenspan on November 10, 1960, July 8, 1975 and on February 22, 1980. The injunctions prohibited Greenspan from violating the antifraud and antimanipulative provisions of the securities laws. In addition, the 1980 injunction enjoined Greenspan from purchasing the securities of Hiller Aviation, Inc., formerly known as Family Record Plan, Inc.; directed him to disclose the two prior injunctions and his prior conviction for criminal contempt to any registered broker or dealer prior to purchasing or selling any securities through such broker or dealer; and required him to submit reports of his trading activity to the NYRO.

In the latest criminal contempt action, the Commission charged that between November 27, 1979 and May 31, 1980, Greenspan disobeyed these three prior orders by engaging in a deliberate and wilful scheme to violate the antifraud and anti-manipulation provisions of the Securities Exchange Act of 1934. The scheme involved the purchase of the securities of Hiller Aviation Inc. and other securities through several brokerage firms without intending to pay for such securities, and issuing checks drawn on accounts with insufficient funds or that were otherwise returned. The Commission also charged that Greenspan failed to comply with the three specific directives of the 1980 injunction. In reaching its verdict, the jury rejected a defense of insanity raised by the defendant and found him guilty of all the charges filed against him. Greenspan will be sentenced on October 14, 1980 at 9:00 a.m. (U.S.A. ex rel. SEC v. Gerald Greenspan, 80 Cr. Misc. #1 [Page 35] [S.D.N.Y.] [EW]). (LR-9198)

(Rel. TI-591)

CIVIL PROCEEDINGS

COMPLAINT NAMES STEPHEN SMITH

The SEC announced the filing of a complaint for injunction and other equitable relief against Stephen Smith of New York, New York, on October 14, 1980. The complaint, filed in the U.S. District Court for the Southern District of New York, alleges that Smith violated the beneficial ownership requirements of the Williams Act, in connection with his acquisition of the common stock of Friendly Frost, Inc. (Frost). According to the complaint, Smith purchased 300,298 shares of Frost common stock in November 1977 and thereafter failed to disclose in reports on Schedule 13D or amendments thereto, among other things, transactions which Smith effected in Frost common stock; contracts, arrangements, understandings or relationships Smith entered into with certain persons with respect to Frost common stock, including several individuals who purchased Frost common stock using funds borrowed or obtained from Smith; the source of funds Smith used to purchase Frost common stock; and plans or proposals by Smith to make material changes in the nature of Frost's business. The complaint also charges that Smith failed to disclose that he has previously been the subject of three Commission Commission enforcement proceedings, and has been enjoined from violating the provisions of Rule 10b-5 and barred from association with a broker or dealer, investment adviser or investment company. The Commission's action seeks an injunction against Smith from future violations of the beneficial ownership requirements of the Williams Act, Section 13(d) of the Securities Exchange Act of 1934, and Rules 12b-20, 13d-1 and 13d-2, and an order that Smith correct his past reports of beneficial ownership of Frost common stock on Schedule 13D. (SEC v. Stephen Smith, 80 Civ. 5848 (CSH) S.D.N.Y.). (LR-9200)

CIVIL PROCEEDINGS

COMPLAINT NAMES STEPHEN SMITH

The Commission announced on October 14 the filing of a complaint for injunction and other equitable relief in the U.S. District Court for the Southern District of New York against Stephen Smith of New York, New York, alleging violations of the beneficial ownership reporting requirements of the Williams Act, in connection with Smith's acquisition of the common stock of Friendly Frost, Inc. (Frost). According to the complaint, Smith purchased 300,298 shares of Frost common stock in November 1977 and thereafter failed to disclose in reports on Schedule 13D or amendments thereto, among other things, transactions which Smith effected in Frost common stock; contracts, arrangements, understandings or relationships Smith entered into with certain persons with respect to Frost common stock, including several individuals who purchased Frost common stock using funds borrowed or obtained from Smith; the source of funds Smith used to purchase Frost common stock; and plans or proposals by Smith to make material changes in the nature of Frost's business. The complaint also charges that Smith failed to disclose that he has previously been the subject of three Commission enforcement proceedings, and has been enjoined from violating the provisions of Rule 10b-5 and barred from association with a broker or dealer, investment adviser or investment company. The Commission's action seeks an injunction against Smith from future violations of the beneficial ownership requirements of the Williams Act, Section 13(d) of the Securities Exchange Act of 1934, and Rules 12b-20, 13d-1 and 13d-2, and an order that Smith correct his past reports of beneficial ownership of Frost common stock on Schedule 13D. (SEC v. Stephen Smith, S.D.N.Y., 80 Civ. 5840 [CSH]). (LR-9200)

ADMINISTRATIVE PROCEEDINGS

NASD ACTION AGAINST P. LYNN DIXON REMANDED

The Commission has set aside sanctions imposed by the NASD on P. Lynn Dixon of Salt Lake City, and remanded disciplinary proceedings against him to the NASD.

The NASD found that Dixon, the registered representative of an NASD member firm, violated its free-riding interpretation which is designed to assure that NASD members make a bona fide offering of a securities issue to the public at the public offering price. The Association pointed out that 5,000 shares of a securities offering underwritten by Dixon's firm, which rose to an immediate aftermarket premium, were sold to a corporation of which Dixon was president. It concluded that this constituted a sale to an account in which Dixon had a "beneficial interest" and was therefore prohibited by its interpretation. The Commission determined that the mere fact that Dixon was president of the corporation did not give him a "beneficial interest" in its account, and remanded the matter to the Association to determine whether Dixon or any member of his immediate family had such an interest. (Rel. 34-17192)

CIVIL PROCEEDINGS

COMPLAINT NAMES LIBERTY OIL CORPORATION, OTHERS

The Los Angeles Regional Office announced that on October 2 a civil injunctive complaint was filed in the Federal District Court in Los Angeles against Liberty Oil Corporation, Harold D. Goldstein, Michael Bradley Krivacek and Joseph DiGiovanni. The complaint alleges, among other things, that Goldstein and Krivacek offered and sold the unregistered common stock of Liberty Oil through the use of false and misleading information which portrayed Liberty Oil as an established oil company when, in fact, it was a shell corporation without significant assets and with no operations.

The complaint further alleges that Liberty Oil, Goldstein, Krivacek and DiGiovanni implemented a scheme to publicly offer unregistered limited partnership interests in oil and gas properties purportedly owned by Liberty Oil through the use of a boiler room type operation. The defendants allegedly employed fraudulent statements and offering memoranda in their efforts to sell these limited partnership interests.

The complaint seeks an injunction enjoining the defendants from violations of the registration and antifraud provisions of the securities laws. In addition, the Commission is seeking the appointment of a receiver for Liberty Oil with the receiver's costs to be borne by Goldstein and Krivacek. (SEC v. Liberty Oil Corporation, et al., C.D. Cal., Civil Action No. CV-80-04398 RMT). (LR-9201)

JOSEPH DIGIOVANNI ENJOINED

The Los Angeles Regional Office announced that on October 9 a Final Judgment of Permanent Injunction was entered against Joseph DiGiovanni enjoining him from violations of Sections 5(c), 17(a)(1) and 17(a)(3) of the Securities Act of 1933. DiGiovanni had been charged with the fraudulent offer of unregistered limited partnership interests of Liberty Oil Corporation Drilling Fund No. 5, Ltd. DiGiovanni, without admitting or denying the allegations, consented to issuance of the Permanent Injunction. (SEC v. Liberty Oil Corporation, et al., C.D. Cal., Civil Action No. CV-80-04398 RMT). (LR-9202)

CONTINENTAL ADVISERS, OTHERS ENJOINED

The Commission announced the entry of a Final Judgment of Permanent Injunction and Order for Payment (Judgment) against Continental Advisers (CA), Monte J. Wallace, Neil W. Wallace and Durand A. Holladay, permanently enjoining them from violating Section 10b-5 of the Securities Exchange Act of 1934 and ordering the Wallaces and Holladay to pay $2 million in proportion to their respective ownership interests in CA as of March 31, 1974. These proceeds will be held in escrow for the benefit of certain class action plaintiffs and the beneficiaires of any actions brought by a court appointed trustee. In addition, the Judgment orders each defendant to comply with the provisions of the Consent and Undertaking agreed to by each defendant. The defendants consented to the entry of the Judgment without admitting or denying the allegations of the complaint.

The entry of this Judgment concludes litigation initiated by the Commission in January, 1978. (SEC v. Continental Advisers, et al., U.S.D.C. D.C., Civil Action No. 78-0066). (LR-9204)

INJUNCTIVE, OTHER EQUITABLE RELIEF ENTERED AGAINST OLYMPIC GAS & OIL, INC.

The Commission announced that on September 29 the U.S. District Court for the District of Columbia entered a Final Judgment against Olympic Gas & Oil, Inc. Olympic was permanently enjoined from violating the antifraud, registration and periodic reporting provisions of the Securities Exchange Act of 1934. Olympic was also ordered to establish a committee of two additional directors satisfactory to the Commission with designated duties and responsibilities. The Court also restricted its actions with respect to certain persons, and ordered it to provide its shareholders with a summary of the allegations in the complaint and of the terms of the Final Judgment and to use its best efforts to correct past filings with the Commission. Olympic consented to the entry of the Final Judgment without admitting or denying the allegations in the complaint. (SEC v. Ian T. Allison, et al., U.S.D.C. D.C., Civil Action No. 80-2465). (LR-9205)

RULES AND RELATED MATTERS

REPURCHASES BY AN ISSUER OF ITS OWN SECURITIES

The Commission has authorized issuance of a release proposing for comment Rule 13e-2 under the Securities Exchange Act of 1934 and certain related amendments to Rule 10b-6. If adopted, Rule 13e-2 would impose disclosure requirements and substantive purchasing limitations on an issuer and certain other persons in connection with purchases of the issuer's common stock or preferred stock. The rule would regulate the time, price and volume of those purchases in order to prevent the issuer or other persons from leading or dominating the market for the issuer's securities.

All comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before January 15, 1981 and should refer to File No. S7-858. All comments will be available for public inspection. (Rel. 33-6248)

ADMINISTRATIVE PROCEEDINGS

RESERVE MANAGEMENT CORPORATION, OTHERS CENSURED

The Commission announced that it has instituted public administrative proceedings under the Investment Company Act of 1940 and the Investment Advisers Act of 1940 naming as respondents Reserve Management Corporation (RM Corp.) and Reserve Management Company (RM Co.), registered investment advisers located in New York City, and Henry B. R. Brown and Bruce R. Bent, general partners of RM Co. and officers of RM Corp. Simultaneously, the Commission accepted an offer of settlement in which the respondents, without admitting or denying the allegations, consented to the entry of findings and an order by the Commission censuring them.

The sanctions imposed were based upon findings that the respondents violated Section 17(a) of the Securities Act of 1933, Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder and Section 34(b) of the Investment Company Act in that, in documents sent to shareholders of The Reserve Fund, Inc. (Reserve), a registered investment company, and/or filed with the Commission, respondents did not specifically disclose problems concerning computer and telephone malfunctions affecting the ability of Reserve to consistently make same-day payments upon redemption of its shares. In their offer, respondents made various undertakings, including an undertaking to provide equipment and/or services to Reserve, and consented to an order suspending them from association with an investment adviser or investment company for a period of twelve months if, prior to December 31, 1981, they failed or ceased to comply with their undertakings. (Rel. IC-11394)

COLLINS SECURITIES CORPORATION AND TIMOTHY COLLINS CITED

The Commission has entered an order accepting an offer of settlement in an administrative proceeding involving Collins Securities Corporation (CSC), a registered broker-dealer and investment adviser, and Timothy Collins, its president, formerly of Denver, Colorado, now residing in the New York City area. The Commission found that CSC and Collins wilfully violated the prohibition against trading by persons interested in a distribution of securities, and that CSC wilfully violated and Collins wilfully aided and abetted violations of the margin and the broker-dealer reporting and bookkeeping rules under the Securities Exchange Act of 1934 and the investment adviser reporting provisions under the Investment Advisers Act of 1940.

Based upon the above, the Commission suspended CSC's broker-dealer and investment adviser registrations for a period of six months and ordered that such registrations be cancelled upon the termination of such suspension periods, and suspended Collins from association with any broker, dealer, or investment adviser for a period of three months.

CSC and Collins consented to the above findings and sanctions without admitting or denying the findings. (Rel. 34-17212)

JOHN ROBERT PFUETZE DBA PFUETZE INVESTMENTS CITED

The Commission has ordered public administrative proceedings pursuant to the Investment Advisers Act of 1940 (Advisers Act) and the Securities Exchange Act of 1934 (Exchange Act), against John Robert Pfuetze, doing business as Pfuetze Investments (Registrant), an investment adviser located in Littleton, Colorado.

The Order for Proceedings alleges violations of the registration and antifraud provisions of the Securities Act of 1933 (Securities Act) and the Exchange Act; violations of certain recordkeeping and filing provisions of the Advisers Act; and of certain antifraud provisions of the Advisers Act in that, among other things, Registrant: (1) offered, sold, and delivered unregistered securities of at least seven issuers which had been contemporaneously purchased by Registrant from issuers; (2) acted as a broker-dealer without being registered as such; (3) failed to disclose conflicts of interest; (4) used false advertisements in soliciting clients; (5) failed to have clients' funds and securities in his possession verified by an independent public accountant; (6) made material misstatements and omissions in connection with a registration application required to be filed with the Commission; and (7) failed to maintain required books and records.

A hearing will be scheduled to take evidence on the staff's allegations and to afford Registrant an opportunity to offer any defenses thereto. The purpose of the hearing is to determine whether the allegations are true and whether any remedial action should be ordered by the Commission. (Rel. IA-734)

CIVIL PROCEEDINGS

PARTIAL SUMMARY JUDGMENT GRANTED TO COMMISSION IN TEXAS INTERNATIONAL CASE

The Chicago Regional Office announced that on September 30 the Honorable Prentice H. Marshall, U.S. District Court Judge for the Northern District of Illinois, Eastern Division, granted the Commission's motion for summary judgment and ruled that Texas International Company (TI) engaged in a tender offer in violation of the filing requirements of the Silliams Act when it offered to purchase claims of certain creditors in the reorganization of King Resources Company (KRC) now known as Phoenix Resources Company. The Commission's complaint and motion for summary judgment were based upon an offer made by TI in December, 1977, to members of a plaintiff class involved in litigation against KRC. The claims for which TI tendered were the result of a settlement between KRC's trustee and former KRC shareholders and debenture holders who had sued KRC for violation of the antifraud provisions in the sale of the securities. Pursuant to the plan of reorganization, these claims were exchangeable for shares of newly created classes of KRC common stock. Since the claims had for their original basis the ownership of KRC securities, which were registered with the Commission, coupled with facts that the new KRC stock would be registered with the Commission after its issuance and that TI would own over 5% of the total claims after its solicitation, the Court held that TI's solicitation was a tender offer of the type required to be in compliance with the Williams Act, including its filing provisions.

The Court granted TI's motion for summary judgment as to atl but one of the Commission's fraud allegations and on the issue of scienter. The Court denied the Commission's motion for a preliminary and permanent injunction as well as the Commission's prayer for an order of rescission. A status hearing will be held on November 14, 1980. (SEC v. Texas International Company, U.S.D.C., N.D. Ill., Civil Action No. 78-C-847). (LR-9209)

CITIZENS AND SOUTHERN NATIONAL BANK ENJOINED

The Commission announced on October 21 the filing of a complaint in the U.S. District Court for the Northern District of Georgia against the Citizens and Southern National Bank (C&S), a national bank located in Atlanta, Georgia. The Commission also announced that, pursuant to the consent of C&S, in which it neither admitted nor denied the allegations of the complaint, the Court entered a Judgment of Permanent Injunction against C&S, enjoining it from future violations of Rule 10b-5(2) under the Securities Exchange Act of 1934. Rule 10b-5(2) prohibits the making of any untrue statement of a material fact or any omission to state a material fact in filings with the Commission.

In addition to the entry of the Judgment of Permanent Injunction, certain other equitable relief was ordered by the Court, upon an undertaking by C&S, relating to procedures governing approval of future acquisitions of correspondent associate banks and to procedures for review of certain transactions between C&S and its officers, directors and employees. C&S also agreed to disclose the material circumstances surrounding the development of the relationship with the correspondent associate banks, and the circumstances surrounding C&S's acquisition of six Atlanta-area correspondent associate banks in 1975. (SEC v. The Citizens and Southern National Bank, D.N.G., Civil Action No. 80-1821A). (LR-9212)

The Washington Regional Office announced that on October 2 the U.S. Court of Appeals for the Fourth Circuit affirmed the convictions of Cortes W. Randell of McLean, Virginia and John B. Mumford of Fairfix, Virginia on 17 federal felony counts, namely, five counts of securities fraud, seven of mail fraud, four of interstate transportation of monies obtained by fraud, and one of making a false statement to the Veterans Administration. The defendants were convicted on January 17, 1979 after a six-day jury trial in the Federal District Court for the Eastern District of Virginia, Alexandria Division. Randell was sentenced to seven years imprisonment and five years probation. Mumford was sentenced to three years imprisonment with all but six months of the term suspended, and to five years probation.

On December 30, 1977, Randell was enjoined by consent from future violations of the antifraud and registration provisions of the securities laws in connection with his association with National Commercial Credit Corporation and Federal Mortgage Acceptance Corporation. In the same case, the District Court dismissed the Commission's complaint against Mumford. [SEC v. Randall, et al., E.D. Va., Civil Action No. 77-872-A]. The dismissal was affirmed by the Fourth Circuit on February 22, 1980. [SEC v. Mumford, No. 78-1386). (U.S. v. John B. Mumford, No. 79-5087; U.S. v. Cortes W. Randell, No. 79-5088, 4th Cir. JAMES W. HARRIS, OTHERS ENJOINED

The Commission announced the filing of a complaint on October 22 in the U.S. District Court for the Southern District of New York seeking to enjoin James W. Harris, Stephen J. Klemen, Jr., and Jeffrey Silverman from further violations of the antifraud provisions of the securities laws. The complaint alleged that the defendants and one other formed a partnership called Sheridan Associates in late 1978 to trade U.S. government and U.S. government guaranteed securities. Thereafter, the defendants distributed a misleading financial statement of Sheridan to induce others to engage in transaction with Sheridan. In addition, Klemen and Silverman caused Sheridan to make payments in the form of loans to Klemen which were taken from margin deposits. Furthermore, Harris traded in nominee accounts with Sheridan without sufficient assets to pay for the securities purchased. Sheridan is being liquidated by a trustee in bankruptcy, and Klemen and Harris have not repaid the funds taken from Sheridan.

Simultaneously with the filing of the complaint the defendants consented to the entry of a final judgment of permanent injunction without admitting or denying the allegations contained in the complaint. They also undertook for one year not to engage in the business of trading U.S. government or U.S. gonverment guaranteed securities. Harris also undertook not to apply for association with a broker or dealer registered with the Commission for one year. (SEC v. James W. Harris, et al., S.D.N.Y., 80 Civil 5992). (LR-9217)

CRIMINAL PROCEEDINGS

GERALD GREENSPAN SENTENCED

The New York Regional Office announced that on October 14 the Honorable Edward Weinfeld of the U.S. District Court for the Southern District of New York, sentenced Gerald Greenspan of Brooklyn, New York, to a two-year prison term, following his conviction for criminal contempt of three prior orders of permanent injunction issued against him by the federal court in the Southern District of New York.

Greenspan was found guilty on August 28, 1980, following a six day jury trial, for disobeying three prior injunctions which enjoined him from violating the antifraud provisions of the securities laws and also placed certain restrictions on his securities trading activities.

Greenspan violated the orders by engaging in a scheme, between November 27, 1979 and May 31, 1980, which involved the purchase of securities through 11 brokerage firms, without intending to pay for such securities. In furtherance of his fraudulent scheme Greenspan issued checks to brokerage firms which were drawn on accounts with insufficient funds or were otherwise returned unpaid. Greenspan also failed to comply with three specific directives contained in one of the injunctive decrees. (USA ex rel. SEC v. Gerald Greenspan, 80 Cr. Misc. #1 [Page 35] S.D.N.Y. [EW]). (LR-9211)

RULES AND RELATED MATTERS

9237

ADOPTION OF INTERIM RULES UNDER THE TRUST INDENTURE ACT OF 1939

The Commission announced that it is adopting, on an interim basis, rules under Section 304(a)(8) and 304(a)(9) of the Trust Indenture Act of 1939 to establish ceiling limitations on the amount of debt securities that can be partially or totally exempt from that Act at $2 million and $5 million respectively. The rules, adopted October 23, 1980, are in response to recent legislative amendments, the substance of which was submitted to Congress by the Commission. The effective date of the interim rules is October 23, 1980. The Commission is also soliciting public comment on whether, and in what form, the interim rules should be adopted as final rules.

Comments on the interim rules should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549 on or before November 30, 1980 and should refer to File No. S7-859. All comments will be available for public inspection. (Rel. 33-6249)

FIXED DOLLAR LIMITATION ON AMOUNT OF SECURITIES SOLD PURSUANT TO EXEMPTION

The Commission announced that it was amending Rule 242 promulgated under Section 3(b) of the Securities Act of 1933, to specify a fixed dollar limitation on the amount of securities that can be sold thereunder, rather than the Rule's prior reference to the Section 3(b) ceiling amount. Rule 242 provides an exemption from registration for sales of securities to an unlimited number of "accredited investors" as defined in the Rule, and to 35 additional purchasers. The amendment maintains the present limit of $2 million, less the aggregate proceeds from all securities sold pursuant to any Section 3(b) exemption in the six month period prior to the offering, on the aggregate offering price of an issue of securities that can be sold in reliance on the Rule. This amendment is necessitated by recent legislative changes to Section 3(b). The effective date of the amendment is October 23, 1980. (Rel. 33-6250)

REPORT OF SALES OF SECURITIES AND USE OF PROCEEDS THEREFROM

The Commission has authorized the publication of a release proposing for comment amendments to Rule 463 and related Form SR under the Securities Act of 1933. The proposals, if adopted, would extend the requirement to file Form SR (Report of Sales of Securities and Use of Proceeds Therefrom) to issuers of securities which will be sold by a direct distribution or by a best efforts underwriting and would reduce the number of reports which must be filed regarding a given offering. The proposals would also change Form SR to a standardized short-answer format, requiring issuers to provide additional identifying information and a more detailed accounting of offering expenses and the use of proceeds.

All comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before December 5, 1980 and should refer to File S7-860. All comments will be available for public inspection. (Rel. 33-6251)

ADMINISTRATIVE PROCEEDINGS

ADMINISTRATIVE PROCEEDINGS INSTITUTED AGAINST JEROME E. ROSEN AND SAUL RING

The Commission announced that it has instituted public administrative proceedings against Jerome E. Rosen and Saul Ring, who are registered representatives of broker-dealers registered with the Commission. In the Order instituting proceedings, Ring and Rosen are charged with violating the registration provisions of the Securities Act of 1933 in that they participated in an unlawful distribution of unregistered Westamerica Automotive Corporation common stock during 1976 and 1977.

Simultaneously with the issuance of the Order instituting proceeding, the respondents submitted Offers of Settlement in which they consented to the issuance of the Commission's findings of willful violations without admitting or denying any of the allegations or findings and consented to the imposition of sanctions. The Commission further ordered that Rosen and Ring be suspended from association with any broker or dealer for a period of 14 calendar days and that thereafter Ring be suspended for an additional seven calendar days from serving in any supervisory capacity. It was further ordered that Rosen and Ring prepare and adopt compliance procedures designed to assure that they comply with the basic standards of conduct required of registered broker-dealers in connection with sales of unregistered securities, with such compliance procedures to include procedures that they be supervised by a qualified supervisory person for a period of two years.

In a related matter, the Commission filed a civil injunctive action in the U.S. District Court for the Central District of California seeking a permanent injunction against Ring, Rosen, and 13 others. Simultaneously with the filing of that action, Ring and Rosen, without admitting or denying the allegation of the complaint, consented to the entry of permanent injunction enjoining them from further violation of the registration provisions. (See LR-9214) (Rel. 34-17221)

CIVIL PROCEEDINGS

DIAGNOSTIC DATA INC. ENJOINED

The Commission announced on October 21 the filing of a complaint in the U.S. District Court for the District of Columbia against Diagnostic Data Inc. (DDI) alleging violations of Section 14(a) of the Securities Exchange Act of 1934 and Rule 14a-9 thereunder. DDI simultaneously consented to the entry of a Final Judgment of Permanent Injunction and other equitable relief restraining and enjoining DDI from violations of the proxy rules.

The Commission's complaint alleges that DDI, in connection with the solicitation of proxies by its Board of Directors, made certain materially false and misleading statements regarding an agreement-in-principle it had entered into to license the company's principle product, a drug used in the treatment of arthritis, in the United States. In a letter to shareholders, DDI stated that the value of the agreement was worth $5 million over the next two years when in fact it contained provisions totaling only $2.5 million, much of which was contingent upon FDA approval of the drug. The letter further stated that the agreement-in-principle provided for a 10% royalty to DDI, specified minimum purchase quantities and for the exclusive purchase of all of the drug from DDI, when in fact the agreement-in-principle did not contain any of these provisions.

In addition to the entry of the Final Judgment of Permanent Injunction against DDI, the Court ordered DDI to comply with certain undertakings. DDI adjourned its Annual Meeting of Shareholders on October 3, 1980, and agreed to treat as if null and void any proxies solicited on behalf of the Board of Directors and tendered before the date of the Court's order. DDI agreed not to convene its Annual Meeting or any other meeting or vote of shareholders without first resoliciting proxies from its shareholders, agreed to reimburse the dissidents for all expenses of such resolicitation up to $50,000, and to notify its shareholders of the Commission's action and the facts underlying it. DDI also undertook to adopt, implement and maintain procedures designed to assure compliance with the Commission's proxy rules. (SEC v. Diagnostic Data Inc., U.S.D.C. D.C., Civil Action No. 80-2693). (LR-9206)

COMPLAINT NAMES JEROLD ZUKOR, OTHERS

The Los Angeles Regional Office announced that on October 22 a complaint was filed in the U.S. District Court for the Central District of California against Jerold Zukor, Arnold Poliskin, Murray Zukor, H. George Pollack, Ralph R. Frank, James M. Morse, Arthur Levine, Saul Ring, Jerome E. Rosen, Angela Deane, Ernest Braunstein, William P. Malpezzi, Steven Edmondson, Trio Enterprises, Inc. and Pure-Flow, Inc.

The complaint charges that Jerold Zukor, Poliskin, Murray Zukor, Pollack and Trio violated the registration and antifraud provisions of the securities laws while engaged in a scheme to resurrect Westamerica Automotive Corporation, a public shell corporation, by acquiring control of that company, infusing into the shell some of the assets and operations of Trio, and then causing activity to be generated in the over-the-counter market in Westamerica stock using false and misleading information and manipulative transactions and, after attaining increased market activity thereby, beginning to sell shares of Westamerica held in nominee accounts. The complaint alleges that in connection therewith, Malpezzi, Edmondson, Braunstein, Morse, Levine and Pure-Flow violated the antifraud provisions, and Frank, Ring, Rosen and Deane violated the registration provisions.

Simultaneously with the filing of the Commission's complaint, Jerold Zukor, Murray, Trio, Malpezzi, Edmondson, Ring, Rosen and Frank each consented, without admitting or denying any allegations of the complaint, to the entry of final judgments of permanent injunction, and Frank, an attorney, agreed not to practice before the Commission for a period of two years. (SEC v. Jerold Zukor, et al., U.S.D.C. C.D. Cal., Civil Action No. 80-4663-AWT[GX]). (LR-9214) (See 34-17221)

COMMISSION ANNOUNCEMENTS

WEEKLY CALENDAR

The following is a schedule of speaking engagements, Congressional testimony, Commission hearings and other public events involving the Commission for the week of November 2, 1980. (Commission Meetings are announced separately in the News Digest)

Monday, November 3

- Chairman Williams will be the luncheon speaker at the New York State Society of Certified Public Accounts' SEC Accounting Conference and Annual Meeting to be held in New York City at the Barbizon Plaza Hotel. His speech will be entitled "Accounting and Financial Reporting -- The Challenges in the 1980's."

ADMINISTRATIVE PROCEEDINGS

FINANCIAL PRINCIPLES CO., INC., OTHERS CITED

Public administrative proceedings have been ordered pursuant to the Securities Exchange Act of 1934 (Exchange Act) and the Investment Advisers Act of 1940, against Financial Principles Co., Inc. (FPCI), a registered investment adviser located in Dallas, Texas, and Melvin Ray Hassell (M. Hassell) and Danny Ray Hassell (D. Hassell), president and vice president of FPCI, respectively, also of Dallas. Simultaneous with the institution of the proceedings, the Commission approved a Joint Offer of Settlement submitted by FPCI and the Hassells in which they consented to the findings and sanctions described below, without admitting or denying the Commission's allegations, and entered into certain voluntary undertakings.

The Commission found that FPCI and the Hassells had wilfully violated, and had wilfully aided and abetted each other in violating, the Exchange Act in that they had engaged in the regular business of effecting transactions in securities for the accounts of others without being registered with the Commission as broker-dealers. Based upon this activity, the Commission censured FPCI and the Hassells.

In addition, FPCI and the Hassells consented voluntarily to undertake to register FPCI with the Commission as a broker-dealer, or to insure that all transactions in securities effected by the Hassells for the accounts of others be properly reflected on the books and records of a registered broker-dealer which is a member of the NASD, unless prior to making any offers or sales, the Hassells obtain a written opinion of counsel that the investment vehicle is not a security. (Rel. 34-17229)

CIVIL PROCEEDINGS

CANTOR FITZGERALD AGENCY CORP., OTHERS ENJOINED AND RICHARD E. MEARS NAMED DEFENDANT

The Commission announced the filing of a complaint on October 29 in the U.S. District Court for the Southern District of New York seeking to enjoin Cantor Fitzgerald Agency Corp. (Agency), an unregistered broker-dealer and certain present and/or former officers and directors, namely Clarence G. Tharp, Paul Lanza, Richard E. Mears, George DeQuattro, John P. Terranova and Vincent Baratta, from further violations and aiding and abetting of violations of certain of the antifraud provisions of the securities laws.

The Commission's complaint alleges that Tharp, Lanza, Mears and Baratta caused Agency to enter into numerous adjusted trades with savings and loan associations and at least one credit union whose purpose was to defer losses on securities transactions in the hope that a rise in the market for such securities would reduce or eliminate such losses. The Commission alleges that in such transactions Agency typically purchased from and sold to customers at above market prices U.S. Government guaranteed securities, including Government National Mortgage Association and Federal Home Loan Mortgage Corporation securities. The Commission alleges that Tharp, Lanza, Mears, DeQuattro, Terranova and Baratta caused Agency to falsely confirm such transactions and failed to cause Agency to make accurate and complete disclosures of such transactions.

The Commission also alleges that Terranova, Mears and DeQuattro, as control persons of Agency, were responsible for the conduct of its business, and that they acted in reckless disregard of their duty to assure that the alleged violations of law by Agency did not occur.

Simultaneously with the filing of the complaint, Agency, Terranova, Tharp, Lanza, DeQuattro and Baratta consented to the entry of a final judgment of permanent injunction, without admitting or denying the allegations contained in the complaint. Mears remains a defendant in the Commission action.

Agency also has consented to pay to the Clerk of the Court in cash all monies, if any, in excess of the amount paid for its issued and outstanding stock, as reflected in its books of account, after liquidation of its present commitments and payment of, or making provision for payment of, all indebtedness justly owed by Agency, including subordinated indebtedness. Agency has also agreed that such monies, if any, shall be distributed pursuant to a plan of distribution to be submitted to and approved by the Commission staff, and that Agency shall make full and complete accounting to the Commission staff when the staff deems it appropriate. (SEC v. Cantor Fitzgerald Agency Corp., et al., 80 Civil 6137, S.D.N.Y. 1980). (LR-9220)

RULES AND RELATED MATTERS

PROPOSAL TO AMEND RULE 45

The Commission is publishing for comment a proposal to amend Rule 45 under the Public Utility Holding Company Act of 1935, which rule concerns, among other things, the allocation of federal income tax liabilities among associate companies of a holding company system. The proposed amendment would eliminate the need to file a declaration for an order under Rule 45(a) seeking an exception from the provisions of Rule 45(b)(6) concerning the allocation of losses of a subsidiary in consolidated federal income tax returns. Letters of comments concerning the proposed amendment should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before December 31, and should refer to File No. S7-862. All letters will be available for public inspection. (Rel. 35-21767)

ADOPTION OF RULE 17j-1

The Commission announced that it is adopting Rule 17j-1 under the Investment Company Act of 1940 to provide guidance to investment companies as to the minimum standards of conduct appropriate for persons who have access to information regarding the purchase and sale of portfolio securities for investment companies. The rule prohibits certain activities on the part of persons affiliated with registered investment companies or their investment advisers or principal underwriters. This portion of the rule becomes effective immediately. In addition, the rule requires such entities to establish codes of ethics and provides for certain reporting requirements. These provisions of the rule will become effective on May 1, 1981. (Rel. IC-11421)

CIVIL PROCEEDINGS

DANIEL H. O'CONNELL AND ARTHUR D. TANNER CHARGED WITH INSIDER TRADING VIOLATIONS

The Commission announced on October 30 that the U.S. District Court for the Southern District of New York permanently enjoined Daniel H. O'Connell and Arthur D. Tanner from violations of the antifraud provisions of the Securities Exchange Act of 1934. The Court also ordered certain other equitable relief. O'Connell, a practicing attorney, and Tanner, a businessman, reside in Tucson, Arizona. O'Connell and Tanner consented to the entry of Final Judgments of Permanent Injunction without admitting or denying the allegations in the complaint.

The Commission's complaint alleged that O'Connell and Tanner learned from a director of Catalina Savings and Loan Association on August 14, 1980 that Catalina's Board of Directors had voted unanimously to recommend that Catalina's shareholders accept a tender offer for all of the outstanding shares of Catalina common stock. The complaint charged that O'Connell and Tanner traded in the common stock of Catalina while in possession of material, non-public information without disclosing such information.

In addition to the entry of injunctive relief against O'Connell and Tanner, certain other equitable relief was undertaken by O'Connell and Tanner and ordered by the Court. In connection therewith, O'Connell and Tanner agreed to disgorge profits of $17,800 and $32,375, respectively, which were derived from the purchase of Catalina common stock. (SEC v. Daniel H. O'Connell and Arthur D. Tanner, U.S.D.C. S.D.N.Y., Civil Action No. 80-6183). (LR-9222)

COMMISSION ANNOUNCEMENTS

$20 MILLION IN SECURITIES IDENTIFIED IN SIX MONTHS THROUGH LOST AND STOLEN SECURITIES PROGRAMS

Some 546 lost, stolen or counterfeit securities certificates, valued at close to $20 million, were identified and traced through the Commission's Lost and Stolen Securities Program during the first half of 1980, according to statistics made public today. That represents nearly a three-fold increase over the value of the 1,157 certificates identified through the program during all of 1979.

Under the program, more than 17,000 participating banks, securities industry organizations and non-bank transfer agents are required to check securities they receive against a computerized file of lost, stolen, or counterfeit certificates. During the first six months of 1980, participating institutions reported as lost, counterfeit or stolen 136,452 certificates valued by the reporting institutions at more than $542 million. Those institutions also reported the recovery of more than 35,000 certificates valued by the reporting institutions at nearly $102 million. On June 30, 1980, the value of securities contained in the Program's data base passed $3 billion, an increase of nearly $441 million over the previous year.

CIVIL PROCEEDINGS

UNION PETROCHEMICAL CORP. OF NEVADA, INC., OTHERS ENJOINED

The Fort Worth Regional Office announced that on October 9 the Honorable Eldon Mahon of the U.S. District Court for the Northern District of Texas, Wichita Falls Division, entered an order permanently enjoining Union Petrochemical Corp. of Nevada, Inc., Thomas R. Kelly and Jerry Pinkston, all of Wichita Falls, Texas, from further violations of the registration and antifraud provisions of the securities laws. Union Petrochemical, Kelly and Pinkston consented to the entry of the Order of Permanent Injunction without admitting or denying the allegations of the complaint.

The Commission's complaint specifically alleged that the defendants engaged in the offer and sale of unregistered securities, namely, the common stock of Union Petrochemical, to investors throughout the United States. The complaint further alleged that in connection with the offer and sale of these securities, the defendants made material misrepresentations and omitted to state material facts, concerning, among other things: the registration of the securities of Union Petrochemical; the nature of Union Petrochemical's business and the profitability of its operations; the nature, extent and value of the assets of Union Petrochemical and its subsidiaries; the nature, extent, value, recoverability and marketability of oil from Union Petrochemical oil leases; the ownership of precious metal mines and the existence of mining operations by Union Petrochemical; the nature, extent, value, recoverability and processing of ore from Union Petrochemical mineral interests; and the existence of audited financial statements of Union Petrochemical and its subsidiary K&D. (SEC v. Union Petrochemical Corp. of Nevada, Inc., et al., N.D. Tex., Wichita Falls Division, Civil Action No. 7-8056). (LR-9223)

The complaint alleges violations of certain registration and antifraud provisions of the Securities Act of 1933 and of certain antifraud, filing and registration provisions of the Securities Exchange Act of 1934 and the rules thereunder in connection with the sale of a tax shelter program labeled "Gold for Tax Dollars." Additionally, the Commission seeks to have Rogers adjudged in civil contempt of the Court for violating the provisions of a permanent injunction entered against him in an earlier action. The permanent injunction was entered on his consent and prohibits Rogers from violating the registration and antifraud provisions of the securities laws. (SEC v. Gerald L. Rogers, et al., U.S.D.C. C.D. Cal., Civil Action No. 80-04841). (LR-9224)

ADMINISTRATIVE PROCEEDINGS

NYSE ACTION AGAINST ROBERT P. VOLPE REMANDED

The Commission has remanded to the New York Stock Exchange (NYSE) disciplinary proceedings against Robert P. Volpe, of Forest Hills, New York, a member of the Exchange.

The Commission found, as had the NYSE, that Volpe, among other things, incurred financial obligations in connection with purchases of securities for his own account that he could not meet, delayed notifying the member firm which carried his margin account of such purchases, and caused that firm to extend him unlawful credit.

The Commission, however, set aside certain other findings of violation made by the Exchange, and concluded that the Exchange had improperly failed to consider evidence proffered by Volpe relating to another of the Exchange's findings of violation. It accordingly determined to remand the proceedings so that the Exchange could consider the evidence in question, and reassess the sanction imposed on Volpe in light of that consideration and the findings of violation set aside by the Commission. (Rel. 34-17243)

INSTITUTION AND SETTLEMENT OF ADMINISTRATIVE PROCEEDINGS AGAINST D. H. BLAIR & CO., INC. AND OTHERS

Pursuant to Offers of Settlement submitted by D.H. Blair & Co., Inc., (Blair), a registered broker-dealer located in New York, J. Morton Davis (Davis), its president, and Charles M. Spanakos (Spanakos), a registered representative and compliance assistant at Blair, the Commission has entered an Order Instituting Proceedings and Imposing Remedial Sanctions. The Order provides for: (a) a censure of Blair; (b) limitations on the activities of Davis and Spanakos to prohibit them for a period of 15 days from engaging in transactions in any securities for retail customers excepting new offerings registered with the Commission; (c) the retention by Blair of a person or firm to conduct a study of Blair's compliance procedures with respect to all aspects of handling of retail accounts, including margin, accounts and receipt of securities, and to report recommendations thereon, with such recommendations to be adopted by Blair and attested to by affidavit of Blair.

The Commission's Order was based upon findings that from in or about May 1979 to August 1979, Blair, Davis and Spanakos wilfully aided and abetted violations of Sections 5(a), 5(c) and 17(a)(2) and (3) of the Securities Act of 1933 and that Blair and Davis failed reasonably to supervise a person subject to their supervision resulting in such wilful violations, in connection with the receipt from certain customers of restricted and unregistered shares of common stock of Covington Brothers Technologies and delivery of a portion of such shares, pursuant to the instructions of such customers, to other broker-dealers without disclosing the source and nature of such shares. The respondents consented to the above findings and sanctions without admitting or denying the allegations in the Commission's Order. (Rel. 34-17252)

The defendants consented to the entry of the Final Judgments of Permanent Injunction without admitting or denying the allegations in the complaint. (SEC v. Charles W. Peterse and Joseph F.X. CIVIL PROCEEDINGS

COMPLAINT NAMES ROBERT M. ADLER

The Commission announced on November 5 that it initiated an injunctive action against Robert M. Adler of Washington, D.C., by the filing of a complaint charging Adler with violations of the registration and antifraud provisions of the Securities Act of 1933 and seeking injunctive and certain other equitable relief. In its complaint, the Commission alleged, among other things, that Adler, an attorney, prepared false and misleading tax opinions in connection with the offer and sale of unregistered interests in limited partnerships.

On the same day of the filing of the Commission's complaint, the Commission's action was settled by consent to the entry by the Honorable June L. Green of a Final Judgment of Permanent Injunction enjoining Adler from violation of the registration and antifraud provisions of the Securities Act. The Final Judgment also prohibits Adler from disseminating his tax opinions rendered in connection with the offer or sale of securities described in the Commission's complaint and requires him to inform persons who inquire about such opinions that these opinions can no longer be relied upon. In addition, the Final Judgment prohibits Adler from practicing before the Commission or rendering tax or securities opinions or advice in connection with any offerings of securities to ten or more persons or any offerings of securities in tax shelters; however, the Final Judgment provides that after five years, upon an application to the Court and a proper showing, Adler may seek relief from the provisions barring him from practicing before the Commission or rendering tax or securities advice in connection with securities offerings. (SEC v. Robert M. Adler, U.S.D.C. D.C., Civil Action No. 80-2830) (LR-9229)

COMMISSION ANNOUNCEMENTS

WEEKLY CALENDAR OF EVENTS - ADDITIONAL ITEMS

Oral arguments in the following two cases of interest to the Commission will be presented to the United States Supreme Court on November 12, 1980:

Rubin v. United States, No. 79-1013 - This case involves the question whether a pledge of stock as collateral for a loan constituted a "sale" of a security within the scope of Section 2(3) of the Securities Act of 1933, and thus was subject to the antifraud provision of that Act, Section 17(a). The Court of Appeals for the Second Circuit affirmed the petitioner's criminal conviction for conspiring to engage in securities fraud, holding that a pledge of securities is such a "sale."

Firestone Tire & Rubber Co. v. Risjord, No. 79-1420 - The Firestone case involves the question whether an order denying a motion to disqualify opposing counsel in a civil case between private parties is appealable as an interlocutory order under 28 U.S.C. 1291 or must await the conclusion of the trial. The identical case has been raised in a petition for certiorari filed in Armstrong v. McAlpin, Fed. Sec. L. Rep. (CCH) ¶ 97,542 (2d Cir. June, 1980, en banc), pet. for cert. filed September 18, 1980, U.S. No. 80-431.

A third case, Steadman v. SEC, No. 79-1266, is scheduled for oral argument during the first two weeks of December. This case involves the question whether the Commission must establish proof by clear and convincing evidence or merely by a preponderance of evidence in an administrative proceeding, as the Court of Appeals for the Fifth Circuit held.

The Commission, pursuant to requests under the Freedom of Information Act (FOIA), has made available to the public certain previously non-public files in its possession relating to questionable corporate payments. COMMISSION DELEGATES AUTHORITY TO DIRECTOR OF OFFICE OF OPINIONS AND REVIEW

The Commission has delegated to the Director of the Office of Opinions and Review the authority to rule on motions to stay final Commission orders in disciplinary proceedings pending appeal to the federal courts; motions to stay disciplinary action taken by a self-regulatory organization pending review of that action by the Commission; and requests for oral argument in appeals from disciplinary or exclusionary action taken by self-regulatory organizations. ADMINISTRATIVE PROCEEDINGS

NORLIN G. BOYUM

The Commission announced that it has simultaneously instituted public administrative proceedings, pursuant to Rule 2(e) of the Commission's Rules of Practice, against Norlin G. Boyum, a certified public accountant of Minneapolis, Minnesota and accepted an Offer of Settlement submittee by Boyum. These proceedings were instituted in connection with Boyum's audit engagement of the financial statements of a registered broker-dealer for the fiscal year ending 1976.

In his Offer of Settlement, Boyum neither admitted nor denied the allegations made against him in the Order Instituting and Settling the Rule 2(e) Proceeding. As part of his Offer of Settlement, Boyum agreed to use his best efforts to have the accounting firm of which he is a partner undergo its peer review in 1981 in accordance with the rules governing members of the SEC Practice Section of the AICPA; to make available to the Commission staff all workpapers prepared in the course of the peer review; to submit for review by an unrelated accounting firm the audit work he performs for SEC reporting clients; and to comply with the established general quality control of his firm. CIVIL PROCEEDINGS

T.R.O. REQUESTED TO RESTRAIN FURTHER ANTIFRAUD VIOLATIONS IN CONNECTION WITH NEW S-18 ISSUE OF CARRIBA AIR, INC., OTHERS

The Atlanta Regional Office announced the filing of a complaint on November 5 in Federal Court in Atlanta against Carriba Air, Inc., a Colorado corporation with its principal place of business in Isle Verde, Puerto Rico; Marvin Winograde of Napa, California, a director and vice-president of Carriba; Gertrude Pollard, a director and secretary-treasurer of Carriba; Richard Williams, a consultant employed by Carriba, and Frederick H. Rehm, III, president of Carriba. Ms. Pollard and Messrs. Williams and Rehm are residents of Puerto Rico. The Commission's complaint requests a temporary restraining order, preliminary and permanent injunctions against the defendants, and further requests the Court to impose a constructive trust over the proceeds of the recently concluded offer and sale of 12,000,000 shares of Carriba common stock. The complaint alleges that the defendants violated the antifraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934 by selling common stock of Carriba to the general public pursuant to an S-18 registration statement and related prospectus in which the defendants made untrue statements of material facts and omitted to disclose material facts to Carriba's investors.

Upon the filing of the Commission's complaint, District Judge Robert Hall took the matter of a temporary restraining order, requiring the defendants to comply with the provisions of the securities laws and to refrain from wasting the proceeds of the Carriba stock offering, under advisement, based on the representation by Carriba's counsel that the proceeds of the offering would be returned to the purchasers, and indicated that further proceedings will continue in Atlanta on November 10, 1980. (SEC v. Carriba Air, Inc., et al., N.D. Ga., Civil Action No. C80-1918A). (LR-9230)

ADOPTION OF INTERIM NOTICE-OF-SALES FORM FOR TRANSACTIONS

The Commission has adopted, on an interim basis, a notice-of-sales form to be used by issuers that sell their securities in reliance upon new Section 4(6) of the Securities Act of 1933. Section 4(6) provides an exemption from registration under the Securities Act for offers and sales of securities by any issuer solely to one or more "accredited investors" if the aggregate offering price does not exceed the amount allowed under Section 3(b) of that Act. The exemption requires the issuer to file a notice of such sales with the Commission on such forms as the Commission shall prescribe. The interim form is in response to the legislative amendments included in the Small Business Investment Incentive Act of 1980. The Commission is also soliciting public comment on whether the interim form should be adopted as the final form.

Comments on the interim form should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549 on or before December 31, 1980 and should refer to File No. S7-863. All comments will be available for public inspection. (Rel. 33-6256)

TRADING SUSPENSIONS

TRADING SUSPENDED IN INDY RACEWAYS, INC.

The Commission announced the temporary suspension of over-the-counter trading in the securities of Indy Raceways, Inc., a Delaware corporation located in Pompano Beach, Florida, for the ten-day period beginning on November 13 and terminating at midnight (EST) on November 22, 1980. The Commission suspended trading at the request of the corporation and because of recent unusual and unexplained market activity during October 1980 when the price of Indy's stock increased from $.10 per share to at least $1.25 per share.

If any broker-dealer or other person has any information which may relate to this matter, the Division of Enforcement of the Commission should be telephoned at (212) 264-1690. (Rel. 34-17292)

CIVIL PROCEEDINGS

COMPLAINT NAMES MONTEREY SECURITIES CORPORATION AND PATRICK LEROY MCDONALD

The San Francisco Branch Office announced that on October 24 the Commission filed a civil injunctive action in the U.S. District Court for the Northern District of California against Monterey Securities Corporation, a San Francisco based broker-dealer registered with the Commission, and Patrick Leroy McDonald, its president and sole shareholder, alleging that the defendants violated the net capital, protection of customer funds and securities, bookkeeping, and antifraud provisions of the securities laws and that McDonald made false and misleading statements in a beneficial ownership report he filed with the Commission. The complaint seeks a permanent injunction prohibiting future violations. Simultaneously with the filing of the complaint, the Securities Investor Protection Corporation filed an application, to which the Commission consented, to intervene in the action and to be appointed trustee for liquidation of the business of Monterey. (SEC v. Monterey Securities Corporation and Patrick Leroy McDonald, N.D. Cal., Civil Action No. C-80-4024). (LR-9233)

CRIMINAL PROCEEDINGS

JAMES E. CORR, III PLEADS GUILTY

The Commission announced that on November 12 James E. Corr, III of St. Petersburg Beach, Florida, pleaded guilty before Judge Aubrey E. Robinson, Jr. in the U.S. District Court for the District of Columbia to one count of an information charging him with having violated the antifraud provisions of the Securities Exchange Act of 1934. Judge Robinson set sentencing for January 8, 1981.

The guilty plea and the information were the outgrowth of an investigation by a grand jury that began in July, 1980 to determine whether Corr and his wife, Neica L. Corr, as a result of their trading activity in the securities of CHB Foods, Inc. were in criminal contempt of a "Final Judgment of Permanent Injunction and other Relief" which had previously been entered against them by the U.S. District Court for the District of Columbia. (U.S. v. James E. Corr, III, et al., D.D.C., 80 Crim. D.C. 503). (LR-9234) [See Rel. 34-17180, 34-17181 & 34-17182]

MISCELLANEOUS

ORDERS GRANTING EXEMPTIONS PURSUANT TO SECTION 12(h)

Orders have been issued granting the applications of P.E.C. Electronics Corporation and R.E.I. Liquidating Corporation, formerly Rodale Electronics, Inc., for orders exempting them from filing reports on Forms 10-Q and 10-K pursuant to the provisions of Section 13 of the Securities Exchange Act of 1934. P.E.C. and R.E.I. will continue to report significant events on Form 8-K. (Rel. 34-17294-P.E.C. and 34-17295-R.E.I.)

RULES AND RELATED MATTERS

ADOPTION OF TECHNICAL AMENDMENTS AND AMENDMENTS TO RULE 30-1

The Commission announced the adoption of technical amendments to rules, forms and schedules under the Securities Act of 1933 and the Securities Exchange Act of 1934 and the adoption of amendments to Rule 30-1 (Delegation of Authority to the Director of the Division of Corporation Finance). The technical amendments correct certain outdated references, inadvertent omissions and typographical errors and clarify certain terminology and instructions; the amendments to the rule delegating authority to the Director of the Division of Corporation Finance reconcile the provisions of that rule to the provisions of recently revised Rule 12b-25. These amendments will become effective upon publication in the Federal Register. (Rel. 33-6260)

COMMISSION ANNOUNCEMENTS

CHANGES IN REVIEW PROCEDURES IN THE DIVISION OF CORPORATION FINANCE

Beginning the week of November 17, 1980, the Division of Corporation Finance will implement new processing procedures with respect to filings made under the Securities Act of 1933 and the Securities Exchange Act of 1934, it was announced today. As a result, Release No. 33-5231 will no longer be in effect. Under the new procedures, certain 1933 Act registration statements may not be reviewed, in which cases requests for acceleration of effectiveness will be treated as confirmation by participants in the offering of their awareness of their statutory obligations under the federal securities laws.

The Division also announced that an issuer whose preliminary proxy statement or information statement has been on file for the required ten days may mail such materials without awaiting any notice or comments from the staff. If the staff has or will have comments on a preliminary proxy statement or information statement, the staff will advise the issuer as soon as the staff determines that it may have comments, but in any event prior to the tenth day. If an issuer has not been so advised by the staff in the ten days after filing a preliminary proxy statement or information statement the issuer may proceed without comments thereon. Therefore, it will no longer be necessary to advise issuers or respond to issuer inquiries concerning the review status of a preliminary proxy statement or information statement, and the staff will discontinue the practice. Clerical assistance in the appropriate branch will be prepared, however, to answer inquiries as to the date of receipt. The Division also advised that, except in cases of opposing solicitations, it no longer will exercise its delegated authority to grant requests for acceleration of the ten day filing period under Rule 14a-6(a) or Rule 14c-5(a).

CIVIL PROCEEDINGS

EDWARD H. HELLER CONSENTS TO FINAL JUDGMENTS AND APPOINTMENT OF SPECIAL AGENT

The Commission announced that on November 10 Judge June Green of the U.S. District Court for the District of Columbia entered a Final Judgment against Edward H. Heller, Capital Management International, Inc., American Flowerland, Inc., Florida Flowerland, Inc., Agri-Business Management Inc., and Flowerland International, Inc., permanently enjoining them from violation of the registration and antifraud provisions of the Securities Act of 1933 and the antifraud provisions of the Securities Exchange Act of 1934. The Final Judgment was entered with the consent of such defendants without admitting or denying the allegations in the Commission's complaint. By the Final Judgment, Judge Green appointed Robert A. Baker as Special Agent to take control of and manage the operations of the five corporate defendants mentioned above. The Commission had alleged in its complaint filed on October 14, 1980, that Heller had controlled such defendants and that such companies were instrumental in the perpetration of the fraud described in the complaint. The Final Judgment permanently bars Heller from acting as or being associated with a broker, dealer, or investment adviser who is registered or required to be registered with the Commission. In addition, the Final Judgment requires that Heller give the Commission 20 days notice before participating in any offer or sale of securities in tax shelters to which the securities laws would apply.

On November 7, 1980, Heller filed with the Court, pursuant to the Court's order of October 15, 1980, an affidavit setting forth Heller's financial condition. That affidavit indicates Heller's liabilities substantially exceed his assets. The Final Judgment requires Heller to submit to a deposition by the attorneys for the Commission and the Special Agent at which Heller will testify concerning his assets and liabilities and the status of the operations of the above-named corporate defendants, their parents, subsidiaries, and affiliates as of the date of the entry by the Court of the Temporary Restraining Order, October 15, 1980. The Final Judgment also provides that if it is determined that Heller misrepresented his assets or liabilities or the value of such assets in his affidavit, the Commission may apply to the Court to have such assets disgorged for the benefit of the investors. (SEC v. Edward H. Heller, et al., U.S.D.C. D.C., Civil Action No. 80-2608). (LR-9231)

ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AGAINST MULLER AND COMPANY, OTHERS

The Commission has instituted public administrative proceedings against Muller and Company (Muller), a registered investment adviser with its principal place of business in New York City, Eddie A. Muller (E. Muller), a general partner of Muller, and Rudy Molho and Henry J. Kieper, respectively a former and a present Muller employee. The proceedings are based on allegations that Muller wilfully violated the antifraud sections of the Investment Advisers Act of 1940; that E. Muller, Molho and Kieper wilfully aided and abetted such violations; and that Muller, E. Muller and Molho failed reasonably to supervise the activities of Muller's employees with a view to preventing such violations. The Order for Proceedings charged that false and misleading statements were made by Respondents concerning the operation of Muller's municipal bond pricing service.

A hearing will be scheduled to take evidence on the allegations to determine whether or not such allegations are true, to afford respondents an opportunity to establish any defenses to such allegations and to determine what, if any, remedial action shall be ordered by the Commission. (Rel. IA-738)

NASD ACTION AGAINST ALBERT S. PITTS AFFIRMED

The Commission has affirmed sanctions imposed by the NASD on Albert S. Pitts of Media, Pennsylvania. The NASD censured Pitts, fined him $25,000, and suspended him for one year from association with any NASD member.

The Commission found, as had the NASD, that Pitts, the registered principal of an NASD member firm, unlawfully sold unregistered securities, and that, in connection therewith, investors were furnished with offering circulars that failed to disclose material facts concerning the compensation that was paid to Pitts for his role in selling the securities. COMPLAINT NAMES CHRIS-MOND CORPORATION AND EDMOND A. TIERNO

The Washington Regional Office announced that on November 13 a complaint was filed in the U.S. District Court for the Eastern District of Pennsylvania seeking to enjoin Chris-Mond Corporation and Edmond A. Tierno from violations of the registration and antifraud provisions of the securities laws.

The complaint alleges that Chris-Mond, a Delaware corporation located in Philadelphia, and Tierno, its chief executive officer, represented to investors that Chris-Mond would build an $850 million entertainment-hotel-casino complex in Atlantic City, New Jersey, and in connection therewith offered and sold the common, preferred and capital stock of Chris-Mond to over 30 investors raising at least $475,000 in violation of the registration requirements of the Securities Act of 1933. The allegations further are that Chris-Mond and Tierno violated the antifraud provisions of the securities laws in that the defendants failed to disclose that Chris-Mond lacked the resources, personnel and technical and professional qualifications to make the proposed project viable. The complaint also alleges that the defendants misrepresented material facts and omitted material facts concerning, among other things, the land upon which the project was to be build, the educational and employment background of Tierno, the use of investors' funds and the officers and directors of Chris-Mond.

On November 13, the Honorable Clifford Scott Green, U.S. District Judge, entered an order temporarily restraining the defendants from violating the registration and antifraud provisions of the securities laws and freezing the assets of Chris-Mond and Tierno. The Commission's Motion for An Accounting was deferred by Judge Green until the hearing on the preliminary injunction which is set for November 24. (SEC v. Chris-Mond Corporation and Edmond A. Tierno, E.D. Pa., Civil Action No. 80-4370). (LR-9235)

CIVIL PROCEEDINGS

MOTION FOR SUMMARY JUDGMENT ENTERED IN THE FUNDPACK, INC. CASE; FINAL JUDGMENT ENTERED AGAINST MORRIE SCHACTMAN

The Commission announced that on November 20 the Honorable June L. Green, U.S. District Judge for the District of Columbia, granted the Commission's motion for summary judgment in SEC v. The Fundpack, Inc. and entered a Final Judgment of Permanent Injunction as to defendant Morrie Schactman. Schactman was a co-defendant with The Fundpack, Inc. (Fundpack), Holding Trust (Trust) and Holdings of U.S. Government Securities, Inc. (Government), a complex of mutual funds in Coral Gables, Florida (the Funds), Fundpack Management, Inc. (Management) (the Funds' former investment adviser) and its two subsidiaries, and 11 of the Funds other former officers and directors, in an amended complaint filed by the Commission on May 10, 1979. Schactman, who resides in Miami, Florida, is presently Assistant to the President of Lodging Investments, Ltd. He was formerly Chief Financial Officer and Secretary-Treasurer of the Funds and of Management and its subsidiaries, and a Director of Management and its subsidiaries and of Trust and Government. The Commission's complaint alleged that Schactman, as well as the other defendants in the action, violated numerous provisions of the antifraud, proxy, reporting, registration and fiduciary obligation provisions of the securities laws.

The Final Judgment permanently enjoins Schactman from engaging in conduct violating the antifraud, registration, reporting and proxy provisions of the securities laws. In addition, the Final Judgment enjoins Schactman from serving or acting as an officer, director or investment advisor to any registered investment company and enjoins him from any course of conduct constituting a breach of fiduciary duty involving personal misconduct with respect to any registered investment company for which he may hold such a position. The Final Judgment was entered by the Court immediately following a hearing on the Commission's summary judgment motion.

Mr. Schactman was the last remaining defendant in the Commission's action against the Fundpack complex and its officers and directors. All of the other defendants previously settled this action with the Commission by consenting to the entry of Final Orders or Final Judgments of the Court. (SEC v. The Fundpack, Inc., et al., U.S.D.C. D.C., Civil Action No. 79-0859). (LR-9237)

COMPLAINT NAMES TESORO PETROLEUM CORPORATION

The Commission announced on November 20 the filing of a civil injunctive action in the U.S. District Court for the District of Columbia seeking to enjoin Tesoro Petroleum Corporation from further violations of the reporting and proxy provisions of the Securities Exchange Act of 1934 and rules thereunder.

The Commission's complaint alleged that since at least the time Tesoro became a public company, Tesoro and others have engaged in a course of business in connection with conducting foreign business whereby they made substantial payments to "finders" and "consultants," where such payments with respect to multi-million dollar contracts were disproportionate to the business obtained or the services rendered, were not usual or customary and were made under circumstances such that Tesoro was and continues to be unable to account for or satisfy itself as to the final disposition of such corporate funds. In certain instances involving payments made in connection with foreign business activities, the circumstances of the payments indicate that the funds, in whole or in part, may have been directly or indirectly transferred to foreign government officials of political leaders. Further, Tesoro knew that such course of business exposed and continues to expose material assets of the company to a significant and continuing risk of loss. Tesoro has failed to make timely and adequate disclosure of these matters.

Without admitting or denying the allegations contained in the Commission's complaint, Tesoro consented to the entry of a Final Judgment of Permanent Injunction enjoining the company from future violations of Sections 13(a) and 14(a) of the Exchange Act and Rules thereunder.

In its consent to the entry of the Final Judgment, Tesoro undertook to appoint a new director satisfactory to the Commission who shall also serve as chairman of the audit committee of Tesoro's board of directors. (SEC v. Tesoro Petroleum Corporation, U.S.D.C. D.C., Civil Action No. 80-2961). (LR-9236)

CIVIL PROCEEDINGS

DANIEL M. TABAS ENJOINED

The Commission announced that on November 20 the U.S. District Court for the District of Columbia enjoined Daniel M. Tabas of Haverford, Pennsylvania from failing to make accurate and timely filings on Schedule 13D and ordered him to comply with certain undertakings. The Commission's complaint, filed on November 20, alleged that Tabas had failed to make Schedule 13D filings disclosing his membership in a group, his true investment purpose, certain acts taken in furtherance of that purpose and certain arrangements with respect to his securities. The complaint also alleges that Schedule 13D filings made by Tabas contained material misstatements. Tabas, in consenting to the entry of judgment against him, did not admit or deny the allegations of the complaint. (SEC v. Daniel M. Tabas, U.S.D.C. D.C., Civil Action No. 80-2957). (LR-9240)

CRIMINAL PROCEEDINGS

JACK C. PETTEE CONVICTED

The Atlanta Regional Office announced that on November 7 Jack C. Pettee of Asheville, North Carolina, was convicted on four counts of securities fraud by a federal jury in Asheville in connection with the offer and sale of Thermal Belt Air Service, Inc. promissory notes. Pettee was the president, treasurer, and a director of Thermal Belt. On November 13 U.S. District Judge Woodrow Wilson Jones sentenced Pettee to three years in a federal penitentiary and imposed a $10,000 fine; required three years additional probation and, as a condition of probation, required Pettee to pay the fines, the costs of his court appointed counsel, and his court costs. (U.S. v. Jack C. Pettee, W.D.N.C., Criminal No. A-CR-80-47). (LR-9238)

JOHN P. HUBERTY INDICTED

The Chicago Regional Office announced that on November 9 John P. Huberty, Minnetonka, Minnesota, was indicted by a Federal Grand Jury in Minneapolis on 15 counts of mail fraud. The indictment alleges that Huberty, a salesman for a registered broker-dealer, obtained approximately $1 million to purchase securities which he took for his own personal use.

In an action previously filed by the Commission, Huberty was preliminarily enjoined from violating the antifraud provisions of the securities laws and a receiver was appointed. (U.S. v. John P. Huberty, USDC, Dist. Minn., Criminal No. 4-80-112). (LR-9239)

CIVIL PROCEEDINGS

ANTHONY J. PIVIROTTO AND JOHN ROBERT WOODS ENJOINED

The Washington Regional Office announced that on October 9 the Honorable Donald E. Ziegler, U.S. District Court Judge for the Western District of Pennsylvania, entered final judgments of permanent injunction against Anthony J. Pivirotto and John Robert Woods, enjoining them from violations of the registration and antifraud provisions of the securities laws. Pivirotto and Woods consented to the entry of the judgments without admitting or denying the allegations of the Commission's complaint. Pivirotto and Woods were principals of Safeguard Investment Corp., which offered and sold participation interests in mortgage investments. On September 2, Safeguard was permanently enjoined from violations of the same provisions of the securities laws. Safeguard consented to the entry of that final judgment without admitting or denying the allegations of the Commission's complaint.

Also on September 2 the Court directed Safeguard's Trustee in Bankruptcy to perform the accounting of investor monies previously ordered by the Court as part of the preliminary injunctive relief in this case. The Commission will render assistance to the Trustee until the accounting is completed, at which time the Court will determine whether and in what amount disgorgement is necessary. (SEC v. Safeguard Investment Corp., d/b/a Safeguard Company, et al., W.D. Pa., Civil Action No. 80-777). (LR-9241)

STERLING ENTERPRISES, INC., OTHERS ENJOINED

Meatte, the chairman of the board of Sterling and president of both Sterling and Pro-Vest. The judgments were entered after Sterling, Pro-Vest and Meatte were adjudged in default and after the Court considered the pleadings, affidavit and exhibits filed by the Commission.

The judgments enjoin Sterling, Pro-Vest and Meatte from further violations of the securities laws in the offer and sale of securities. The judgments also order Sterling, Pro-Vest and Meatte to each provide the Court, within 60 days of the entry of the judgments, with an accounting of the funds raised from investors. In addition, after receipt of the accounting, the Court will make a determination whether an order of disgorgement from Sterling, Pro-Vest and Meatte is appropriate. (SEC v. Sterling Enterprises, Inc., et al., U.S.D.C. N.D. Ill., Eastern Division, Civil Action No. 79 C 3421). (LR-9243)

ADMINISTRATIVE PROCEEDINGS

RIVIERE SECURITIES CORP., OTHERS CITED

Public administrative proceedings have been ordered under the Securities Exchange Act of 1934 (Exchange Act) against Riviere Securities Corporation (RSC), a registered broker-dealer with its principal place of business in the District of Columbia, and John G. Mergner of Bethesda, Maryland, who is the president and a director of RSC. In addition, public administrative proceedings have been ordered under the Investment Advisers Act of 1940 (Advisers Act) against Willard J. Miller of McLean, Virginia, who was the president and a director of Potomac Investment Advisors, Ltd., a former registered investment adviser with its principal place of business in McLean, Virginia. Simultaneously with the institution of proceedings, the Commission accepted offers of settlement submitted by RSC, Mergner and Miller.

In their offers of settlement, without admitting or denying the allegations or findings, RSC, Mergner and Miller consented to the entry of findings and an order: censuring RSC and requiring RSC to comply with its undertaking to pay $15,000 on a pro rata basis to the advised clients of Potomac for whose securities transactions RSC received commissions and adopt new policies and procedures relative to the receipt of compensation by RSC or its employees for services rendered on behalf of investment advisers or other fiduciaries; suspending Mergner from association with any broker or dealer for 30 days, and effective at the conclusion of the 30 day period, suspending him for 15 days from: (a) serving in a supervisory capacity, and (b) effecting any transactions in securities traded on a national securities exchange, provided, however, he can refer recommendations to close out transactions in listed securities on behalf of existing customers and refer unsolicited inquiries to other registered representatives of RSC; requiring Mergner to comply with his undertaking to pay $10,000 on a pro rata basis to the advised clients of Potomac for whose securities transactions RSC received commissions; and barring Miller from association with any broker, dealer, or investment company.

The sanctions were based upon findings that RSC, Mergner and Miller wilfully violated and wilfully aided and abetted violations of the antifraud provisions of the Exchange Act and wilfully aided and abetted violations of the antifraud provisions of the Advisers Act in connection with an undisclosed reciprocal arrangement between RSC and Potomac which involved the sale of purported investment advisory services by Potomac to RSC and the directing of commission to RSC by Potomac for transactions executed on behalf of Potomac advised clients. Potomac's registration as an investment adviser was revoked and Miller was barred from association with an investment adviser as a result of a prior administrative proceeding. (Rel. 34-17307)

COMMISSION ANNOUNCEMENTS

TABULATIONS OF QUARTERLY INSTITUTIONAL MANAGER REPORTS AVAILABLE

The Commission has announced that tabulations of the reports filed under the institutional investment manager program for the calendar quarter ended September 30, 1980, are now available. These reports, filed under Section 13(f) of the Securities Exchange Act of 1934 by institutional managers, list holdings of securities over which the reporting managers exercise investment discretion. There are two tabulations: (1) a listing, arranged according to individual security, showing the number of shares of that security held and the name of the investment manager reporting the holding; and (2) a summary listing, also arranged according to individual security, showing the number of shares of that security reported held by all investment managers filing reports. These tabulations are available for public inspection and copying in the Commission's Public Reference Room located at 1100 L Street, N.W., Washington, D.C., Room 6101.

ADMINISTRATIVE PROCEEDINGS

ORDER PERMITTING WITHDRAWAL OF REGISTRATION STATEMENT AND DISMISSING PROCEEDINGS AGAINST LAS VEGAS HAWAIIAN DEVELOPMENT COMPANY

The San Francisco Branch Office announced that the Commission consented to an application by Las Vegas Hawaiian Development Company (LVH) to withdraw a registration statement on Form S-11 which was originally filed on May 26, 1977. Simultaneously, the Commission dismissed an administrative proceeding instituted on May 29, 1979 to determine whether a stop order should be issued against LVH's registration statement. The registration statement concerned a proposed offering of securities to certain holders of fractional undivided interests in land in Nevada.

As grounds for its application for withdrawal, LVH cited the following: (1) no offers or sales of securities have been or will be made pursuant to the registration statement; (2) the Commission obtained permanent injunctions against further violations of registration and antifraud provisions of the securities laws in a related civil case against LVH's promoters, Richard, Frances R., and Richard C. MacDonald (SEC v. Richard MacDonald, et al., Civil Action No. 79-0283, D. Hawaii); (3) in the related civil case, the Commission also obtained the appointment of a receiver whose duties include investigating the status and potential disposition of land in Nevada which is the subject of LVH's registration statement, and reporting his findings to holders of undivided interests in the land; and (4) the results of the Commission's enforcement action have been publicized in newspapers in Hawaii, where most of the investors reside.

In view of the foregoing factors, the Commission determined that withdrawal of LVH's registration statement was consistent with the public interest and the protection of investors, and that the stop-order proceedings should be dismissed. (Rel. 33-6265)

CIVIL PROCEEDINGS

BRIAN PATRICK SMITH PERMANENTLY ENJOINED

The New York Regional Office announced that on October 23 the Honorable Richard Owen of the U.S. District Court for the Southern District of New York entered a Final Judgment of Permanent Injunction by Default against Brian Patrick Smith of Flushing, New York, enjoining him from violating the antifraud provisions and credit requirements of the Securities Exchange Act of 1934.

The complaint, filed on June 27, alleged that between January and May 1980, Smith ordered the purchase of 38,100 shares of Jupiter Development Corporation stock through two brokerage firms located in Portland, Oregon and failed to pay for any of said purchases. The complaint further alleged that during the same period Smith ordered additional shares of Jupiter stock through a brokerage firm in New York City and tendered checks in payment for said shares, some of which were returned unpaid for insufficient funds or because the accounts on which the checks drawn were closed. Smith failed to answer the Commission's complaint, and the Commission moved for entry of the default judgment. (SEC v. Brian Patrick Smith, 80 Civil 3659, S.D.N.Y. [RO]). (LR-9247)

PRELIMINARY INJUNCTION AGAINST TRENTON H. PARKER, OTHERS DENIED

The Denver Regional Office announced that on November 17 the Honorable John L. Kane, Jr., Judge, U.S. District Court for the District of Colorado, denied Plaintiff's Motion for a preliminary injunction submitted in the referred to action on September 12. Judge Kane's ruling, announced from the bench on November 17, followed a four day evidentiary hearing. A pre-trial conference was conducted on December 2. (SEC v. International Mining Exchange, Inc., et al., USDC, Colorado, Civil Action No. 80-K-1198). (LR-9248)

CLOYCE K. BOX AND OKC CORP. CONSENT TO A PRELIMINARY INJUNCTION AND THE APPOINTMENT OF A SPECIAL CORPORATE COMMITTEE

The Fort Worth Regional Office announced that on November 25 Judge Robert M. Hill of the U.S. District Court for the Northern District of Texas, entered an Order preliminarily enjoining Cloyce K. Box of Dallas, Texas, from further violations of the antifraud provisions of the securities laws, and Box and OKC Corp., also of Dallas, from further violations of the periodic reporting and proxy provisions of the securities laws.

The complaint, filed on September 15, had alleged that since at least 1973, Box, OKC's chief executive officer, pursuant to secret and undisclosed partnerships and business arrangements, caused OKC to purchase and sell substantial amounts of petroleum products through certain brokers who were his friends and business associates.

Without admitting or denying any of the allegations in the complaint, Box and OKC consented to the entry of the Order which, in addition to preliminarily enjoining them from further violations of the securities laws, provides that OKC shall designate a special corporate committee to review each proposal for the sale, liquidation or other transfer of assets of OKC to assure compliance with the terms of the Plan of Liquidation and Dissolution of OKC as set forth in proxy solicitations to stockholders, and to assure that each sale, liquidation or transfer of assets is made without undisclosed conflicts of interest.

Additionally, the Order provides that Box will provide the Court with a letter of credit in the amount of $5 million to satisfy any judgment of disgorgement that might be entered when the case is finally resolved on its merits. (SEC v. Cloyce K. Box and OKC Corp., N.D. Tex., Civil Action No. CA 3-80-1217D). (LR-9249)

ADMINISTRATIVE PROCEEDINGS

ROBERT J. MAIETTA, OTHERS CITED

The Commission announced the institution of public administrative proceedings against Robert J. Maietta, formerly a registered representative of Margolis & Co., Inc., a former broker-dealer with its principal place of business in Minneapolis, Minnesota; John H. Neuberger, formerly the president of Margolis; and Brian J. Mahoney, formerly the president of Brokers' Trading, Inc., a broker-dealer for which a Securities Investor Protection Corporation trustee was appointed on December 22, 1977.

The Order for Proceedings alleges that: Maietta has been convicted of perjury and is enjoined from violations of the registration and antifraud provisions of the securities laws, and wilfully violated the antifraud provisions of the securities laws and wilfully aided and abetted violations of the margin provisions of the securities laws; Mahoney wilfully aided and abetted violations of the antifraud, margin, and broker-dealer reporting provisions; and Neuberger is enjoined from violations of the registration and antifraud provisions of the securities laws, and wilfully aided and abetted violations of broker-dealer reporting requirements.

The Order further alleges that Mahoney and Neuberger failed to reasonably supervise employees under their supervision. In addition, the Order alleges that Maietta was a controlling person and Mahoney was president and director of Brokers' Trading for which a trustee was appointed pursuant to the Securities Investor Protection Act of 1970.

The Commission simultaneously issued an order accepting offers of settlement from Maietta and Neuberger, and finding that Maietta and Neuberger had violated the provisions as alleged above. The Commission also barred Maietta from association with any broker, dealer, investment company, investment adviser, or municipal securities dealer (the entities); and suspended Neuberger from association with any such entity for a period of 180 days and thereafter barred Neuberger from association with any such entity in a proprietary, executive, managerial, or supervisory capacity. Maietta and Neuberger consented to the above findings and sanctions without admitting or denying the allegations and findings, except that Maietta admitted that he had been convicted and enjoined, and Neuberger admitted that he had been enjoined.

A hearing will be scheduled to determine whether the allegations against Mahoney are true, and what, if any, remedial action should be ordered by the Commission. (Rel. 34-17328)

ROBERT J. MAIETTA, FOUR OTHERS SANCTIONED

The Commission announced that it has instituted public administrative proceedings against, and simultaneously accepted Offers of Settlement from, Robert J. Maietta of Roseville, Minnesota; John H. Neuberger of Deep Haven, Minnesota; William S. Wright of Edina, Minnesota; John R. Potter of Forest Hills, New York; and Joel Marcus of Neptune, New Jersey. In its Order, the Commission found that the above named respondents wilfully violated and/or aided and abetted violations of the registration provisions of Securities Act of 1933 and the antifraud and antimanipulation provisions of the Securities Exchange Act of 1934 by unlawfully distributing and subsequently manipulating the market in the common stock of Dimensional Entertainment Corporation.

The Commission further found that Maietta, Wright, Neuberger and Potter were previously enjoined from further violations of the registration and antifraud provisions of the securities laws by the U.S. District Court for the Southern District of New York and that Maietta was convicted on two counts of perjury in sworn testimony before the Commission in a criminal action filed in the Southern District of New York.

The Order (1) permanently bars Maietta from association with any broker, dealer, investment company, investment adviser or municipal securities dealer (the entities) in any capacity; (2) suspends Neuberger from association with any such entity in any capacity for 180 days, provided that he may engage in bookkeeping and clerical activities during such period, and thereafter bars Neuberger from association with any such entity in a proprietary, executive, managerial or supervisory capacity; (3) suspends Wright from association with any such entity in any capacity for 30 days and thereafter bars Wright from association with any such entity in a proprietary, executive, managerial, or supervisory capacity; (4) suspends Potter from association with any such entity in any capacity for 21 days, and thereafter bars Potter from association with any such entity in a proprietary, executive, managerial or supervisory capacity, provided that Potter may apply to become associated with any such entity in such capacities after a period of one year; and (5) suspends Marcus from association with any such entitiy in any capacity for 14 days.

Except for the findings concerning the injunctions and convictions, which the respective respondents admitted, the respondents consented to the above findings and sanctions without admitting or denying the allegations made against them. (Rel. 34-17329)

CIVIL PROCEEDINGS

COMPLAINT CHARGES INSIDER TRADING VIOLATIONS

The Los Angeles Regional Office announced the filing of a civil injunctive action on November 25 in the U.S. District Court for the Central District of California naming as defendants Aramis M. K. Nahabedian, Michael R. Simonian, Joe W. Floyd, Glenn W. Patterson, Jack Severns, Jack R. Andrews, Andrew J. Macht and Raymond S. Blunk.

The complaint alleged violations of the antifraud provisions of the Securities Exchange Act of 1934 in the defendants' purchases of common stock of Hershey Oil Corporation (HOC) on the basis of material non-public information, concerning the drilling progress and the results of certain tests which indicated the presence of gas in a well in which HOC held a 14.84% working interest. None of the above-mentioned defendants was employed by HOC at the time of their purchases of HOC common stock, but instead, each defendant was employed by an entity which was a partner of HOC in the drilling of the subject gas well. Nahabedian, Simonian and Floyd were employees of the Woodland Oil Company of Los Angeles, California, and Patterson was an employee of the Pend O'Reille Oil and Gas Company of Houston, Texas, a wholly-owned subsidiary of the Gulf Resources and Chemical Corporation, and Severns, Andrews, Macht and Blunk were employees of MCO Resources, Inc., a wholly-owned subsidiary of MCO Holding, Inc. of Los Angeles, California, formerly known as McCulloch Oil Corporation.

Simultaneously with the filing of the complaint, all eight defendants consented, without admitting or denying the allegations of the complaint, to the entry of final judgments of permanent injunction restraining them from further violations of the law as alleged in the complaint and to other equitable relief in the form of disgorgement of their profits derived from the purchases of HOC common stock. (SEC v. Aramis M. K. Nahabedian, et al., C.D. Cal., Civil Action No. 80-5280 CBM [FRx]). (LR-9250)

COVINGTON BROTHERS TECHNOLOGIES, OTHERS CHARGED

The New York Regional Office announced that on December 3 a civil injunctive action was filed seeking to enjoin three corporations and four individuals for violating various provisions of the securities laws as set forth below in connection with: (1) a misleading registration statement with respect to a $12 million public offering of debt and equity securities by Covington Brothers Technologies (CBT); (2) a scheme to distribute unregistered control shares of CBT; (3) a manipulation of the price of the common stock of The Presley Companies; (4) trading in CBT securities during the period of a distribution; and (5) failure to file accurate beneficial ownership reports with respect to both CBT and Presley securities.

The following individuals and entities were named in the complaint: CBT, a California corporation which also does business as Covington Technologies; Loran D. Covington of Fullerton, California, the Chief Executive Officer of CBT; Frank L. Mace of New York and Newport Beach, California, a financial consultant; Robert V. Gibson of Newport Beach, California, an attorney, Valerie B. Mace of Somers, New York, an attorney and sole shareholder of Gresham Street Capital Corp. and Kent Consulting Corp.; Gresham and Kent are both New York corporations.

Simultaneously with the filing of the complaint, the defendants, except for Gibson, were enjoined, pursuant to their Consents and without admitting or denying the allegations of the complaint, from future violations of relevant sections of the securities laws. (SEC v. Covington Brothers Technologies, et al., S.D.N.Y., 80 Civil 6826 LWP).

ADMINISTRATIVE PROCEEDINGS

UNITED MONETARY SERVICES AND PRINCIPAL SANCTIONED

Pursuant to Offers of Settlement submitted by United Monetary Services (UMS) of Port Jefferson, New York and its principal, Frank J. Giuffrida, the Commission has entered orders imposing remedial sanctions. The sanctions imposed against UMS and its principal provide for a suspension for a period of three months from participation in any private placement offerings except those offered pursuant to Rule 147 promulgated under the Securities Act of 1933, an intrastate exemption from registration. The Offers of Settlement were made by the respondents without admitting or denying the allegations contained in the Order for Proceedings which was entered by the Commission on February 13, 1980.

The sanctions are based upon findings pursuant to the Offers of Settlement that: UMS and Guiffrida wilfully violated and wilfully aided and abetted violations of the registration provisions of the Securities Act; UMS, aided and abetted by its principal, sold securities while not registered in accordance with the broker-dealer registration requirements of Section 15(a) of the Securities Exchange Act of 1934; and UMS failed reasonably to supervise those subject to its supervision with a view to preventing such violations pursuant to Section 15(b)(4)(E) of the Exchange Act in connection with the offer and sale of the securities of ATVA Enterprises, Inc. (Rel. 34-17335)

CIVIL PROCEEDINGS

PALMER YORK, SHAREHOLDERS COMMITTEE, SUED FOR PROXY VIOLATIONS

The Los Angeles Regional Office announced that on November 26 it filed suit in Federal District Court in San Diego against Palmer York, Jr. of San Francisco, California and the Shareholders Protective Committee of Portsmouth Square, Inc., charging violations of the securities laws. York and the Committee were charged with soliciting proxies in connection with a shareholders' meeting of Portsmouth Square scheduled for December 4, 1980, using false and misleading statements and failing to file required material with the Commission. The Commission charged York and the Committee with soliciting proxies in violation of Section 14(a) of the Securities Exchange Act of 1934 and Rules 14a-6, 14a-9 and 14a-11 thereunder.

Also named as a defendant in the Commission's action was Portsmouth Square, Inc., a publicly-held company headquartered in San Diego, which was not charged with any violations, but was made a party to permit the Court to enjoin the use of the illegal proxy material. (SEC v. Palmer York, Jr., et al., S.D. Cal., Civil Action No. 80-1862-GT). (LR-9251)

The Order further requires the defendants to liquidate the portfolio investments and distribute the proceeds to investors. (SEC v. COMMISSION ANNOUNCEMENTS

GNMA STUDY SENT TO CONGRESS

The Commission and the Federal Reserve Board have transmitted to Members of Congress a joint study of the government-related securities markets, including a draft of legislation which would implement recommendations of the study.

The study was undertaken in January 1980 by the staffs of the Commission, the Federal Reserve Board and the Department of the Treasury, in response to an inquiry from Senator Harrison A. Williams, Jr. While the study and its recommendations have been endorsed by the Commission and the Federal Reserve Board, the Administration has not taken a position with regard to it.

Printed copies of the nearly 300-page study are expected to be available next month from the Commission's Office of Consumer Affairs and Information Services, and from the Federal Reserve Board. In the interim, it is available for inspection by the general public at the Commission's Public Reference Room, 1100 L Street, N.W., and copies may be obtained in person or by mail through the Public Reference Section at a cost of 10-cents per page. Members of the press may inspect a copy of the report at the Commission's Office of Public Affairs, 500 North Capitol Street, or at the Federal Reserve Board.

CIVIL PROCEEDINGS

CHARLES S. ROSENBLUM ENJOINED

The Boston Regional Office announced that on December 2 a Judgment of Permanent Injunction was issued against Charles S. Rosenblum, a Massachusetts resident, by the Honorable Joseph L. Tauro of the U.S. District Court for the District of Massachusetts, enjoining Rosenblum from violating the registration and antifraud provisions of the securities laws in the operation of South Shore Financial Associates, a real estate financing business located in Braintree, Massachusetts. Rosenblum consented to the entry of the Judgment without admitting or denying the allegations of the Commission's complaint.

The Commission's complaint, filed on December 1, alleged, among other things, that the defendant sold over $3 million in unregistered securities in the form of promissory notes in connection with the operation of South Shore, that in connection with the sale of these securities the defendant made misrepresentations of material facts and omitted to state material facts concerning, among other things, the safety of the investment, the rate of return, and the profitability of South Shore, and that the defendant engaged in courses of business which operated or would operate as a fraud upon investors including, furnishing of information which misrepreseted the extent of liabilities and net worth of South Shore, concealing from investors net losses in South Shore's operations, failing to inform investors of delinquencies on South Shore real estate loans, and failing to inform investors of foreclosure proceedings initiated by South Shore in connection with its real estate loans. (SEC v. Charles S. Rosenblum, U.S.D.C. D. Mass., Civil Action No. 80-2668). (LR-9255)

ADMINISTRATIVE PROCEEDINGS

INSTITUTION AND SETTLEMENT OF ADMINISTRATIVE PROCEEDINGS AGAINST WEISKOPF, SILVER & CO.

The Commission announced the issuance of an Order instituting proceedings pursuant to Section 15(b)(4) of the Securities Exchange Act of 1934 (Exchange Act) and Findings and Order of the Commission against Weiskopf, Silver & Co. of New York, New York, the specialist in the options of Bally Manufacturing Corporation (Bally options) on the American Stock Exchange (Amex). Weiskopf, Silver, under the terms of its Offer of Settlement, consented to the entry of the Findings and Order without admitting or denying any of the matters contained therein.

In its Order, the Commission found that Weiskopf, Silver violated Section 11(b) of the Exchange Act and Rule 11b-1 promulgated thereunder. Specifically, the Commission found that Weiskopf, Silver during the period from September 6, 1978 to April 1979, placed orders and effected transactions in Bally options series on the Chicago Board Options Exchange (CBOE) at prices reasonably close to the prices at which it opened on the Amex for the purpose of having the option series open on the two markets at the sime price or with a minimal difference in price, avoiding a recurrence of the disparities in pricing that had arisen in the past between the CBOE and Amex openings in the Bally options class, and not for the purpose of maintaining a fair and orderly market for Bally options on the Amex.

In its Order the Commission accepted the Offer of Settlement by Weiskopf, Silver and ordered that Weiskopf, Silver be censured and comply with its undertaking to refrain from trading series of Bally options on the CBOE before the opening of such Bally option series on the Amex where the purpose is to attempt to draw the CBOE market price closer to the anticipated Amex opening price. ADMINISTRATIVE PROCEEDINGS

PROCEEDINGS INSTITUTED AGAINST NATIONAL COUNSELOR REPORTS, INC. AND DAVID MAGEE

The Commission has instituted public administrative proceedings against National Counselor Reports, Inc., a registered investment adviser located in Kerrville, Texas and David Magee, president of National Counselor. The proceedings are based upon allegations by the Commission's staff that National Counselor wilfully violated the antifraud provisions of the Securities Exchange Act of 1934 and of the Investment Advisers Act of 1940, Section 10(b) of the Exchange Act and Rule 10b-5 thereunder and Section 206(1), (2) and (4) of the Advisers Act and Rule 206(4)-1 thereunder; and certain filing provisions of Section 204 of the Advisers Act and Rule 204-1 thereunder; and that Magee wilfully aided and abetted certain of such violations. The Order for Proceedings charged that, among other things, (1) National Counselor made, in the May 1980 issue of its monthly newsletter Moneytree, materially false and misleading statements in an article entitled "Occidental: The New American Dream"; (2) Magee purchased call options on Occidental Petroleum Corporation common stock prior to the distribution of the article without disclosing his ownership; (3) National Counselor violated the advertising rules under the Advisers Act by publishing an article in Moneytree listing certain specific past recommendations which were profitable without setting forth those which were not profitable; and (4) National Counsel failed to file its revised Form ADV with the Commission until October 21, 1980, although it was due by July 31, 1979.

A hearing will be scheduled to take evidence on the allegations to determine whether or not such allegations are true, to afford respondents an opportunity to establish any defenses to such allegations and to determine what, if any, remedial action shall be ordered by the Commission. (Rel. 34-17360)

CIVIL PROCEEDINGS

COMPLAINT NAMES STANWOOD OIL CORPORATION AND
JOHN G. STARR

The Washington Regional Office announced that on December 8 a complaint was filed in the U.S. District Court for the Western District of Pennsylvania, Erie Division, alleging violations of the registration and antifraud provisions of the securities laws by Stanwood Oil Corporation, a Pennsylvania corporation, and John G. Starr, its president, and seeking permanent injunctive relief. The complaint alleges that the defendants offered and sold unregistered common stock and notes of Stanwood, by means of untrue statements of material fact and failure to state material facts related to, among other things, Stanwood's oil and gas reserves, and prospects for the company's diversification into business ventures, including a purported agreement to purchase a casino hotel to be built in Atlantic City, New Jersey. The complaint further alleges that such misstatements and omissions, among others, were made to investors and prospective investors and were contained in press releases issued by Stanwood over the financial newswires and carried as paid advertisements in securities trade publications.

Stanwood stock is owned by approximately 4000 public shareholders and is traded over-the-counter.

A motion for a preliminary injunction was filed by the Commission simultaneously with the filing of its complaint. Chief Judge Gerald Weber has set the motion for hearing on December 22, 1980. (SEC v. Stanwood Oil Corporation, et al., W.D. Pa., Erie Division, Civil Action No. 80-206 Erie). (LR-9256)

RULES AND RELATED MATTERS

H.D. 9237

INTERIM RULES EXEMPTING BUSINESS DEVELOPMENT COMPANIES AND CERTAIN OF THEIR AFFILIATES FROM PROVISIONS OF THE INVESTMENT COMPANY ACT

The Commission is adopting, on an interim basis, two rules under the Investment Company Act of 1940, as recently amended. The first of these rules, Rule 57b-1, permits any person controlled by a business development company and certain affiliated persons of such a person to enter into a transaction with such a company without first obtaining an order approving the transaction. The second interim rule, Rule 60a-1, permits a business development company to acquire the securities of and operate a wholly-owned small business investment company. The Commission is also soliciting public comment on whether these interim rules should be adopted as final rules.

All comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before January 30, 1981, and should refer to File No. S7-886. All comments will be available for public inspection. (Rel. IC-11493)

ADMINISTRATIVE PROCEEDINGS

PUBLIC ADMINISTRATIVE PROCEEDINGS INSTITUTED AGAINST BEVILL, BRESLER & SCHULMAN INCORPORATED, OTHERS

The Commission has ordered the institution of public administrative proceedings against Bevill, Bresler & Schulman Incorporated, a registered broker-dealer firm located in Newark, New Jersey, two unregistered corporate affiliates, the firm's president, two former supervisors, a trader, and twelve former salesmen. The Division of Enforcement in the Order for Public Proceedings alleges violations of the antifraud and broker-dealer bookkeeping provisions of the securities laws. In addition to misleading statements concerning, among other things, the nature and risks of trading in forward transactions in government securities, the Order also alleges that certain of the respondents caused unauthorized trades, engaged in so-called adjusted trading, induced and approved unsuitable transactions and charged excessive prices in connection with transactions in U.S. Government issued and guaranteed securities. The Order also alleges failures to supervise on the part of certain respondents.

Simultaneously with the institution of the proceedings, the Commission accepted offers of settlement from fifteen of the respondents. Respective settling respondents consented to findings, without admitting or denying the allegations, of violations of the aforementioned antifraud and bookkeeping provisions, and to findings of failures to supervise. Pursuant to its settlement offer, the Commission ordered the firm and its corporate affiliates to refrain from engaging in forward transactions in government securities for a period of 60 days, to refrain from opening any new branch offices for six months; to undertake a thorough review of compliance procedures and the implementation thereof; and the firms were censured. The varying sanctions against the individual settling respondents include substantial suspension and supervisory bars. (Rel. 34-17372 and 34-17373)

INSTITUTION AND SETTLEMENT OF ADMINISTRATIVE PROCEEDINGS AGAINST PAINE, WEBBER, JACKSON & CURTIS INC. AND PAINE WEBBER INC.

Pursuant to Offers of Settlement submitted by Paine, Webber, Jackson & Curtis Inc. (Paine Webber), a registered broker-dealer, and its parent corporation, Paine Webber Inc. (PWI), both located in New York, New York, the Commission has entered an Order Instituting Proceedings pursuant to Sections 15(b), 19(h) and 15(c)(4) of the Securities Exchange Act of 1934 and Findings, Opinion and Order of the Commission (Order).

The Order, to which Paine Webber and PWI consented without admitting or denying any of the allegations therein, was based upon findings that: (1) Paine Webber wilfully violated the financial responsibility, securities count, bookkeeping, and supplemental reporting provisions of the Exchange Act; and (2) PWI filed with the Commission a quarterly report on Form 10-Q for the three month period ended March 31, 1980 which failed to comply with the reporting and disclosure provisions of the Exchange Act.

With respect to Paine Webber, the Order provides for a censure of Paine Webber and requires the firm, through December 31, 1981, to submit various reports to the Commission's staff concerning certain aspects of Paine Webber's operational and financial condition. In addition, the Order imposes limitations on Paine Webber's ability to expand its business through December 31, 1981 and further directs the firm to conduct all securities counts and to make and keep current its books and records, in compliance with the Exchange Act.

With respect to PWI, the Order directs the company to: (1) amend its quarterly reports on Form 10-Q for the quarters ended March 31, 1980 and June 30, 1980 with respect to Paine Webber's March 28, 1980 securities count and the New York Stock Exchange's review of Paine Webber's FOCUS Report for the month ending May 30, 1980; and (2) comply fully with the provisions of the Exchange Act, including the requirements for filing reports with the Commission and disseminating information to the public. (Rel. 34-17384)

CIVIL PROCEEDINGS

COMPLAINT NAMES CABLE/TEL CORP., OTHERS

The New York Regional Office announced that on December 17 a complaint was filed in the U.S. District Court for the Southern District of New York seeking injunctive and other equitable relief against Cable/Tel Corp. of Englewood Cliffs, New Jersey, 23 Cable/Tel-affiliated companies, 10 individuals and four other companies.

The complaint alleges that, during 1977 and/or 1978, the defendants offered and sold to over 700 investors approximately $88,100,000 worth ($22.1 million in cash and recourse promissory notes and $66 million in nonrecourse notes) of unregistered securities in the form of tax sheltered investment interests in cable television (CATV) systems in violation of the registration and antifraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934. The various CATV systems in question are located in 17 communities situated in four states. The complaint further alleges that the defendants made misrepresentations and omitted to state material facts in connection with the offer and sale of the above described cable television investment interests. All of the defendants are charged with violations of Sections 5(a), 5(c) and 17(a) of the Securities Act of 1933 and Section 10(b) of the Securities Exchange Act of 1934 and Rule 10b-5 thereunder.

In addition to preliminary and permanent injunctive relief sought against all of the defendants, the complaint sought an accounting of all proceeds obtained from investors and disgorgement of illicit profits and/or commissions.

Simultaneously with the filing of the complaint, all the defendant Cable/Tel-affiliated companies and two individual defendants consented, without admitting or denying the allegations contained in the Commission's complaint, to the entry of Final Judgments of Permanent Injunction and Orders for Other Equitable Relief. The Final Judgments order the Cable/Tel-affiliated companies to, among other things: (a) retain an independent accountant to determine and report on the use of proceeds obtained from investors; (b) pay to investors an "adjustment" of monies, if any, determined by the accountant to have been used for purposes unrelated to the investment interests in CATV systems; and (c) appoint an "Advisory Committee" composed of five investors to, among other things, examine and review the accounting, financial and operating controls with respect to the operation of their CATV systems. (SEC v. Cable/Tel Corp., et al., S.D.N.Y., 80 Civil 7170). (LR-9258)

DENIAL OF PETITION FOR RULEMAKING CONCERNING
THE NEED FOR CONSISTENT DISCLOSURE

The Commission has denied a rulemaking petition filed by Public Citizen concerning the need to require consistent disclosure, but furnished a copy of the petition to the U.S. Regulatory Council for its information. The rules proposed by the petition generally would have required corporations to disclose in their filings with the Commission any material information submitted to agencies or courts regarding the effects of proposed or implemented regulations, and to file any agency or court submissions regarding the cost of regulations with the Commission. CIVIL PROCEEDINGS

COMPLAINT NAMES PACIFIC COAST MEDICAL ENTERPRISES

The Commission announced that on December 19 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Pacific Coast Medical Enterprises (PCME) with principal offices in Beverly Hills, California. PCME, together with its subsidiaries, provides integrated health care services through hospitals, ancillary paramedical services, distribution of drugs and medical surgical supplies, hospital and physicians equipment and related services. The Commission's complaint alleges violations of the reporting provisions of the securities laws and seeks a Judgment of Permanent Injunction and other relief.

The complaint alleges that PCME, as part of a continuing course of violative conduct, has failed to file its Annual Report on Form 10-K for its fiscal year ended June 30, 1980, and its Quarterly Report on Form 10-Q for its fiscal quarter ended September 30, 1980, required to have been filed with the Commission by September 28 and November 14, 1980, respectively. The complaint requests that the Court order PCME to file the delinquent reports forthwith. The Commission also requested that the Court enjoin PCME from further violations of the reporting provisions of the securities laws. (SEC v. Pacific Coast Medical Enterprises, U.S.D.C. D.C., Civil Action No. 80-3245). (LR-9259)

ADMINISTRATIVE PROCEEDINGS

R.O. BELT - O.S. BELT, INC. AND OSBORN S. BELT SANCTIONED

Public administrative proceedings have been ordered under the Securities Exchange Act of 1934 against R.O. Belt - O.S. Belt, Inc. (Belt, Inc.), a Washington, D.C., SECO-registered broker-dealer principally engaged in the offer and sale of participations in first mortgage notes, and Osborn S. Belt (Belt), the president and sole shareholder of Belt, Inc. Simultaneously with the institution of proceedings, the Commission accepted offers of settlement submitted by Belt, Inc. and Belt.

In their offers of settlement, without admitting or denying the Commission's findings, respondents Belt, Inc. and Belt consented to the entry of findings and an order: suspending the broker-dealer registration of Belt, Inc. for a period of 60 days except for renewals of existing loans; suspending Belt from being associated with any broker or dealer for a period of 60 days provided, however, that such suspension shall not preclude activities relating to the renewal of existing loans by Belt, Inc.; and ordering Belt, Inc. to comply with its undertaking to make certain filings with the Washington Regional Office of the Commission and to furnish certain of its customers with a letter disclosing the material facts concerning the origin and history of certain promissory notes in the name of a relative of Belt's, sold to investors.

The sanctions were based upon findings that Belt, Inc. and Belt wilfully violated and wilfully aided and abetted violations of the registration and antifraud provisions of the Securities Act of 1933 and the antifraud, net capital, customer protection, and general business conduct provisions of the Exchange Act. NASD ACTION AGAINST EUGENE T. ICHINOSE, JR. AFFIRMED

The Commission has affirmed sanctions imposed by the NASD on Eugene T. Ichinose, Jr. of Honolulu, Hawaii. The NASD censured Ichinose, fined him $15,000 and suspended him for one year from association with any NASD member as a principal.

The Commission found, as had the NASD, that Ichinose, who was a registered principal of an NASD member firm, unlawfully sold unregistered securities, failed to give required notice of those sales and others to the securities firm with which he was associated, improperly engaged in the securities business without being registered as a broker-dealer, and failed to disclose to investors extra sales compensation that was paid to him. CIVIL PROCEEDINGS

COOPER INDUSTRIES, INC. CHARGED WITH VIOLATION
OF TENDER OFFER ANTIFRAUD PROVISIONS

The Commission announced that on December 22 the U.S. District Court for the Southern District of New York enjoined Cooper Industries, Inc. of Houston, Texas from making any materially false or misleading statements or engaging in any fraudulent, deceptive or manipulative act or practice in connection with any tender offer or request or invitation for tenders for the securities of Crouse-Hinds Company or Belden Corporation or any solicitation of securities holders in opposition to or in favor of any such offer, request or invitation and ordered Cooper to comply with certain undertakings. The Commission's complaint, also filed on December 22, alleged Cooper violated the tender offer antifraud provisions of the securities laws in connection with a tender offer for the securities of Crouse-Hinds. The Commission's complaint alleged that eight arbitrageurs, two trusts, one individual shareholder, and a group of officers and directors, holding in the aggregate approximately 3.6 million Crouse-Hinds shares, had entered into agreements and understandings with, and made commitments to, Cooper, with respect to their Crouse-Hinds stock prior to the public announcement of Cooper's exchange offer-merger proposal for Crouse-Hinds, and in connection therewith, Cooper made false and misleading disclosures concerning the facts and circumstances pertaining to and the nature of such agreements, understandings and commitments and false and misleading statements were made to representatives of the New York Stock Exchange.

In addition to the entry of the Final Judgment permanently enjoining Cooper from violating the tender offer antifraud provisions of the securities laws, the Court also ordered Cooper to comply with its undertaking to forthwith release the Crouse-Hinds' shareholders from the agreements, understandings and commitments. (SEC v. Cooper Industries, Inc., U.S.D.C., S.D.N.Y., 80 Civ. 7310). (LR-9260)

COMPLAINT NAMES MEDISCIENCE TECHNOLOGY CORPORATION

The Commission announced that on December 23 it filed a civil injunctive action in the U.S. District Court for the District of Columbia against Mediscience Technology Corporation (MTC) with principal offices in Moorestown, New Jersey. MTC designs, develops, manufactures and markets sophisticated cardiac monitoring devices. The Commission's complaint alleges violations of the reporting provisions of the securities laws and seeks a judgment of permanent injunction and other relief.

The complaint alleges that MTC, as part of a continuing course of violative conduct, has failed to file its Annual Reports on Form 10-K for its fiscal years ended February 29, 1980 and February 28, 1979, required to have been filed with the Commission by May 29, 1980 and 1979, respectively, and its Quarterly Reports on Form 10-Q for five fiscal quarters ended between May 31, 1979, and August 31, 1980. The complaint requests that the Court order MTC to file the delinquent reports forthwith. The Commission also requested that the Court enjoin MTC from further violations of the reporting provisions of the securities laws. (SEC v. Mediscience Technology Corporation, U.S.D.C. D.C., Civil Action No. 80-3266). (LR-9261)

RULES AND RELATED MATTERS

PROPOSED REVISION OF REGULATION S-K AND GUIDES FOR THE PREPARATION AND FILING OF REGISTRATION STATEMENTS AND REPORTS

The Commission has approved the issuance of a release requesting comment upon proposed revision of Regulation S-K and the Guides for the Preparation and Filing of Registration Statements and Reports (the Guides). The proposals would (1) categorize by subject matter Regulation S-K, the repository of standard instruction for disclosure under the Securities Act of 1933 and the Securities Exchange Act of 1934; and (2) expand that Regulation by adding uniform disclosure requirements with respect to the distribution of securities. Registration statement forms would also be revised to incorporate by reference such uniform disclosure requirements. The proposals would also (1) eliminate the Guides, with the exception of the Guides for disclosure by registrants in a particular industry; and (2) incorporate certain of the requirements thereof into Regulation S-K, Regulation C (the rules governing the registration of securities under the Securities Act), and the General Rules and Regulations under the Securities Act and the Exchange Act. These proposals would eliminate out-moded and duplicative requirements, would enhance the integration of disclosure systems by consolidating and organizing disclosure provisions in Regulation S-K, and would consolidate procedural provisions in general rules and regulations.

All comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before March 6, 1981, and should refer to File No. S7-869. All comments will be available for public inspection. (Rel. 33-6276)

FOR FURTHER INFORMATION CONTACT: Elizabeth Norsworthy at (202) 272-2390 or Beverly Rubman at (202) 272-2604 or, with respect to market-related matters, Carlos Morales at (202) 272-2878

SEPARATE REPORTS OF OTHER ACCOUNTANTS; AMENDMENTS TO PROXY RULES AND REGULATION S-X

The Commission has authorized the publication of a release requesting comments on proposed rule amendments which would eliminate requirements for inclusion of separate reports of other accountants in annual reports to security holders when part of an examination of financial statements is made by an independent accountant other than the principal accountant of the registrant or when prior period financial statements are examined by a predecessor accountant. Also, amendments to Schedule 14A are proposed which would clarify when financial statements may be incorporated by reference into proxy or information statements from the annual report to security holders and under what circumstances financial statements in proxy or information statements may be omitted. The Commission has provided for the application of the proposed rule amendments prior to effectiveness.

Comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before March 15, 1981, and should refer to File No. S7-870. All comments will be available for public inspection. (Rel. 33-6277)

Hill of the U.S. District Court for the Northern District of Texas, Dallas Division, entered an Order permamently enjoining OKC Corp., Dallas, Texas, from further violations of the periodic reporting and proxy provisions of the securities laws.

The complaint, filed on September 15, had alleged that since at least 1973, Cloyce K. Box, OKC's chief executive officer, pursuant to secret and undisclosed partnerships and business arrangements, caused OKC to purchase and sell substantia amounts of petroleum products through certain brokers who were his friends and business associates. Without admitting or denying any of the allegations in the complaint, OKC consented to the entry of the Order which, in addition to permanently enjoining it from further violations of the securities laws, provides that OKC shall continue to be subject to the terms of an Order entered by Judge Hill on November 25, requiring OKC to designate a special corporate committee to review each proposal for the sale, liquidation or other transfer of assets of OKC to assure compliance with the terms of the Plan of Liquidation and Dissolution of OKC as set forth in proxy solicitations to stockholders, and to assure that each sale, liquidation or transfer of assets is made without undisclosed conflicts of interest.

The Order does not include Cloyce K. Box of Dallas, Texas, who remains as a defendant in the case and is subject to the Order of Preliminary Injunction entered by Judge Hill on November 25. (SEC v. Cloyce K. Box and OKC Corp., N.D. Tex., Dallas Division, CA 3-80-1217D). (LR-9262)

RONALD E. SPIEGEL ENJOINED

The Chicago Regional Office announced that on December 5 the Honorable John Powers Crowley entered a Final Judgment and Order of Permanent Injunction against Ronald E. Spiegel. Spiegel consented to the injunction without admitting or denying the allegations in the Commission's complaint. The injunction arose from Spiegel's involvement in a $25 million inventory and profit inflation scheme while employed with Cenco, Inc., a Chicago based corporation. Spiegel served as vice-president of Cenco, and president of Cenco Medical Health, a Cenco subsidiary.

In a parallel criminal action brought in the U.S. District Court for Northern Illinois, Spiegel was convicted of securities and mail fraud charges. He was sentenced to 30 months imprisonment, fined $50,000, and placed on probation. Spiegel has appealed his conviction.

Entry of this order concludes over four years of Commission litigation against the 17 individuals and two corporation alleged to have committed the Cenco fraud. (SEC v. Cenco Incorporated, et al., N.D. Ill., Civil Action Nol 76 C 3258). (LR-9263)

RULES AND RELATED MATTERS

CONSIDERATION OF THE IMPACT OF THE SMALL BUSINESS INVESTMENT INCENTIVE ACT OF 1980 ON CERTAIN EXEMPTIONS FROM THE REGISTRATION PROVISIONS

The Commission is considering the relationship among certain exemptions from the registration provisions of the Securities Act of 1933 and the efficacy of such exemptions as they relate to the capital formation needs of small business. The present inquiry is prompted by the recent enactment of the Small Business Investment Incentive Act of 1980 which includes two statutory changes in the 1933 Act that have an impact on small business. The first is the new Section 4(6) of the 1933 Act which provides an exemption from the registration requirements of that Act for offers and sales of securities by an issuer to accredited investors if the aggregate amount of securities offered is $5 million or less and if there is not public solicitation. The second is an increase from $2 million to $5 million in the ceiling on the Commission's authority under Section 3(b) of the 1933 Act to exempt small offerings from the registration requirements of that Act.

Comments on the proposal should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before February 20, 1981, and should refer to File No. S7-867. All comments will be available for public inspection. (Rel. 33-6274)

PROPOSED AMENDMENTS TO REGULATION A

The Commission is proposing for comment amendments to the rules, forms, and disclosure requirements under Regulation A. The Regulation, which may be used by a variety of issuers to raise up to $1.5 million worth of securities during any twelve-month period, has not been substantially revised since 1956. The proposals represent a comprehensive updating and revision of the disclosure requirements. Certain minor rule and form amendments are also being proposed. The proposals are being published at this time in view of the recent increase in the use of the Regulation and the Commission's inquiry in a companion release concerning an increase in the offering ceiling limit of Regulation A.

Comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549, on or before March 23, 1981 and should refer to File No. S7-868. All comments will be available for public inspection. (Rel. 33-6275)

RULES AND RELATED MATTERS

ELIMINATION OF THE REQUIREMENT THAT TRANSFER AGENTS FILE ANNUAL REVISIONS TO SCHEDULE B OF FORM TA-1

The Commission has adopted amendments to Rule 17Ac2-1 and related Form TA-1 under the Securities Exchange Act of 1934 to eliminate the requirement that transfer agents registered with the Commission file annual amendments to Item 7 (which includes Schedule B) of their registration form, Form TA-1. The requirement to file annual amendments is being eliminated in anticipation of a comprehensive revision of Form TA-1, which is expected to be published for comment during 1981. The Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation and the Comptroller of the Currency either are adopting, or are considering adopting, similar amendments for transfer agents registered with them. CIVIL PROCEEDINGS

AMERICAN BIRTHRIGHT TRUST MANAGEMENT COMPANY, INC., OTHERS CHARGED

The Division of Enforcement and the Division of Investment Management announced on December 30 the filing and settlement of a civil injunctive action in the U.S. District Court for the District of Columbia against American Birthright Trust Management Company, Inc. (ABTM), a Florida investment adviser; Richard J. Sluggett, ABTM's founder, president, and principal shareholder; Richard S. Freedman, ABTM's executive vice-president; George V. Burget; Robert E. Davis, Edward K. Fehlig; Rolf Kaltenborn; Samuel V. Shannahan, Jr., and Hugh W. Stone. Burget, Fehlig, Kaltenborn and Shannahan served as disinterested directors or trustees of American Birthright Trust (ABT) and Tax-Managed Fund for Utility Shares (TMF), two mutual funds for which ABTM has acted as an investment adviser. Stone served as a disinterested director of TMF. Davis, by reason of his status as a broker-dealer, and Sluggett served as interested directors or trustees of both funds.

The Commission's complaint principally involves the compensation paid to ABTM by the funds for advisory and related services. It is alleged that the compensation paid to ABTM by the funds has been excessive in light of the services actually performed by ABTM, and that most of the advisory services provided to the funds have been provided by a "sub-adviser" retained by ABTM, rather than by ABTM itself.

Without admitting or denying the allegations of the complaint, all of the defendants consented to the entry of a Final Judgment and Order under which (1) all of the defendants were permanently enjoined from engaging in acts and practices which would constitute violations of Section 15(c) of the Investment Company Act of 1940, a provision which requires that all material information be furnished to and considered by directors of investment companies in connection with the approval of advisory contracts with investment advisers; (2) ABTM, Sluggett and Freedman were permanently enjoined from engaging in acts and practices which would constitute violations of Section 17(a)(2) of the Securities Act of 1933 and Section 20(a) of the Investment Company Act, governing disclosure in prospectuses and proxy statements; (3) ABTM was permanently enjoined from engaging in acts and practices which would constitute violations of Sections 36(a) and (b) of the Investment Company Act, which impose fiduciary obligations on fund advisers; (4) ABTM was ordered to pay $465,000 to the two funds; and (5) Shannahan was permanently enjoined from engaging in acts and practices which would constitute violations of Section 9(a) of the Investment Company Act, which bars previously enjoined persons from affiliating themselves with an investment company. (SEC v. American Birthright Trust Management Company, Inc., et al., U.S.D.C. D.C., Civil Action No. 3306). (LR-9266)
